Helpful Information - PLEASE PRINT AND KEEP THIS INFORMATION AS YOUR GUIDE

DEPOSITS: Each camper registration requires a \$15 deposit and a small convenience fee. The deposit (\$15) is subtracted from the tuition amount and the balance is due at check-in. We accept cash or checks at check-in desk. **DEPOSITS ARE NONREFUNDABLE.**

CHECK-IN: **PLEASE NOTICE: Check-in TIME on SUNDAY AFTERNOONS from 3:00-4:30 PM.**

THE safety and security of your child is a prime concern of ours, therefore, no early check-ins are allowed. When you arrive, please go directly to the dining hall where check-in takes place. Once you have completed the check-in process, take your child to the assigned cabin where our cabin leaders and counselors will be ready to meet and assist you in getting your child set.

Again, hours for check-in are now from **3:00-4:30 PM. NO EARLY CHECK-INS.**

PICK-UP: Always on Friday. Please ask about pick-up time when checking your child in as each director sets pick-up time for his week of camp. **IMPORTANT – Each Parent/guardian is required to come to the office and sign his/her child out before leaving camp! Written permission should be given at check-in time if the child is to be pick up by anyone else. Whoever picks up the child must come to the office and sign child out BEFORE leaving campus.**

MEDICATION: All medications must be in prescription bottles with doctor's information and orders (**NO PILL ORGANIZERS**). Medications will be received by the nurse or her assistant at the check-in desk. Be sure to see the nurse/assistant before leaving if your camper has any medications or health conditions.

INSURANCE: Our camper application now requires applicants to list their health insurance provider's name, policy number and group number. By doing this, a copy of the health insurance card is no longer needed. If that information does change before your child comes to camp, however, a copy of the new health card **must be presented** at the check-in desk.

At Camp Wiregrass we delight in good clean fun, making friends and communicating with each other. Although modern tech gadgets enhance our lives, they often keep us from simply talking face to face and divert from the purpose of coming to camp. For these reasons, Camp Wiregrass does not allow these items and will not be responsible for the loss or damage of any of these things.

AGAIN, WE EMPHASIZE THAT CAMP WIREGRASS IS A CHRISTIAN CAMP IN ACTION, SPEECH AND IN DRESS. PARENTS, VISITORS, STAFF AND CAMPERS ARE TO ABIDE BY THESE RULES OF CONDUCT AND DRESS.

THANKS FOR MAKING CAMP WIREGRASS A PART OF YOUR CHILD'S SUMMER!!!
