

Canine Rescue *of Central PA*

DECEMBER 2023

New Dogs in November

Diesel

Diesel was adopted from CRCPA mid 2022. He was returned through no fault of his own, his owners are having medical issues and can't care for him.

NOVEMBER 2023 ADOPTIONS:

Jenga

Jenga went into a foster home prior to her eye surgery. Her family took excellent care of her during recovery, and made her adoption official this past month!

Dogs currently in our care:

Foster- Abby Aphrodite Blazer Dexter Duke Mac
Murphy Sarah Sparky Winston

HOPE- Hazel Jaida Rocco

Kennel- Bear Bowser Caroline Diesel Lilly Lydia Peyton Rio

Several dogs went into foster homes this past month! A couple are foster to adopt, so keep your fingers crossed they turn into adoptions. Thanks for opening up your homes to those pups!

From the Vice President:

Season's Greetings!! I want to thank our wonderful volunteers, family, and friends who dedicate time and effort for Canine Rescue. Nearly 40 dogs found a home this year. I am grateful for those who spend countless hours ensuring the dogs are happy, healthy, and provided for. The dedicated committee members who keep the rescue operating deserve appreciation and our sincere thanks for managing their portion of the corporation. Everyone's experience, skill, creativity, time, love, and support provided to the rescue and dogs are essential to continuing our mission. I hope the Spirit moves you this Season to consider spending time with the kennel dogs. They need us to enrich their lives and expose them to time outside their kennel. Cuddling on the couch, play-yard time, or a field trip makes a huge difference in the life of that dog. My hope is that all our dogs find their family and live happily ever after. It truly takes a village and it is a privilege to be a part of this one.

Happy Holidays!

