Join us for the 100 Mile Cruise Longbranch May 23—26

Once again the fearless members of the HHYC will embark on the 100 Mile "Three Hour" -er I mean "Three Day Cruise" to Longbranch under the direction of Charlie and Teri Life, parents of our esteemed Commodore, James.

We will depart Friday at your leisure to rendezvous in Gig Harbor. Raft up with the Group or hang alone. Tides Tavern for dinner is a must for some.

Saturday we make our way to Longbranch for their annual Grange Dance. Tickets available at a discount upon arrival with the group. Always fun!

Sunday we weigh anchors and head to Poulsbo for a more quiet and relaxed evening. Eat on board or enjoy one of the many great restaurants.

Monday.. Head home at your leisure with a lot of fun memories!

Please remember this is a No-Host Event.

Stock your boat with your favorite food and beverage, and maybe a little to share. See ya' there!!

Commodore's Corner

Greetings to all and here's to what is turning out to be a terrific spring. I cannot believe we are hitting 80 degrees in the last week in April. Just in time for Opening Day for boating season. Unfortunately the "Seaking" is sitting this one out but Julie and I will be around crashing Queen City and Seattle Yacht Clubs from the Portage Bay side this year.

Our last event was at Port Ludlow for cruise in and golf. Now, I realized this event was in competition with the Daffodil Festival in Tacoma, but I think it turned out very well. We had a small group, total of six boats and eighteen people. It was nice to have a smaller group to be able to spend some quality time and get to know everyone better! We even had some possible new members that came.

This weekend was an absolute gift for cruising on the Sound. We had a great trip up from the Locks in the sun except for having to dodge a couple of freighter wakes. We even saw some porpoises. When we pulled into Port Ludlow, we were greeted by Tom Youngs and Robert & Kristy McLaughlin who caught our lines and got us safely tied up. We then dove into some Happy Hour drinks, appetizers and Isabella's award winning Super Bowl Chili.

Saturday morning brought us "Breakfast in a Bag". Now, if you don't know what this is you should have come. Just Kidding! Brilliant! All you do is mix all of your favorite omelet ingredients into a Ziploc bag and drop them into a boiling pot of water for 13-15 minutes. DONE!! This was enough to fuel our team of golfers which turned out to be my brother Paul and myself. This actually

was okay for me, because it turned out to be a family affair on the golf course. Paul and I were the golfers and we had designated golf cart drivers, Julie and Luna in one cart and Casey and her friend Kianah in the other. This was Casey's 1st driving lesson and she did great. I went through half a dozen balls, more like lost ½ dozen balls. My brother hit a house on one of his drives, OOPS! Anyway I beat him by one stroke. J

When we got back to the marina from golfing there were some group games to play - HHYC Bingo and another team building game called the Marble Run. I won the HHYC Bingo. The Marble Run was a lot more involved. There were two teams, team 1, was all girls except one and team 2 was all guys except one. We needed to build the tallest structure with all these plastic parts, and when the team thought they built the tallest structure they had to drop the marble from the top of the structure to make sure it went to the bottom with no problems. It was funny to watch the guys' team, taking their time to really think about what they wanted to build and being very creative with the structure. The girl's team however just started putting pieces one on top of the other dropped the marble from the top with no problem getting to the bottom, and we had to sing some fun chant, which I will never remember, so needless to say

the all-girl, with one guy, team won. Isabella did a great job on the games. There were plenty of laughs during these games. Thank you!

Saturday night came and it was Dinner time. We all went up to the Port Ludlow Yacht Club Clubhouse. They were gracious enough to let us use their grills and outside deck for dinner. It was a beautiful night to be out on the deck. Our cooks -Paul, Robert, Tom, Kristy and Isabella prepared a great dinner for all of us. We had marinated flank steak, Sockeye Salmon, baked potatoes and salads. After dinner we all headed back to the marina to get ready for dessert, Smores at the fire pit. We were able to get rid of most of the firewood we brought. I wrapped up the evening playing foosball on my brother's boat with my daughter.

We had enough ingredients left over for Sunday's breakfast in a bag before casting off and heading home. The entire weekend was fabulous, great cruising, great weather and great people. We even had an easy "lock through" coming back into the lake. Thank you to our generous hosts Tom and Isabella, Robert and Christy, and Paul and Luna.

Maybe we will see you out on the cut in our dinghy for opening day and we are looking forward to the next event, "The 100 Mile Cruise". This should be super fun! Hopefully the weather will keep cooperating.

See you all on the water!
James
