Featured Adoptable Dog For October

Lydia

Lydia has been with us over 200 days! She came to us as a stray from North Carolina and had been evading animal control. Lydia can be shy when meeting new people, but as many of you know, she truly is a lovebug! She loves her blankets and her chew toys and carries them both outside to sit with on nice days! She recently got her DNA results, if you haven't already seen them, check it out.

Reminder, Lydia would do well in a home with no children (they make her nervous)! We don't know about cats, but believe she would do fine with another dog (meet and greet always required). Let's get this girl a home!

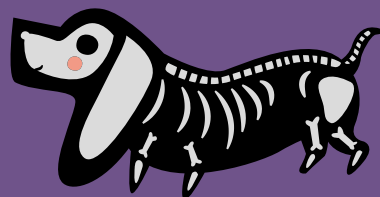

Happy Tails- Remy

Remy came to us in November of last year and was adopted in February 2023. Remy has accomplished so much and come so far in his new home over the last 7 months. Enjoy the photos and update on Remy!

Remy's Dad stopped by to pick up mums this past weekend and Remy came to say hi as well! His dad said he is quite the diva, I think he meant to say spoiled! He has a raincoat he wears in the rain and a sweater (pictured below) that he wears when there is a chill in the air. He also enjoys relaxing on the couch and watching football.

Remy took training classes and looked so sweet in his graduation cap. He can also be seen off leash with a group of dogs in Harrisburg (Remi thinks he is at least part German Shephard lol) Grace also got to see him at a pizza place and say hi! He is truly thriving in his new home!

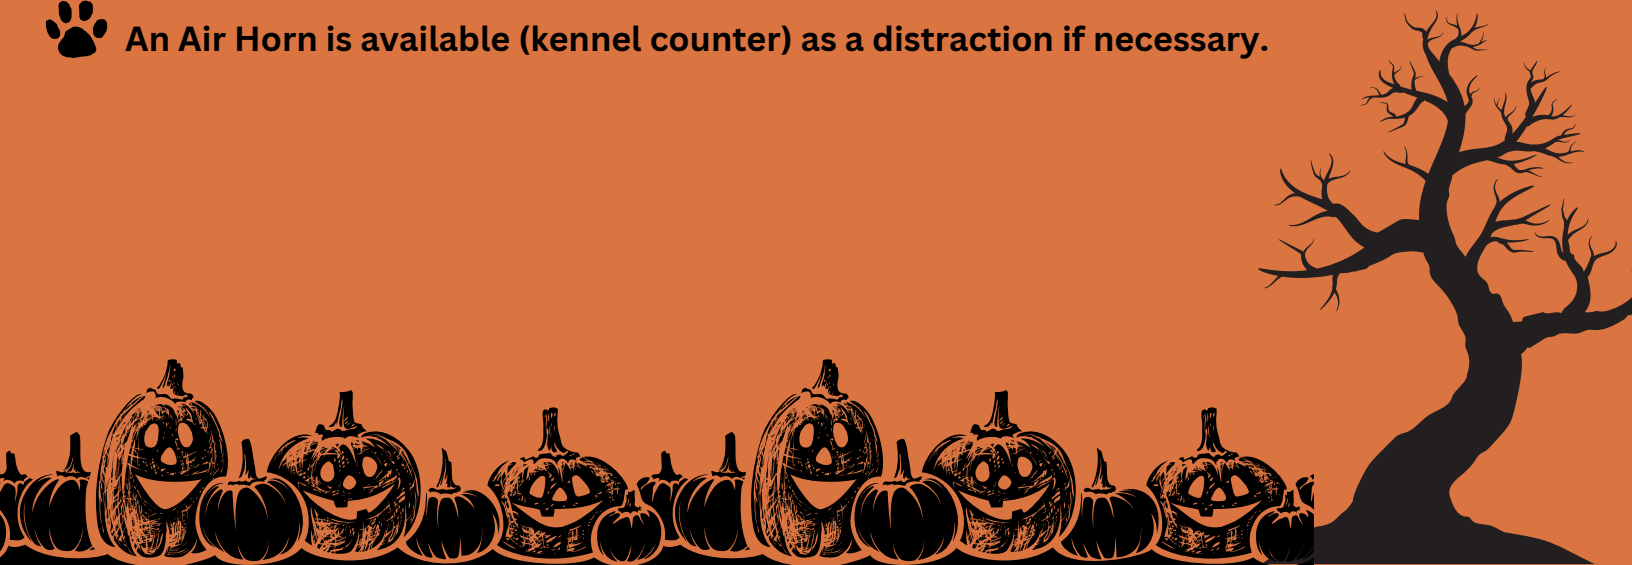

Kennel News:

For everyone's safety, all Canine Rescue Volunteers must adhere to the following procedures:

Close It & Clip It – Every Time!

