If anyone knows of any other dates for shows, cruises or swap meets please drop me an email to let me know so they can be added to the calendar.

FROM THE PREZ

Hi LEMOC,

I hope everyone had a joyous holiday and New Year's. As usual, ours went way too fast but we had a wonderful time out in the Lake Tahoe area and got to go skiing. A couple weeks later, Barbara and I went to the Barrett-Jackson auction in Scottsdale, AZ. Barbara said it was like going to the state fair. In addition to the cars, there were all sorts of vendors there. The big 3 were there with their current cars. Ford had the new Shelby GT 500, the GT and the new Bronco displayed. It was surprising to see a new performance Mustang with paddle shifters but they say they are faster than the manual. Some of the vendor's cars were amazing but very pricey. Want a new Land Rover with an LS engine swap or a vintage Bronco with a coyote or a war era Dodge Power wagon with a Cummins, they were all awesome and on display.

Then there was the Arizona weather, it was in the 60's all week and really nice, it was a welcome change from the snow, wind and lack of sunshine. And finally there was an amazing variety of cars, there was a little bit of everything and a lot of corvettes. I would say that 80 percent of them were fully restored and many of them had an excellent story or pedigree. (I'll bring the catalogs to the next meeting.)

This will be a special year for LEMOC and the Mustang community. We are celebrating the 30th anniversary of the LEMOC Round-up car show on August 4th at Ferrando Ford. It should be a special one. This year will see the opening of the Mustang Owner's Museum in Charlotte, NC. It is really nice that this dream is finally becoming a reality. The grand opening and the celebration of the Mustangs 55th birthday will be in April. Mustang was the original pony car and will be the first one to have a national museum. The MCA will be having their Grand National show in Fredericksburg, VA this year over Labor Day weekend. There are a couple national events that will be held in Pennsylvania this year. Every year, the Shelby club has an annual convention. Usually, they are held with the SVRA, at a large racetrack. This year, SAAC 44 will be held in Pittsburgh in conjunction with the Pittsburgh Vintage Grand Prix and Shelby and Mustang will be the Marque cars at the Grand Prix. We went in 2013 and had a great time. On Saturday, they have an international car show featuring the Marque car and cars from around the world. On Sunday, they have races on the track thru Schenley Park. This year there will also be a National Boss reunion to celebrate the 50th anniversary of the 1969 Boss 429 and Boss 302. It will be held at PittRace over Labor Day weekend. Should be an exciting summer with lots of car events.

Until the spring thaw and bringing our ponies out of hibernation, we will have some excitement at our meetings with a guest speaker in February and a field trip in March.

Hope to see everyone at the next LEMOC meeting on Wednesday, February 6th at the Boy Scout Building.

.LEMOC MEETING MINUTES

There was no meeting in Jan. so no minutes to report.

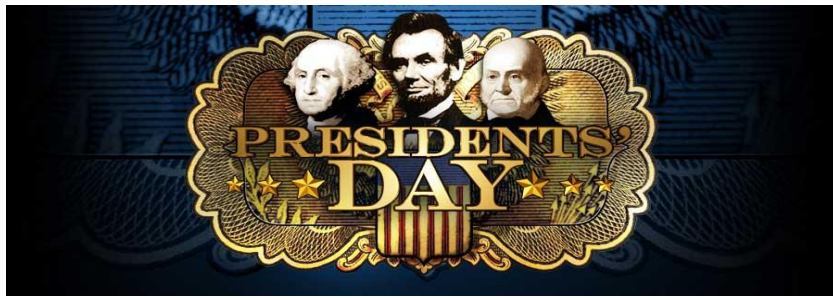

LEMOC 2019 CAR SHOW

It's not too early to start thinking about the 2019 car show. We are doing something a little different with our wooden dash plaques next year as it is our 30th Anniversary. We are asking club members to bring either a Hot Wheel or Matchbox Mustang to the next club meeting in Feb. As you can see I am sure most club members

have a collection of these things laying around.....

Some interesting ads from the past...

Disposing of used engine oil can be a problem. Solution: Dig a hole in the ground with a posthole digger and fill it with fine gravel. Then pour in the oil. It will be absorbed into the ground before your next change. Cover the spot with soil.

Nash Thought of the Children, too, in the World's Finest Travel Car!

And we thought this stuff was safe back when.....at least there is a seatbelt on one ad..

Here is a view of the Mustang Museum from above

From this photo you can see the front awning is in place, and the outline of the parking area.

The Museum sign will be place above the awning, closer to the top of the Museum.

Curious to see what the Museum sign will look like?

The Museum Building Sign

POWERED BY YOU!

Without you, there would be no Mustang Hobby or Mustang Owner's Museum.
