Intrasonic Technology Support Policies

Orders:

Please call customer service at 877-435-0670 or fax 972-235-0890 to place orders. Orders may also be sent via e-mail at orders@intrasonictechnology.com

Will Call:

All will call orders must be placed one hour before expected pickup time. Purchase order numbers will be required to pick up any will call orders.

Payment Terms:

Standard payment terms are net 30 days

Conditions:

Prices, part numbers, material specifications are subject to change without notice.

Delivery:

Intrasonic Technology typically ships orders on the next business day. Every attempt will be made to ship expedited orders, (next day, two day & three day), received before 2:30pm CST, the same day the order is received.

Prepaid Freight:

Freight will be prepaid on orders over \$2,500 for domestic shipments, using Intrasonic Technology company carriers and non-expedited routing. The cost difference between normal delivery and the expedited delivery will be the responsibility of the customer on any expedited shipments over \$2,500. Multiple small cartons will be over-packed to reduce shipping discrepancies and minimize freight charges.

Canada

All Canada freight orders over \$2,500 will be prepaid; excluding all duties and taxes. The cost difference between normal delivery and the expedited delivery will be the responsibility of the customer on any expedited shipments over \$2,500. Multiple small cartons will be over-packed to reduce shipping discrepancies and minimize freight charges.

International outside of North America:

All international freight orders over \$2,500 will be prepaid to US Border; excluding all duties and taxes. The cost difference between normal delivery and the expedited delivery will be the responsibility of the customer on any expedited shipments over \$2,500. Multiple small cartons will be over-packed to reduce shipping discrepancies and minimize freight charges.

Intrasonic Technology, Inc.

Intrasonic Technology Support Policies Continued:

Return to Stock:

Product returns require a Return Merchandise Authorization Number (RMA). Please call customer service at 877-435-0670 to receive your RMA number, BEFORE returning any merchandise. Any product returned without an RMA number is subject of being refused and returned to customer. Once received Intrasonic Technology will evaluate the returned items for damaged and completeness. A credit memo will be issued to the customer once the product has been evaluated. Any damaged or missing items will be deducted from the amount credited. Return to stock items must be in unopened original boxes and in like new condition. Credit will not be issued for used or previously installed product. All returns are subject to a 10% restocking charge.

Intrasonic Technology 2 Year Limited Warranty

Intrasonic Technology warrants its products to be free of manufacture defects for 2 years of closing or actual installation. This warranty only applies to products purchased from authorized dealers or distributors. If proof of installation cannot be supplied the manufactures serial number or date code will be substituted. This warranty extends to the original user or subsequent owner of the product during the warranty term. Intrasonic Technology will replace or repair the product at its discretion at no charge with a reconditioned or new product. All products with manufactured defects must be returned to Intrasonic Technology, Inc.

If an Intrasonic Technology product is determined to have a manufactures defect, please call our toll free number (877-435-0670) before any attempt to dismantle the product. Any attempts to dismantle the product will void the warranty.

An RMA (Returned Material Authorization) will be required prior to returning a product to Intrasonic Technology, Inc. To obtain an RMA call our toll free number (877-435-0670) and speak with a customer service representative. All products returned to Intrasonic Technology without an RMA will be refused.

Intrasonic Technology will not be liable for consequential, incidental or damages arising in connection with use or inability to use this product. In no event shall Intrasonic Technology liability hereunder exceed the cost of the product covered hereby. No person is authorized to assume for us or obligate us for any other liability in connection with the sale of this product. Some states do not allow the exclusion or limitation of consequential, incidental or damages, so the above limitation or exclusion may not apply. This limited warranty gives you specific legal rights, and you may also have other rights, which may vary state to state.

Intrasonic Technology, Inc.

Speakers

Intrasonic Technology 10 Year Limited Warranty for Ceiling and In-Wall Speakers

2 Year Warranty for Subwoofer and Accessories

Intrasonic Technology, Including JA Audio In-Wall and Ceiling Speakers warrants for 10 years of closing or actual installation. This warranty only applies to products purchased from authorized dealers or distributors. If proof of installation cannot be supplied the manufacture serial number or date code will be substituted. This warranty extends to the original user or subsequent owner of the product during the warranty term. Intrasonic Technology will replace or repair the product at its discretion at no charge with a reconditioned or new product. All products with manufactured defects must be returned to Intrasonic Technology, Inc.

Video Intercom

Warrants its products for two years of closing or actual installation. This warranty only applies to products purchased from authorized dealers or distributors. If proof of installation cannot be supplied the manufacture serial number or date code will be substituted. This warranty extends to the original user or subsequent owner of the product during the warranty term. Intrasonic Technology will replace or repair the product at its discretion at no charge with a reconditioned or new product. All products with manufactured defects must be returned to Intrasonic Technology, Inc.

Wireless Speaker Kit

Warrants its products for two years of closing or actual installation. This warranty only applies to products purchased from authorized dealers or distributors. If proof of installation cannot be supplied the manufacture serial number or date code will be substituted. This warranty extends to the original user or subsequent owner of the product during the warranty term. Intrasonic Technology will replace or repair the product at its discretion at no charge with a reconditioned or new product. All products with manufactured defects must be returned to Intrasonic Technology, Inc.