-  Upon arrival/departure, ensure ALL inside/outside gates are closed and gate clips are in place.
-  When cleaning outside runs – ALL dogs must be inside. Only one dog at a time should be in their outside run for leashing and a walk. Once the walker has left the fenced in area, another dog may be let out.
-  Only play yard friends (check kennel board) may interact with each other in separate yards.
-  Dogs returning to their kennel must be the only dog in the enclosed fenced area.
-  TWO volunteers are required for LTO. Exception: Long-term volunteers with experience handling dogs of all temperaments are permitted to cover this shift alone with prior written approval from the Volunteer and Training Committees.
-  Dogs that do not relieve themselves in their outside kennel may be taken to the play yard but only once all other dogs are back in their inside kennels.
-  Only ONE dog at a time shall be taken to the play yard while the other dogs are inside their kennel.
-  If only one volunteer on a shift, dogs shall only be allowed in their outside runs.
-  An Air Horn is available (kennel counter) as a distraction if necessary.

From the Purchasing/Donations Committee:

Welcome, Tayler to the purchasing/donations committee!

Our goals include being aware of our current needs, and working to keep our expenditures down through social media posting of our wish lists.

Please let us know if you have any suggestions for either purchasing or donations. Thanks.

From the Training and Enrichment Committee:

The training committee will be holding the next BBQ and packwalk on Saturday 9/30/23 beginning at 4:00 p.m. No RSVP needed, just bring a seat and a side dish (if you'd like). This is a great time to give the dogs some extra time out of their kennels and get to know your fellow volunteers. If there is a dog you'd like to get to know better or need some help with handling, the training committee can also help facilitate that during the packwalk. It's also a great opportunity to get to know your fellow volunteers! We would love to see you there!

The training committee has established a procedure for referring a dog for professional training. If you are having a specific concern with a dog, please begin by reaching out to their counselor. After discussing the issue with the counselor, the counselor will reach out to the training committee via an electronic referral form for the training committee to consider training. The training committee will evaluate the concern and decide if this is something we can handle "In house" by having committee members work with volunteers and dogs or if the dog needs to have a professional trainer acquired. Many of the trainers we work with do give us a reduced rate, but they are an additional fee for our rescue. If we feel that the specific concerns can be addressed by our committee we will always try that first. Please continue to reach out with concerns and needs.

The list of enrichment items is continuing to grow for our dogs! There is a list of enrichment activities on the front shelf inside the kennel door if you want to try any. Also, if you have any ideas for enrichment for our dogs we would love to hear your ideas! We are trying to make this temporary home for our dogs as least stressful for them as possible until they can find their own family.

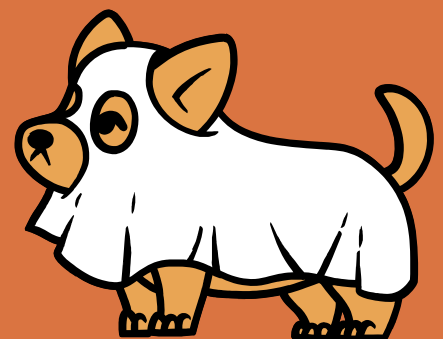

T-Shirts and Sweatshirts available to order!

T-shirts and sweatshirts are still available! For volunteers, Shirts are \$12 and hoodies are \$22. Shirts are blue or gray. Hoodies just gray. Sizes available S-XL. This round I have limited sweatshirts, if we sell them all and have enough interest we can get more. I am at the rescue most Friday's to do PM F&C and will bring orders at that time. When sending me your orders make sure to specify size and color. Email or text megangreevy.crcpa@gmail.com or 814 762 4539 (make sure to include your name when texting). If you have already sent me your order you DO NOT need to send again! This is to catch those that don't use facebook or haven't ordered yet! Starting in September inventory of shirts/sweatshirts will be made available at events - so make sure to get yours before sizes/colors start to sell out!!

Jina also has some of our "old style" t- shirts & sweatshirts. Email Jina if interested in what is left below!

From the Fundraising Committee:

Thank you, thank you to everyone that bought or sold mums, those that came and picked them up (in the pouring rain) and hauled them to the kennel. I appreciate you all so much (as do the dogs!) We sold 206 mums and made around \$800! I think we will keep this on our list for fundraising efforts next year!

We have two opportunities to raise funds via a bake sale! We will be providing baked goods for the Lisburn Community Days (10/28) as well as holding a Thanksgiving Bake Sale tentatively scheduled for 11/18 (finalizing date/ location now). If you enjoy baking and would like to provide baked goods for one or both of these opportunities please let us know! Some of you have already reached out to Jina and expressed interest-THANK YOU!

The fundraising committee is looking for people interested in helping out at events. Megan is also still looking for a co-chair for the committee if anyone is interested starting in the new year!