Babs

Featured Adoptable Dog For December

Rio

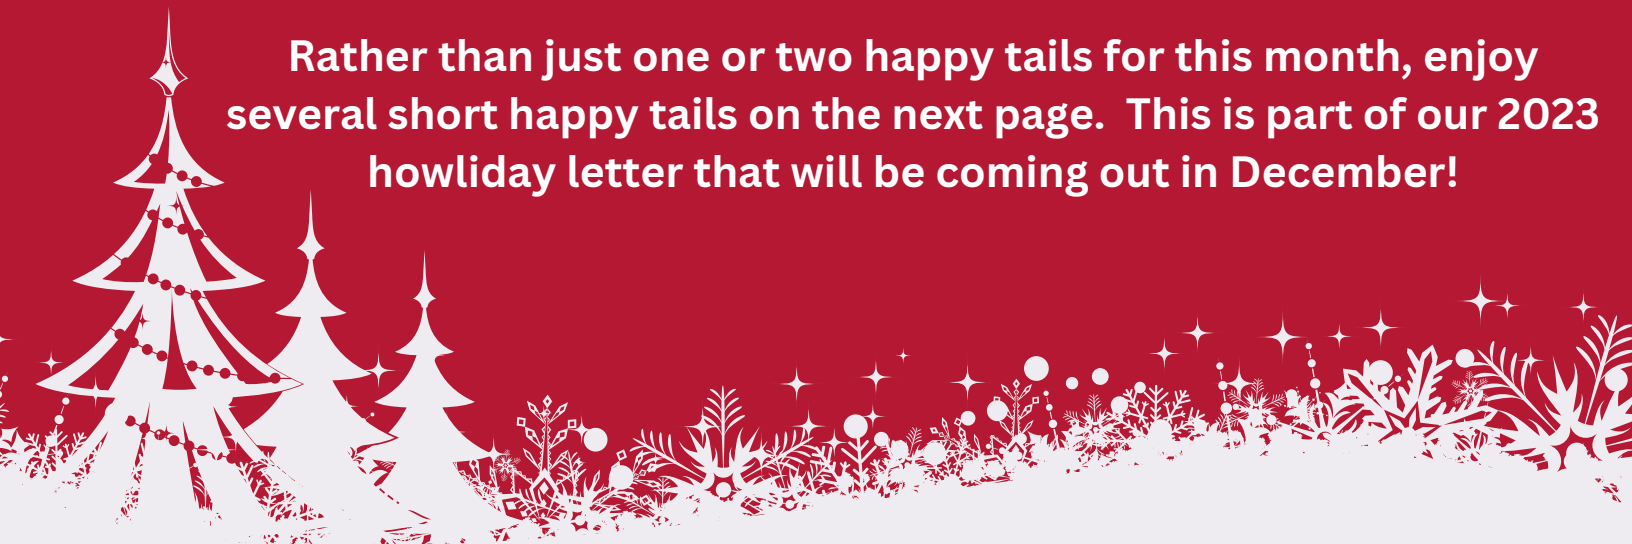

Rio has been with us 215 days! Rio was adopted from us in 2022 and unfortunately returned in April of 2023.

Rio can be shy when meeting new people, but once he knows you he is very sweet and likes to cuddle. Rio is also an active boy and thinks he is a professional soccer player too!

Reminder, Rio would do well in a home with no small children and should be the only pet in the home. A fenced in yard would be a big plus. Let's get this handsome boy a home!

Rather than just one or two happy tails for this month, enjoy several short happy tails on the next page. This is part of our 2023 howliday letter that will be coming out in December!

Krofton loves going to work with Dad. Mom and Dad adore him!

Krofton's foster family fondly remembers him as the one with the sweet, lovable personality that moves right into your home and heart immediately.

Stewie enjoys lounging about and being spoiled with his new sister Millie.

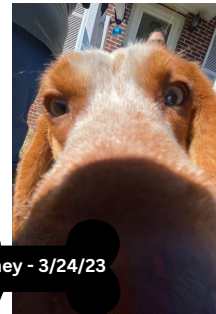

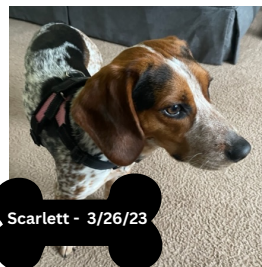

Stewie's foster family gives him most improved pup while fostering. He is a total love bug that is playful, lovable, adorable and all around goofy guy that loves to carry around EVERYTHING.

Coltrane is living the life. He loves his little human brother who will grow with him.

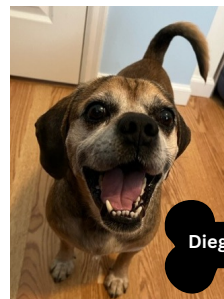

Shade & Shimmer FKA Coco & Blackie are settling into their new home well. Mom & Dad are working on their confidence. They are soooo very much loved!

Scarlett still has a disdain for men...lol but loves having a stay at home mom who thinks the world revolves around her.

Honey FKA Buttercup, loves spending time with mom and her little sister... oh and the cats too. Honey likes to watch and chase the deer that frequent her property.

Remy graduated from his training program and has lots of new friends. He thinks he is a German shepherd. Please don't tell him any different.

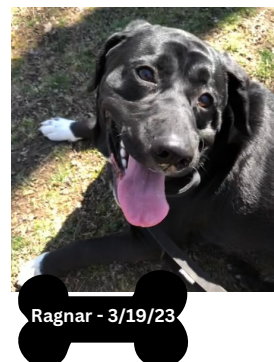

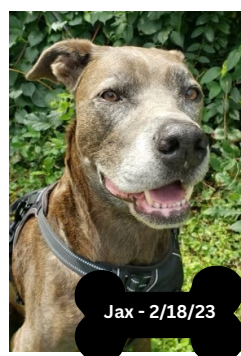

Diego, FKA Remington loves sniffing out rabbits in his back yard.

Lydia is Daddy's little girl! Grammy spoils her too.

Jax loves his walks, his bark box subscription, and his mommy. (Loves Daddy too, but Mommy is his true love).

