AIRCRAFT RENTAL AGREEMENT

In consideration of the rental fees paid and the covenants contained herein, Cirrus Services, Inc., hereinafter referred to as the "Operator," hereby leases to the "Renter" the designated aircraft hereinafter referred to as the "aircraft."

- A. (1) Renter acknowledges and agrees that the aircraft is the property of the Operator.
(2) Renter acknowledges that he has inspected the aircraft and has found it to be in good mechanical condition and airworthy.
(3) Renter agrees to return the aircraft at the scheduled time, weather permitting.
(4) Renter agrees to properly secure the aircraft after each flight.
- B. Renter expressly acknowledges personal liability to pay the Operator on demand:
 - (1) Service and time charges computed at the applicable posted rates until said aircraft is returned to the Operator.
 - (2) Any loss or damage to the aircraft, its components, parts, or equipment during the rental period caused by negligent operation by the renter.
 - (3) The amount of any parking, tie-down, or hangar charges until the aircraft is returned to the Operator.
- C. Renter agrees not to tamper with, molest, or attempt to repair any parts of the aircraft or its accessories, but will telephone the Operator for instructions upon encountering mechanical malfunctions.
- D. If the aircraft is abandoned away from the home base airport, the Renter will be charged pilot expenses plus flight time at dual rates to return the aircraft to home base.
- E. Renter agrees to report any aircraft damage, accident or incident to the Operator as soon as possible.
- F. Renter agrees that rented aircraft shall not be used or operated:
 - (1) For any illegal purposes.
 - (2) In any race, speed test, or contest.
 - (3) By any person other than the Renter who signed the agreement.
 - (4) Outside the limits of the Continental United States.
 - (5) To carry passengers or property for compensation or hire.
 - (6) For any flight for which the Renter is not properly rated or certified.
- G. Renter agrees to reimburse the Operator in the event suit is instituted by the Operator to recover possession or to enforce any of the terms, covenants, and conditions hereof, or to collect any sum of money, damages, or cost and reasonable attorney's fees incurred by the Operator in such suit or suits.
- H. Renter, by affixing his signature hereon, does agree to follow the following flight operations safety rules, emergency maintenance procedures and insurance provisions.
- I. If renter uses the airplane for extended days for a cross country flight where the aircraft will be away for several days, a minimum charge will be assessed for 3 hours per day.

FLIGHT OPERATIONS SAFETY RULES

- * **Pilot Certificate** – Renter must hold a valid and current pilot certificate with appropriate ratings. The person named on the rental contract shall be the pilot in command. The Renter will fly the aircraft from the left seat unless otherwise approved, and he/she will be responsible for the aircraft and its operation at all times.
- * **Currency** – Renter must possess evidence of a current flight review (FR), medical certificate, and aircraft checkout by a pilot designated by the Operator.
- * **Preflight** – Renter will personally conduct a preflight inspection of the aircraft as prescribed by the manufacturer. Renter shall use the manufacturer's recommended pre-takeoff, cruise and pre-landing checklists.

Initial: _____

- * **Weather** – Renter shall plan to operate the aircraft only when the present and forecasted weather indicates VFR conditions local and enroute (ceiling of at least 3,000 feet and visibility 5 miles or greater) unless Renter is instrument rated, current for IFR and specifically approved by the Operator for IFR flight. Flight operations for touch and goes or other operations that include a vast amount of power changes, specifically low power settings will be limited to a current outside air temperature of 0 degrees Fahrenheit. Constant power flights such as cross country will be limited to an outside air temperature of -10 degrees Fahrenheit.
- * **Take-off and landing area** – No take-off or landing shall be made on any area other than the runways of an airport designed, constructed, maintained, and used as an airport with paved or federally licensed grass runways of no less than 2,100 feet.
- * **Physical conditions** – Renter shall not operate the aircraft for a period of at least 10 hours after using intoxicating substances such as liquor, tranquilizers, and sleeping aids.
- * The Renter will comply with all local, state and federal regulations.

TRANSIENT MAINTENANCE POLICY

At Cirrus Services, Inc. we make every effort to keep our rental aircraft is in excellent mechanical condition. However, an occasional breakdown may occur while away from our facility. The following policies regarding the level of reimbursement for repairs while the aircraft is away from the Moorhead Airport will apply should a breakdown occur.

- * In the event of a breakdown, notify the Operator. of the problem immediately. If maintenance personnel are not available leave your name, aircraft number and telephone number where you can be contacted.
- * Do not authorize any repairs to be made to the aircraft without clearance from the Operator. Failure to do so could result in the Renter being responsible for a portion of the bill.
- * The Operator will not reimburse the Renter for any overtime charges, call-out fees, or any other after hours charges made by the maintenance facility. Other expenses incurred by the Renter as a result of a mechanical delay such as rental cars, hotel rooms, meals, airline fare, etc. will not be reimbursed.
- The Operator will reimburse the Renter for fuel purchased, provided that the Renter presents a fuel receipt from the place of purchase that shows the number of gallons purchased.
- All repairs and fueling will be made by properly licensed facilities and personnel.

NOTICE OF INSURANCE COVERAGE

As a Renter of an aircraft, the undersigned Operator hereby provides notice that:

- 1) You are insured under a policy provided by or policies of insurance provided by the undersigned Operator and providing liability coverage in the following amount: \$1,000,000.00 each occurrence, \$100,000 per passenger, medical service \$5,000 per passenger up to \$20,000 through “Global Insurance & Investments”.
- 3) AIRCRAFT PHYSICAL DAMAGE INSURANCE IN FAVOR OF THE PILOT IS MAINTAINED. Renter is personally responsible for any and all damages to the aircraft that occur during the rental period up to the insurance policy deductible amount of \$1,000.00.

Renters are encouraged to have in force an “Aircraft Renters Insurance Policy” from an independent insurance company to protect themselves in situations where they may be found to be negligent or responsible for damages.
