Kennel News:

We have many shifts available in November and December. It appears, from looking at the calendar, that the shifts are being covered by a lot of the same people over and over again. The next couple of months will be a busy season for everyone but if every volunteer can sign up for ONE, JUST ONE, extra shift outside of your normal shifts to help out in November and December that would be helpful. Our dogs need everyone to step up and help out.

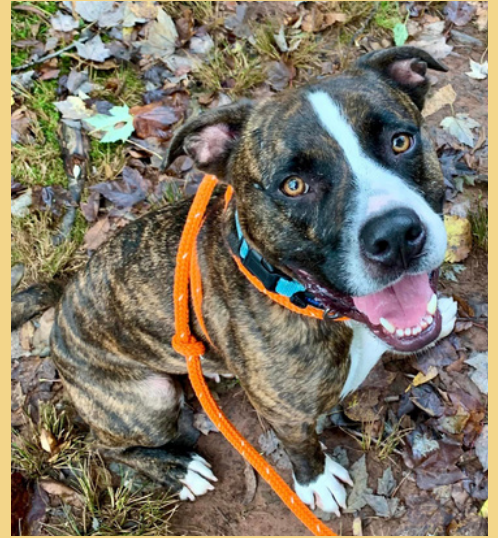

Please continue to put the word out that we need more volunteers!

Featured Adoptable Dog For October

Bear

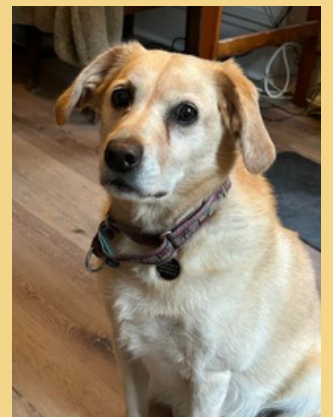

Bear has been with us 185 days! Bear was adopted from us in 2022 and unfortunately returned in April of 2023.

Bear can be shy when meeting new people, but as many of you know, he truly is a gentleman! He is calm on a leash, he sits politely for treats and takes the treats so gently when offered.

Reminder, Bear would do well in a home with no small children and should be the only pet in the home. A fenced in yard would be a big plus. Let's get this handsome boy a home!

Happy Tails- Carly

It has been almost a year since Carly found her forever Home! Her parents sent the following update: "Carly is doing great! She loves her dad especially and sleeps in his chair when he's not home.

She fit so well into our home, has learned to bark a good bit less and even some basic obedience skills. So happy she joined the pack. She's also down to 50 lbs and much happier than when she was 60+ lbs."

The picture on the left is one of her Mom's favorites ❤️

Happy Tails- Zoupy

 Zoupy was adopted in July 2023 and has had the best 3 months! His dad sent this heartfelt update:

“Zoupy saved my life, plain and simple. I made a promise that I would give him the best life possible and the only way I could deliver on that was exercising him everyday with long hikes, runs, etc. regardless of how I felt that day.”

As a result of that promise, Zoupy’s dad has improved his own health and lost a significant amount of weight.

“Zoupy is spoiled rotten with a healthy diet of kibble, chicken livers, hearts, raw beef bones, but his absolute favorite snack is asparagus. My friends that visit absolutely love him and he loves them. Every where I leave him, whether it’s an hour at the groomer, or 2 days at the daycare when I’m visiting Michigan, it’s the same response. “ can we keep him?! You have to bring him back ASAP!”He’s the sweetest and most well behaved animal I have ever met. I could not be more blessed than I am today without Zoupy.”

Community Thank You!

Joe, the owner of Juice and Java, donated TONS of tennis balls for our dogs to play with - and this isn’t the first time he’s donated tennis balls! They make other donations to us as well.

The best way to thank Joe is to check out Juice and Java if you haven’t already!

From the Purchasing/Donations Committee:

We received a lot of donations of food and treats in October. Due to this generosity, we will not need to purchase these items for a while, freeing up funds for medical and other expenses. Please keep sharing the posts requesting donations, and if you or your friends have donated, please know what a difference you make for the daily operations of the rescue. Rest assured, we do send thank you notes when gift receipts are enclosed. Many thanks to Karen for covering that task, and more.

If you know of an office or organization that would like to help the rescue, please consider suggesting that someone reach out to us at DonationsCRCPA@gmail.com to work with us to set up a donation drive. We will communicate items we need at that time, as these fluctuate quite a bit. We will also arrange for drop off, photo ops, etc.

We now have active wish lists on chewy as well as amazon. E-gift cards are an especially useful donation.

From the Training and Enrichment Committee:

As the weather gets cooler and the days get shorter, it's a great time to consider doing a Dog's Day Out with one of our pups! Dog's Day Out (DDO) is exactly as the name suggests; spending a few hours with a shelter dog outside of CRCPA. This can be anything from grabbing a puppuccino, going on a hike, taking a leisurely stroll at a park, or even a nap at your home.

Research by Maddie's Fund found that dogs on field trips were happier, more relaxed, more playful and calmer than dogs in the shelter. Dogs on field trips showed less nervousness, anxiousness, insecurity, barking, shaking/trembling and repetitive behaviors such as jumping. Both you and the dog can enjoy a day of companionship combined with an adventure, a win-win situation for all!

If you need some good DDO ideas, please reach out to the training committee (training.crcpa@gmail.com) and as always, please be sure to clear any off site activities with the specific dog's counselor as well as the medical committee.

T-Shirts and Sweatshirts available to order!

T-shirts and sweatshirts are still available! For volunteers, Shirts are \$12 and hoodies are \$22. Shirts are blue or gray. Hoodies just gray. Sizes available S-XL. This round I have limited sweatshirts, if we sell them all and have enough interest we can get more. I am at the rescue most Friday's to do PM F&C and will bring orders at that time. When sending me your orders make sure to specify size and color. Email or text megangreevy.crcpa@gmail.com or 814 762 4539 (make sure to include your name when texting). If you have already sent me your order you DO NOT need to send again! This is to catch those that don't use facebook or haven't ordered yet! Starting in September inventory of shirts/sweatshirts will be made available at events - so make sure to get yours before sizes/colors start to sell out!!
