Welcome to Peaks and Tides!

Ahoy! You have just reserved your Learn to Sail Experience with Peaks and Tides.

Please read the following pages, and complete and return the attached questionnaire as soon as possible.

While Peaks and Tides does plan a few hours of classroom, or shore side, instruction, you will be on the water for most of your course (Hooray!). Please plan accordingly by packing your Sunglasses, Sunhat, Sunscreen, a light rain jacket, and a water bottle. If you forget to bring any of these things you may need to walk the plank. (Just kidding, we have plenty of extras!) ! Please also consider a gratuity for your Captain/Skipper/Instructor. This is a big part of their income for the season!

If you have any questions prior to your course please let us know!

We look forward to working with you to achieve your sailing goals!

Fair Winds and Following Seas,

Katie and Scott

Peaks and Tides Student Questionnaire

Name:

Trip Dates:

Pertinent Medical information (Please let us know if you have any serious medical conditions or allergies):

How did you find Peaks and Tides?

What are your goals for taking this course?

What is your prior experience? (Please include any instructional literature you may have read)

If you have prior experience, what are your strengths as a sailor? What do you think you could improve?

Is there anything else you would like us to know about you, your goals, or past experiences?

Meet the Fleet

Peaks and Tides' fleet consists of 4 sailboats:

C&C 33' "Merin Neva"
Ranger 33' "Taboo"

Catalina 22' "Milagro"
ODay 14' "So Gnar"

As a Sailing Student, we feel it is beneficial to experience sailing on a variety of vessels. Basic Keelboat principles apply to all sloops, although the rigging and operation may differ slightly between vessels. During a course with Peaks and Tides, you may operate more than one of our boats. We will attempt to customize your sailing experience to your goals and the curriculum as needed. If you have any preferences regarding the vessels, please let us know prior to your course date.

TBD, please contact your instructor and be aware the course schedule may change during the session.
