North Sterling is a prime warm-water fishery. Although best known for the excellent wiper, walleye, and catfish in the reservoir, North Sterling is also home to rainbow trout, small-mouth and largemouth bass, yellow perch, bluegill, crappie, northern pike, tiger muskie, drum, and carp.

Since North Sterling is an irrigation reservoir, the water levels can fluctuate up to 40 vertical feet during the irrigation season from April to September.

Fishing is allowed on the water or along the shoreline on state park property. See the North Sterling Area Map for the park property boundaries.

All fishing laws and regulations are strictly enforced at North Sterling.

All fishermen age 16 and older are required to have a current fishing license. Licenses are sold at the state park.

AVAILABILITY:

May 1- Labor Day we are open Fridays 4pm-8pm, Saturdays 8am-8pm, and Sundays 8am-2pm. Boats may be rented on Mondays-Thursdays only with prior reservation, and with additional \$30.00 surcharge.

RENTAL PERIODS:

All boat rentals require a minimum of 2 hours. Our most popular rental periods are two, three and four-hour rentals, but you are welcome to call us for additional hours. The rental begins at the "scheduled" start time, not the time you leave the dock. Please arrive 15 minutes prior to your scheduled start time to go through a reservoir orientation and a boat check-out.

Any rental returned after "scheduled" time will incur a \$50.00 late fee, plus hourly charges for the additional time used.

All boats must be returned each day by close of business; there is no night-time navigation allowed.

CANCELLATION POLICY:

A reservation may be cancelled at any time prior to 48 hours before your scheduled rental, with no penalty.

Reservations cancelled within 48 hours will incur a cancellation penalty of 20% of the rental fee which will be charged to your credit card.

Weather policy: In case of inclement weather (at the time of your scheduled rental), you may cancel your reservation with no penalty if the boat does not leave the dock. Once you leave the dock, there is a 2 hour minimum on every rental. For example, if you've rented the boat for 3 hours and return after 1 hour due to weather, you will only be charged for 2 hours rather than the 3 hour rental period.

BOAT DISCLAIMER:

We will do our best to honor all reservations; however, we will not be held liable in the event that, due to unforeseen factors, a serviceable boat is not available at the time of your reservation.

FUEL:

Rental fees INCLUDE the cost of fuel.

AGE RESTRICTIONS:

Motorized vessel must be operated by 18 years or older. Non-motorized vessels may be operated by 16 years or older with adult supervision.

Adult life jackets are provided aboard each boat for the maximum capacity of that boat and adults are recommended to wear theirs.

RENTAL REQUIREMENTS:

All operators must be at least 18 years of age to rent and operate any of our boats.

A credit card and a drivers license must be left at the marina as security while on the water.

Boats will NOT be rented without these documents.

PAYMENT POLICY:

We do NOT accept checks.

Rental fees do **not** include any applicable state or local taxes.

CAPTAINS FOR HIRE:

We will do our best to accommodate your request.

DRINKING WHILE BOATING:

Per Colorado Law, it is illegal to operate any boat under the influence of alcohol!

Boaters MUST observe the same rules and levels that would be applicable when driving a car.

You are more than welcome to bring alcohol aboard the boat, but please be sure to bring a designated operator legally allowed to operate the boat.
