The New Buzz Words

New buzz words have been introduced into our world of Coronavirus (COVID-19)—canceled, postponed and closed. The only good side to this pandemic is it is not permanent. It is inconvenient, possibly worrisome for some, and quite honestly a pain in the butt. But it won't last forever, To quote Abraham Lincoln, "This too shall pass".

Being careful and following the directives of the doctors and health providers (wash your hands often, cover your sneeze and cough with a tissue, and keep a distance from others when out in the public) we can do everything possible not to have this virus infect our community.

We are all disappointed that our social events had to be postponed; Pizza Party and even the Kentucky Derby, and the Masters Tournament in Augusta. The schools, as of this date, are closed until mid April putting approximately 63,000 K—12 Volusia County students in a state of limbo.

If you have an elderly neighbor and you are planning on going to the grocery store, ask them if they need anything. It's the right thing to do.

Now is a good time to do that project around the house that you have been putting off or getting a head start on your spring cleaning. Stay well!

Due to the elections the Master HOA meeting has been rescheduled for Tuesday, March 24th at 7:00PM

Cancelled

2nd quarter HOA fees are due April 1st.