Ragnar FKA Apollo is working on losing some weight and gaining confidence with his adoring Dad.

Apollo's foster family fondly remembers him as The 110+ lb lovable lap dog. He was the shy, gentle giant who loved everyone.

From the Volunteer Committee:

I want to express my gratitude for the support of all of our wonderful volunteers. The dogs depend on all of you for your time, efforts and love. You really make a difference in their lives.

I also would like to welcome our new volunteers that started in the month of November. We were fortunate to add 12 new awesome volunteers! See their photos below and if you haven't met them yet, please give them a warm welcome when you do see them.

Mike

From the Purchasing/Donations Committee:

We received a large number of new benebones and nylabones for the dogs this month. The donations allowed us to give them some new shapes to chew on and keep them busy during the day.

We started a recycle process to sand down any bones that have sharp pointy edges. Please do not throw them away. If you notice bones with these characteristics please place them in the bin in the garage for sanding. With the large number of new bones, we now have a large enough supply to rotate through without impacting the dogs' chew toy inventory.

Lastly as a friendly reminder, please place all donations on the cart in the garage marked “donations”. This ensures all are logged properly.

From the Training and Enrichment Committee:

Thank you to everyone who has done a Dog's Day Out recently! We know the dogs enjoy getting out, and it is so good for their mental health and behavior to get out of the kennel. Please continue sharing your outings on the volunteer Facebook group, as your posts help give others ideas of places they can visit with the pups. If you'd like to do a Dog's Day Out, please remember to clear it with the medical committee and the dog's counselor first.

Please be on the lookout for some new enrichment items coming soon to the kennel! When we receive new items, we will update the enrichment activities list with what is allowed to be left in the kennel with the dogs and what they can have only when supervised. Please continue to use your best judgement when giving enrichment items - i.e., smaller items/chews reserved for smaller dogs; larger sizes for larger dogs, etc. - so that we can continue to provide the dogs with boredom-fighting activities while keeping them safe and healthy.

**If you have any questions, feel free to reach out to the committee
(training.crcpa@gmail.com).**

From the Maintenance Committee:

The kennel grounds have improved tremendously over the past year. A huge shout out and appreciation to everyone who pitches in with keeping up the play yards, walking trails, building maintenance, and overall cleanliness of the kennel. We are grateful for your contributions.

Attention new volunteers: T-Shirts and sweatshirts available to order!

T-shirts and sweatshirts are available to all volunteers, but wanted to draw attention to the new volunteers! For volunteers, Shirts are \$12 and hoodies are \$22. Shirts are blue or gray. Hoodies just gray. Sizes available S-XL. This round I have limited sweatshirts, if we sell them all and have enough interest we can get more. I am at the rescue most Friday's to do PM F&C and will bring orders at that time. When sending me your orders make sure to specify size and color. Email or text megangreevy.crcpa@gmail.com or 814 762 4539 (make sure to include your name when texting).

From the Fundraising Committee:

Thank you so much to everyone that helped make our first annual Thanksgiving Bake Sale a huge success! We will add this to our events again next year and make it even bigger and better.

We have two more weekends of events and then will take a little break to relax and enjoy the holidays-sign up for an event shift if you can!

If you would like to join the fundraising committee please reach out to Megan at megangreevy.crcpa@gmail.com. I am hoping to schedule a fundraising committee planning meeting in January to outline 2024! I would love to email those on the committee to get a date that works for as many people as possible. We are also still looking for a fundraising co-chair.

We will be making our famous peanut butter eggs again this year. Mark your calendars for the weekend of February 2-4 & February 23-25. We are going to need lots of help to make the thousands (literally) of eggs we sell. Also, if you know any businesses that would be willing to sell them for us, please reach out to Megan Greevy.

Upcoming events:

Wednesday - Sunday 11/29-12/3 PA Christmas + Gift Show & Deck the Paws Fashion Show; Saturday 10-11am
