AAGA Behavioral Rules

We would like all gymnasts to show responsibility, respectfulness, and safety.

- I. Be ready and on time for your class session.
- II. Strive to be present:
 - a. Listening ears open when your coach is talking.
 - b. No talking back to your coach. Please be polite and use your manners.
- III. Respect each other at all times.
 - a. Keep your hands to yourself.

If your teacher gives you 2 warnings, you will have to take a 5 minutes break with your parent in the hallway.
