Editor's Note

Well Fall is officially here and even though the days still feel like summer, the nights are a little too chilly to leave the top down on your convertible while cruising-unless you have heated seats! Cruising season is winding down also with only a few trips left on the calendar.

Would remind members that the Peek Cruise is a big event and the unofficial close to the cruise season. If anyone has not been to the Peek before there is plenty to see and do besides the car cruise. We are meeting at the Get Go gas station off of Route 430 at 8 am to cruise to the Peek on Sun. Oct. 13. The club will provide sandwiches and members are asked to bring a food item that can be eaten without silverware. Come tailgate with the club at the Peek!

Election of officers will be coming up in Dec. and Secretary and Membership chair are still 2 positions left open. If Jerry DeRosa our Vice President approaches you about an office, please consider. It's not fair for the same people to just rotate the offices every few years. We have a lot of new members and would welcome some new faces and some new ideas for the club.

One last item – if you have not paid your membership dues they are now due. If not paid by the end of the year, you will not receive any more Pony Posts.

LEMOC MEETING MINUTES

President Jon called the September 2019 Lake Erie Mustang Owners Club meeting to order at 7:30 with 25 members present.

Treasures Report The treasure flew south so no report was given. Thanks to Jim Baker for volunteering to help with the treasurer's position.

Car Show Report: A nice profit was made from the show and the board recommended a donation be made to the charity, Community Shelter Services. A presentation of the donation will be made with Ferrando in the near future.

No negative comments were expressed at the show by participants, over 100 cars were registered with club cars included. It was a great day and enjoyed by ALL!

Ferrando Ford will up their sponsorship next year and their continued support is greatly appreciated.

Next years show will be moved to the Second Sunday, August 9th, due to conflict with a National Mustang Show in Buffalo the first Sunday of August.

Chris and Jerry will be seeking additional help for next year's show. Car Show Committees will be presented for sign up in February. Please plan to volunteer!

Mike volunteered to chair trophies and plaques for next year. THANK YOU MIKE!

Pony Post: No updates but Denise is interested in someone also taking over this position.

Membership: One new member joined at the Club at the show. Membership dues are now past due! Please send in your \$20 payment to LEMOC, PO Box 8602, Erie, PA 16505

MCA: No report

Christmas Party: Mark your calendar and plan to attend on December 14, 2019 at the Colony Restaurant.

Events: Mike Trinko asked for convertibles for the Conneaut School Homecoming parade on Sept 27 from about 5 to 7 pm. Let Mike know if you are interested.

Peek n Peek: The annual cruise at the Peek is planned for October 13, 2019. Group travel was planned from the Get and Go at the Wesleyville exit off I90. Plan to meet at 8 am. The club will provide sub platter and members are ask to bring a snack that does not require silverware to share and your own beverage.

Snooze and Cruise: Everyone had a wonderful time. Highlights included the Bald Eagles and the sanctuary and Denise "expressing" herself with her 2019 exhaust cutouts. As well as camera's refusing to work in "haunted" areas of the prison. Much thanks to Denise for planning this wonderful event!

Montrose Ford Show in Akron Sept 8th group will meet at the first rest stop in Ohio at 8 am.

Greater Pittsburgh Club Show: Sept 22, an email reminder will be sent out by Barbara closer to the date.

Round Table: Lots of car excitement and Grandchildren stories were shared.

PRESENTATION OF CHECK

LEMOC presents a check for \$1500.00 to Community Shelter Services from the proceeds of their 2019 car show.

BIG BASH FOR BIKES 2019

This is an event that is put on by one of our club members, Deb Hendersen. The bash benefits Cody's Wheels of Hope which provides bicycles and other wheeled toys to children with life threatening illnesses. Members of LEMOC have gone in previous years and have gotten a table for the club. Admission is \$10 which includes dice participation, food and beverages. It is a good time and benefits children. If anyone is interested you can call Cindy at 814-460-8228 or email cindy@cwoh.org or check out their website at www.cwoh.org

SECRETARY and MEMBERSHIP CHAIR NEEDED!

We are in need of a secretary and membership chair to take notes at our meetings and maintain the membership roster. The jobs are not difficult. As of right now, volunteers or the Pony Post editor are taking notes. If this continues, there is no guarantee that the Pony Post will go out on time or go out without any meeting notes. Please consider doing either one of these positions as no member should be doing 2 positions. This is your club and we need members to help us to continue as a club.

SNOOZE AND CRUISE 2019

Aug. 24 and 25

Seven cars traveled to Mansfield, Ohio for the 2019 Snooze and Cruise. The first stop was at the Richland Carousel for lunch and a ride(s) on the carousel which is situated in the middle of the town. There was time after lunch to take in some of the sites around town and there just so happened to be a car show in the town.

You will always see something unique at different shows like a denim Gremlin and a Figaro but what about the crochet potholders around the trees??

The next stop was the Ohio State Reformatory where our tour guide was exceptional in the tour he gave us in addition to the ghost stories? he told.

Rick flirting with the “help”, evil clown on the grounds and what did Carol and Basil do???

The chapel that used to hold 1900 inmates for church services, the eastern cell blocks, some LEMOC members got a sample of solitary confinement for a moment.

Workers every day go around and close all the books outside the cells and every morning – someone/thing will open certain books every day.....

On Sun. the day started out at Kingwood Gardens. A beautiful house with beautiful gardens.

The second stop was the Ohio Bird Sanctuary where birds who cannot survive in the wild due to disease or injury live.

A pair of male bald eagles and a young female bald eagle.

One very friendly blue jay that liked Rick...

NORTH EAST OHIO MUSTANG CLUB CAR SHOW

Two LEMOC members made the trip to the North East Ohio (NEO) Mustang club car show in Sept. About 180 Mustangs from all years were in attendance. The show was a judged show with MCA judges present along with participant judged. John Clor was there as well as a nice display of Roush vehicles. Impressive was the flag raising done by the local fire department which stayed raised all during the show. Great job NEO!
