River Valley Baseball for Youth, (RVBFY), now in existence for more than 30 years, provides youth baseball and softball programs for several hundred children each year. The purpose of RVBFY is to teach boys' baseball and girls' softball fundamentals, increase self-esteem, have fun, and encourage participation without regard to winning or losing. The River Valley Schools Board offered to partner with our organization and provide 22 acres of schools property on which to build the complex.

RVBFY has built a thirteen field, \$250,000, complex on the 22 acre site located at 2250 Harding Highway E. across from Kennedy Park. Our organization is soliciting business signs as one of the means of supporting our baseball/softball complex. We will provide a 3" x 5' nylon banner which will be located on one of the thirteen outfield fences and on our website. There are over 500 games played at the complex annual, which are seen by thousands of people.

RVBFY is a not-for-profit organization and has a 501C3 tax exempt status. Tax-deductible donations for the complex can be made to: River Valley Baseball for Youth.

If you have any questions please contact a board member or also can be reached by e-mail at [info@rvbfy.org](mailto:info@rvbfy.org).
