February the Month of Annual Meetings

Both the Master HOA and the Lakes HOA will hold their annual meetings in February. The Lakes HOA Annual Meeting will be held on Wednesday, February 12 at 7:00PM at the HOA Clubhouse. The Master HOA Annual Meeting will be held on Thursday, February 13 at 7:00PM at the HOA Clubhouse.

These are important meetings so please mark your calendar and attend.

You should have received a Voting Certificate and a Proxy from both Boards and it is VERY important for you to complete the forms and return them to the appropriate management company. Your proxy will help establish the necessary quorum. Please return the forms even if you plan to attend.

ARC Reminder

We have a lot of new residents who probably don't realize that ARC approval needs to be obtained BEFORE making any external changes to your house or landscaping. Remember that ALL exterior changes to your property (paint, roof, windows, landscaping, doors, etc) must be approved by the ARC prior to starting the project. The appropriate forms can be downloaded from the website or a form can be picked up at the HOA office during business hours. The ARC meets each month on the first Thursday of the month and is noted on the calendar.

Don't Feed the Wildlife

It is against Florida law to feed the wildlife. It is dangerous to you and threatens their lives. By feeding them their natural instinct and ability to find food on their own is compromised. More of a problem is when they associate humans to food; they will peck your lanai to pieces trying to get to food. This is particularly the case with sandhill cranes and turkeys.

Alligators are a whole other story. I don't think anyone is feeding the alligators but I have seen it here in the past.

Cypress Head Website

Most questions can be answered by going to the website (www.CypressHeadHOA.org). Forms can be downloaded from the site, contact people for the HOA Boards are listed as well as committee chairpersons. The newsletter and calendar is posted each month. Take a look and you can learn a lot about our community.

Super Bowl Party

Join your friends and neighbors and cheer on this year's champs.

Feb. 2, 2020

5 P.M. at the Clubhouse

Beer, Wine, and Sandwiches will be served

RSVP to Terri Nass 201-230-0943

Crystal Creek ladies will meet February 10 at 12:30PM at Cheddars 1770 W. Int'l Speedway Blvd DB. RSVP Lynn Thompson l.thompson1071@gmail.com or 386-310-7397.

Renaissance ladies will meet February 10 at noon at Corkscrew Bar & Grill 235 Canal St NSB RSVP Alice Stapleton astap1935@gmail.com or 386 322 2305

Owner Status Form

You received in the mail this form to be filled out and returned to Sherry at Clifton Management or to the HOA office at the clubhouse during office hours.

This is an important form to submit so they have the information to find you if an emergency arises.

If a neighbor has a key to your house you can note that on the form so that immediate action can take place if you are away. Most people turn off the water to their house if gone for a long period of time. But if you don't and the hot water heater springs a leak, or your washer fill hose bursts, immediate action can be taken. With this information on file this situation can be handled quickly.

Committee chairpersons need to submit your monthly report to Sherry prior to the Master HOA meeting if you do not plan on attending.
