## **FROM THE PREZ**

Hi LEMOC,

The calendar says that spring has sprung but I don't think Mother Nature is done with winter yet as we got 4" of snow yesterday. Hopefully, this will be the last of the white stuff. The bright sunshine today is welcome but deceiving when you walk out the door and it feels like the low 20's.

April is always a special month for the mustang community and this year it will be extra special.

The long awaited opening of the Mustang Owner's Museum is less than a month away. Along with that, there will be a celebration in Charlotte of the 55th birthday of the original pony car.

I hope that everyone going to Charlotte has a great experience and a good weekend weather- wise.

Last month, we had our meeting at Bonnell's Rod shop. I want to thank Phil for sharing the shop with the club and the cars they are working on (including a 1st gen. mustang). We should make this an annual event.

Hope to see everyone at the next LEMOC meeting on Wednesday, April 3rd at the Boy Scout Building and at our local birthday celebration at Quaker Steak on Wednesday, April 17th.

Jon Haverty

## **FROM THE EDITOR**

I just couldn't resist! Like a kid with a new toy here is my new one. Thanks to the dealer prep guy who had the foresight to video and take pictures of my car coming off the carrier. Now if this darn snow would just go away....

## LEMOC MEETING MINUTES

President Jon called the March 2019 meeting of the Lake Erie Mustang Club to begin dinner at 6:30. BBQ pork and Egg Salad for those observing lent along with fish sticks and gnocchi and many other delicious treats were enjoyed by all at Bonnell's Rod Shop. What a great setting to gather in and enjoy cars!

An abbreviated meeting was held before a tour of the Rod shop was enjoyed by all. They are working on some amazing cars, which included a unique Mustang.

And we were welcomed to come back to Bonnell's anytime by our host Phil Palmer.

## MUSTANG MEETING AT THE ROD SHOP

LEMOS's March meeting was held at Bonnell's Rod shop. Although we had a small turnout, it was a great time as host Phil gave a talk on the future of Bonnell's and the future of car restoration. Thanks again to Bonnell's for opening your doors to our club.

Pictures of the LEMOC group at Bonnell's, cars in different stages of restoration, hmmm...discussion on tires, bumpers or Brown's football??? And Bonnell's new venture in RV restoration.
