

### **International School Project**

Bryce and Amy Seneca are serving with ISP an educational organization that provides professional training for teachers. ISP helps teachers develop moral and ethical character in their students to avoid destructive behaviors.

*"Go therefore and make disciples of all nations"...*

*Matthew 28:19*

**The Gideons International** is an Association of Christian business and professional men and their wives dedicated to telling people about Jesus through associating together for service, sharing personal testimony, and by providing Bibles and New Testaments. While we are often recognized for our work with hotels, we also place and distribute Scriptures in strategic locations so they are available to those who want them, as well as to those who may not know they need them.

### **Fredene Bishop Scott**

Fredene has been has a heart to serve those who need Jesus in many different areas. She has served with Mercy Ships and currently serving with Love Guatemala and Jewish Voice Ministries.

### **Mission Is Everywhere**

The word "mission" often implies traveling to another country to teach and work. The work done in foreign missions is important, of course, but we can't all make the trip. What we can do, however, is be faithful servants where we live. Mission is about putting the face and name of Jesus in front of those who don't know him. We can do that in many ways — any place and any day.
