Weather Related Closings

3/18/19

The Albany Area Gymnastics Association will adopt and follow the Albany School District's closings policy. If the district closes or dismisses early due to weather, gymnastics classes will also be canceled or dismissed early.

Notifications will be sent out through the Remind App and posted to the Facebook page.

Every effort will be made to schedule a "make-up" day for classes that are canceled. Make-up day notifications will be sent out via Remind and Facebook as well as posted at the gym.

Join our group through the Remind App to get notifications – class code is: fcc6h7
