FROM THE PREZ

As our most exciting time of year quickly approaches, we should all take a minute to think about how our efforts not only allow everyone to enjoy their mustangs, but make substantial donations to local charities. I am not sure what part of the week is the most exciting the picnic on Wednesday, the show on Sunday or the after party! What is your favorite?

Our Monday night at Cruise the Bay was a huge success. Thank you to everyone who attended. The LEMOC turn out was spectacular, wish I could have been there.

Special thanks go out to Denise for all the hard work to plan and lead the mystery cruise. It takes a great deal of effort to put these trips together and I wish we could have joined everyone. Again, thanks Denise for all you do!

In addition to the car show week activities, Bonnell's cruise is just around the corner on August 17 and is always a fun day. The Grand National MCA show is the end of the month in Frederickburg, VA. Closer to home is the 50th BOSS reunion at the Pittsburgh International Race Complex in Wampum, PA, both activities are Labor Day weekend.

As a club we are in now in desperate need of individuals willing to step up and help with the club officer responsibilities. We continue to need a secretary and now a membership officer. The Webber's are planning to make their permanent home in Florida and thus Joy has turned in the membership supplies. Joy has done an excellent job and has everything in order that will make taking over the job very simple for a new person. Rick has announced his plans to move south and join the snowbirds of the sunshine state too, so a treasure is also needed soon! Please consider stepping up and helping out the club. Don't hesitate to ask any question you may have to any of the current officers.

Hope to see you all at the picnic and show,

Jon

FROM THE EDITOR

Whew it is hot out!! Thank goodness for air cooled seats in Mustangs!! In the back of my mind I keep thinking in 6 more months we will be wishing for this warm weather and a chance to drive your cars. A lot of activities going on right now so hopefully I will get notices out so everyone will be informed. Gearing up for our car show on Aug. 4. We have a few new events we are going to try this year. One is going to be the fan belt toss that Cruise the Bay uses. There will a contest for adults and one for kids with prizes for the most fan belts around the traffic cone. The second event will be a performance by Hoops by Dennehy. They are a local hoola hoop group that performs around the area. Get your hips swinging as Sam with be looking for participants.....

CRUISE THE BAY 2019

About 24 club cars showed up for a gorgeous night at Cruise the Bay with LEMOC as the sponsor. Pizza and

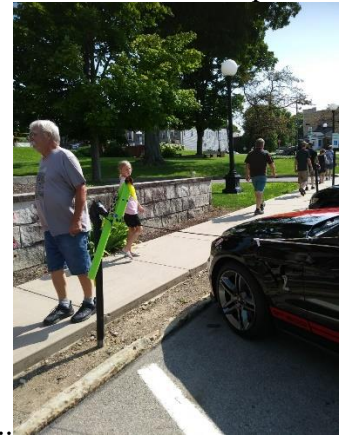

goodies were passed around with LEMOC gaining 4 new members.

MYSTERY CRUISE 2019

The 2019 Mystery Cruise is in the books and it was another adventure as a group of 6 Mustangs and one wanna be drove south where the first stop in Mercer was for a “quick” snack. The “parking meters” in Mercer square

just happened to be horse hitches and Rick just couldn't resist “hitching” up his pony..

The first stop was at the Appalachia Rock Shop where the owner Leslie was very informative about her happy

stones. Still she convinced the black stones were unhappy stones...

There were stones from all around the world and some members just could not resist a mood ring or two.

The next stop was to the village of Harmony where we had a tour of the area and the history behind the Harmonist people that lived there. The area is rich in spirits and ghosts and when we arrived at the cemetery to move the gate, a picture was taken that sure looked like one got out. After a good German dinner at the Harmony Inn and a good rainfall while eating ice cream, I hope no one brought a spirit home with them...

The heavy concrete cemetery gate and pushing it open to let the spirits out.

SECRETARY and MEMBERSHIP CHAIR NEEDED!

We are in need of a secretary and membership chair to take notes at our meetings and maintain the membership roster. The jobs are not difficult. As of right now, volunteers or the Pony Post editor are taking notes. If this continues, there is no guarantee that the Pony Post will go out on time or go out without any meeting notes. Please consider doing either one of these positions as no member should be doing 2 positions. This is your club and we need members to help us to continue as a club.

SNOOZE AND CRUISE

Aug. 24 and 25

Our Snooze and Cruise this year will be to Ohio where we will tour the Ohio State Reformatory and the area around Mansfield, Ohio. Our host hotel is the Quality Inn and Suites on N. Trimble Rd. in Mansfield, Ohio. Room rate is \$99.00. Phone #419-529-1000. We now have a block of 12 rooms available for us but since there is a race at MidOhio that weekend, I would recommend to get your reservation in early. We have 9 members going so far. When you call, use LEMOC to get the \$99.00 discount.

The tentative itenary is leaving from the Love's Truckstop in Conneaut, Ohio to travel to Mansfield, Ohio. We will arrive at the Richfield Carousel Park where we will have a box lunch waiting for us. Cost \$12.84. If you choose to ride the historic carousel cost is \$1.00. From the Carousel, we will travel to the Ohio State Reformatory for a 1.5 hour tour. Cost \$15.00 per person if we have 20 people going. If not \$18 for senior discount. If time allows there is a Firefighter's Museum right by the hotel (free) which we can tour before they close at 4. Check into the hotel. Leave from the hotel for dinner reservations at 5:30 at the Steve Dakota's restaurant. The hotel has a back yard available for us to have our after dinner beverage get together and they

approved.

Sun morning we will tour the Kingwood Gardens. Cost is \$5 which opens at 10am. After touring the gardens, we will head to the Ohio Bird Sanctuary where a talking crow yes crow! will greet you. Hope to have a tour guide but on Sun. there is no guarantee. Cost is \$3. With tour guide \$75 total. After the Sanctuary we will have lunch at the Buckeye Diner which is a converted train. The Diner is right next to I-71 which you hop on to head

home.

I will need a head count of who is going by the end of July plus your lunch selection for the Carousel lunch.

It is not a long drive. Mansfield is about 2.5 hours from Erie. There is a lot of interstate driving but the drive to the bird sanctuary is beautiful and a lot of the venues are close to the host hotel. Consider joining the club on an overnight outing. The ones that have gone before will agree it is a fun time.
