Preparing For Students Arrival Masks donations available for your school

Dear In-Network Schools and host families,

It has been such a journey for everyone during this pandemic. We have watched as you continue to make sure that all our students are safe during the beginning of the Pandemic and now with the Opening of your schools. VIA is here for all our in-network school's, host families and students.

For our in-network schools we are offering a one-time opportunity while supplies last: FREE Masks only pay 32 dollars shipping in Florida. Out of state extra shipping fees apply. A letter of donation is required so we can show for bookkeeping purposes.

- > 150 Surgical Masks
- > 75 Non-Ventilated Masks
- > 45 Ventilated Masks

If your school has received masks, we cannot offer anymore masks to your facility. We understand everyone has needs, so we are doing our best to assist our schools , families and current in country students.

We know that things are uncertain for many of our schools with their international programs. As we all adjust and explore other avenues to balance our international programs, please know we are here to give support where needed.

We look forward in seeing our students who are currently in their home countries come by January for Spring. We encourage all our schools, families and current students to be adventurous, just live, don't be afraid we are all in this together.

Please contact Dian Joy: djoy@ventureinternationalacademy.com if your interested in receiving masks.

NEWSPAPER

IDP: INTERNATIONAL DIPLOMA PROGRAM

THE OGBURN SCHOOL

Offering Self-Paced Diploma Program

AUTHOR: VENTURE INTERNATIONAL
WWW.VENTUREINTHEUNUSA.ORG

The Ogburn School is regionally accredited:

Accreditation International (AI)
AdvancEd - Southern Association of Colleges and Schools Commission on Accreditation and School Improvement (SACS CASI)
Middle States Association Commissions on Elementary and Secondary Schools (MSA-CES)
National Council for Private School Accreditation (NCPSA).

Credits may be transferrable for the courses they take to our U.S. partner schools, however students need to check with the college institution they plan to attend as each college has its own requirements.

We offer a few AP courses to grades 11 & 12, allowing the potential to have a full years' worth of college credits completed before graduation. AP courses are an added expense (and materials will need to be purchased).

Seniors can graduate with US high school diploma

Online Study is a significant cost SAVINGS over American tuition levels. \$2,000.00 Yearly

Students receive

- Access to all courses online available 24 hours a day, 365 days a year!
- Teacher Support
- Grading Service
- Academic Counseling
- Transcript preparation

Our online program operates year-round, so you can enroll anytime. Our students have the option of working through the summer, so you can graduate early!

Graduation Requirements

- 4 English Credits
- 4 Math Credits
- 4 Science Credits
- 4 Required Social Studies courses
- Electives (9 credits)

Why Wait? Graduate Early By Enrolling Today!

COVID 19

TO OUR INTERNATIONAL FAMILIES AND PARTNERS

This year has been challenging for all our international students, their natural families as well as all our schools, host families and our VIA staff.

I want thank all our counselors, host families and in network schools for all their support and understanding during these trying times.

All the daily changes have our international families concerned about their students continued education for 2020-2021. VIA has been proud to support all your students and are here if any students are wanting to stay within their current area during the summer.

Many of our In-Network schools have offered students that have returned to their home country and are unable to return at the start of their In-Network school date, the opportunity to take online classes until the borders are open and your student(s) are able to return, which should be Spring 2020-2021.

Homestay fees will be prorated and any student who has made full payment and return later, a refund will be issued for homestay for the following academic year **ONLY**, not management or medical insurance.

Welcome

Back to School!!
