**Rental Contract Requirements for Boat Rentals**

**LESSEE STATES:** I am an adult of at least **18 years of age**. I have rented the described vessel as Lessee from the North Sterling Boat & Charter Rental LLC (Lessor). I also understand that a new rental contract must be signed & dated with each rental period. I agree to the following terms and conditions, and understand that there are risks of participating in watersport activities.

1. Lessee agrees to return the vessel on or before the established return time, otherwise Lessee shall pay a **\$50.00 late charge** and any additional time at the hourly rental rate, with any portion of an hour constituting a full hour. Lessee shall also pay any loss or damage Lessor may incur by Lessee's failure to return with vessel at the established time. There is no refund for early return of vessel. Lessor is not responsible for loss of running time due to weather, illness, accidents or changes in plans.

2. **Weather policy:** In case of inclement weather (at the time of your rental), you may cancel your reservation with no penalty if the boat does not leave the dock. Once you leave the dock, there is a 2 hour minimum on every rental.

3) Lessee shall return the vessel in the condition it was received or Lessee shall be liable for all damages and/ or loss of the vessel and its equipment sustained during the rental period. Should the vessel be returned in a condition that requires extensive cleaning, a **cleaning fee of \$50.00** shall be added over and above any other required charges.

4) Lessee agrees that the vessel will be kept in a safe place when unattended by Lessee personally and will be used solely by Lessee in a safe manner and on the date and time indicated on the rental form.

5) Absolute assumption of responsibility for loss or damage of the rental unit.

**LESSEE FURTHER AGREES:**

1. Lessee's acceptance and use of the vessel will be deemed to be acknowledgement that the vessel is seaworthy.

2. Lessee assumes all risk of loss and damage to vessel, or other persons or property damaged by lessee.

3. Lessee understands that due to changing water conditions and levels some hazardous areas may be unmarked, and therefore not described by Lessor before rental period.

4. Lessee shall have exclusive possession, control, and command of vessel during the rental period.

5. Lessor is not responsible for any property left on vessel, or lost or transported by Lessee or any other person in Lessee's party on vessel before, during, or after rental period.

6. Lessee shall indemnify and hold Lessor/boat captain harmless from any and all liability resulting from injury (including death) to any person, or damage or loss of property suffered on or about the vessel by reason of Lessee's/boat captain's use, navigation, or operation of the vessel.

7. Lessee shall use the vessel at his/her own risk and releases Lessor from all claims, liabilities, or suits arising from Lessee's use of the vessel, including personal injury to Lessee or property damage sustained by Lessee.

8. Lessee warrants and represents that he/she has the ability to safely operate the leased vessel.

9. Lessee assumes full responsibility for the negligence of his/her passengers aboard the vessel

10. Absolute assumption of risk for all damage or injury of self, and all others while boat is in renter's possession. I do also understand that there is no night-time navigation of rental units.

**The vessel is rented subject to lessee's reading and accepting the terms & conditions set forth above.**
