

The Light Centers

This class is part of CHEMAM's Spiritual Class Series.

Chakra is the Sanskrit word for wheel or disc. It is an energy center within the etheric body, formed by the intersection of many strands of etheric "light". These chakras are your connection to spirit and the world of light. Learning to purify each chakra will bring greater opportunity to experience your spirit and light. This class will cover the crown, ajna, throat, heart, solar plexus, sacral and coccyx centers— from a practical and experiential perspective.
