# LETTERS FOR THE ELDERLY CAMPAIGN

- Looking for ways to give your students community service hours.
- Create a letter writing chapter
- Monthly meetings to write letters to our elderly.
- Give community service hours each month.
- Show your gratitude by writing letters to those suffering from loneliness. Loveforourelers.org is in desperate need of letters right now and we can help!

**Community Service Opportunity for your students. One Letter per month required for all participating Exchange Students.**

Our Elderly Need Your Support!

Start a letter Writing Chapter!

**CONTACT DIAN JOY: [djoy@ventureinternationalacademy.com](mailto:djoy@ventureinternationalacademy.com)  
888-418-2033 FOR MORE INFORMATION**

- ▶ 1. Letters must be **legible (large print) and handwritten**. No worries if you're not artistic– make your card as what you'd like to receive.
- ▶ 2. **Avoid religion, if possible**. Your letter should resonate with anyone.
- ▶ 3. **Exclude the date** (day, month, and year).
- ▶ 4. **Embrace creativity!** Recipients love it when the letters are personal. We encourage you to make your letters colorful and fun– photos, crosswords, and drawings are great!
- ▶ 5. **Be kind & thoughtful**. This is a one-way letter exchange, so you will not receive a letter back. Receiving nothing in return is part of the beauty of your act of kindness, and recipients aren't burdened by feeling obligated or unable to respond.
- ▶ 6. **Envelope** your letters if you can! It's so much nicer to receive an enveloped card. If you're sending more than 1 letter, leave your enveloped letters unsealed and unstamped and send them in a larger envelope or box.
- ▶ 7. **Send us as many cards as you'd like!** We accept letters year-round, so there's no deadline for when you must send them by. If your cards are holiday-themed or seasonal, send them a month before that holiday or the end of that season (if you send your letters late, we'll save them for the next year).
- ▶ 8. **Ready to mail?** Yay! Send to:
