Message from Our CEO:

Continuous improvement is what drives our team of highly skilled and professional individuals at Patterson-Brown & Associates. Our dedicated team provide services which reflect their passion and knowledge of programs which will work best in communities.

Patterson-Brown & Associates is a minority woman owned professional services firm based in Augusta, Georgia. Established initially as a contract compliance consulting firm, but quickly expanded into total management solutions. These solutions include contract compliance, project managing, business development, staff augmentation, and workforce training. We offer our clients the full package.

Patterson-Brown & Associates have successfully completed several projects over the years and pride ourselves on customer satisfaction. We have and is currently taking on many new projects/opportunities presenting themselves to us within the construction industry that require innovative, yet practical, cost effective solutions. Our values of customer service, teamwork, quality and commitment have, and will always be, the key to our continued growth and success.

Our team is looking forward to forming partnerships with a variety of entities to enhance community efforts in the very near future.

Thank you so much for your continued support,

Brenda Brown, MCA, MBA

Thank you again!
