A Veterans Day prayer

God of all nations, you are our Strength and Shield. We give you thanks today for the devotion and courage of all those who have offered military service for this country

...

We ask today that you would lift up by your Spirit those who are now at war; encourage and heal those in hospitals or mending their wounds at home; guard those in any need or trouble; hold safely in your hands all military families and bring the returning troops to joyful reunion and tranquil life at home. Give to us, your people, grateful hearts and a united will to honor these men and women and hold them always in our love and our prayers until your world is perfected in peace and all wars cease. Through Jesus Christ, our Savior. Amen.
