

*Have you  
ever felt unsafe or  
alone on the  
job?*

## PEACE OF MIND WORKING IN THE FIELD

### 24/7 Emergency help in case of...

- ▶ When showing or previewing properties to new clients
- ▶ Unsafe or uncomfortable situations
- ▶ Medical emergencies, accidents or allergic reactions
- ▶ In case of robbery, assault, or physical danger
- ▶ Entering a vacant property
- ▶ Discreetly contact your friends when needed
- ▶ Walking alone

# WHAT IS POM?

POM is the one-touch safety button that can instantly connect you with emergency help. Tap the POM three times to connect with the 24/7 dispatcher with a two-way call through the POM or press and hold to activate one of the many one-hold features.

## POM FEATURES

24/7 access to emergency dispatcher who can talk to you through the POM. They can then get your location and profile information

Auto Text sends a pre-written message and sends your current location

Auto call will automatically dial a pre-set number at the tap of the POM

Get a fake phone call to end an awkward situation

Locate your keys/bag

Get a virtual walking escort to arrive at your destination safely

“I like having backup at open houses and when meeting new clients.”
