Recently someone at church asked me, “Is there a book of the Bible you have not preached from?” I found that question so intriguing. The next morning I went to my file cabinet where I have a copy of all my sermons (more than 25 years worth of Sunday sermons). To my surprise I found that I have preached (on Sunday) from every book of the Bible BUT three: *Song of Solomon (or Songs)*, *Nahum*, and *Third John*. So I am looking forward to preparing a sermon from each of these books and preaching them in June.

**June 30- Anniversary Sunday**

June 30 is Anniversary Sunday, the 14<sup>th</sup> anniversary of Community North Baptist Church. On June 19, 2005 North Baptist and Community Avenue Baptist each voted to unite into one congregation and to build a new church at 2500 Community Avenue. We met together for the first time as a new church the following Wednesday and had our first worship service on June 26, 2005. On Dec. 24, 2008 we had our first worship service in our new building.

On June 30<sup>th</sup> this year we will celebrate with a potluck luncheon upstairs after the morning worship and The Lord's Supper.
