

## DIVORCE AND REMARRIAGE, Pt. 1

Matthew 5:31-32

February 16, 2020

Divorce and remarriage have occurred in many families and the ripple effects of this act are often felt for a lifetime. The circumstances regarding why someone sought a divorce and remarriage can be unique to their personal situation. I doubt if I will be able to adequately address specific situations even though I will be teaching on this topic for two weeks. In an attempt to make my teaching more personal I am inviting anyone to participate in a written Q & A. Next week I will address the written questions that have been submitted. Please make the questions anonymous.

Sermon outline is on the insert.

## Announcements

Join us today **following worship, for a sandwich and salad potluck.**

A missionary was telling a Native American about Christ, the Son of God, and how we gather every Sunday to worship our Creator. The man was curious why Christians worship together each week. "Does this God come only on Sundays?" he asked. How would you have answered?
