## **EXHIBITION HEALTH REQUIREMENTS FOR POULTRY,**

### **OUT-OF-STATE POULTRY**

19. All poultry, which includes game birds, quail, pheasants, peafowl, turkeys, and waterfowl shall have originated from a US Pullorum clean flock or have had a negative pullorum test within ninety (90) days of entry. All turkeys shall also have originated from a US MG clean flock or have had a negative MG test within thirty (30) days of entry. All the preceding information must be documented on a valid certificate of veterinary inspection, NPIP flock certification form or similar certificate. These forms must indicate that the flocks from which the eggs or chicks originated have been tested for pullorum disease and were free of reactors; or, any eggs or chicks or poults produced under the supervision of the National Poultry Improvement Plan will be deemed to have met with the requirements of these regulations, provided all of the requirements of NPIP are complied with and applicable NPIP forms accompany birds. All non-certified poultry must be individually identified, either by a permanent leg or wing band or tattoo. Wraparound plastic bands are not acceptable. NPIP certified flocks of turkeys, chickens, and domesticated fowl entering on a VS 9-3 or NPIP flock certification form or similar certificate are exempt from the requirement of a certificate of veterinary inspection unless a state of emergency has been declared.

### **ARKANSAS POULTRY**

An official representing the exhibition shall notify the state veterinarian no later than thirty (30) days prior to the exhibition, giving names, place, inclusive dates, and time of the event. The requirements are as follows:

19. All in-state poultry, which includes domesticated game birds, quail, pheasants, peafowl, guineas, and turkeys, present at exhibition in Arkansas shall have originated from U. S. Pullorum-Typhoid Clean or equivalent flocks or have had a negative pullorum-typhoid test within ninety (90) days of the movement to the exhibition (pullorum-typhoid testing on fairgrounds during the fair is prohibited.) This information will be documented on a NPIP Form VS 9-3, 90-Day Certificate, NPIP Flock Certification Form or similar certificate that will accompany the poultry during exhibition.

2. All non-certified birds must be banded (leg or wing band), with a sealed band. Wraparound plastic bands are not acceptable. In-state waterfowl are exempt from pullorum-typhoid requirements.

3. Any poultry showing evidence of infectious or contagious disease or insect infestation will not be permitted to exhibit.

4. Record Keeping – The sponsor of the exhibition shall compile a list of all poultry present at exhibition. This list shall contain the name and address of each owner, the number, the species, breed, variety, type, sex, and pullorum-typhoid status of all poultry present. A copy of this shall be retained by the sponsor of the exhibition for at least twelve (12) months.

**NOTE: ALL Entries must be accompanied by  
A Copy of your NPIP Flock Certificate or, a copy of your 9-2 Test Certificate**

A promotional poster for "P. Allen Smith's Chicken Chat". On the left, a man with short brown hair, wearing a dark brown jacket over a red and white checkered shirt, is smiling and holding a large, black and white speckled chicken. The background is a dark, textured wooden wall. On the right side of the poster, the text "P. ALLEN SMITH'S" is in small white capital letters above the main title "CHICKEN CHAT" in large white capital letters. Below the title is the date "SATURDAY, OCTOBER 02, 2021". A green four-leaf clover logo with white "H" symbols is positioned above the text "4-H'ERS RECEIVE FREE ADMISSION" in large white capital letters. Below this, in smaller white lowercase letters, is "when accompanied by a paying adult". At the bottom, it says "FOR MORE INFORMATION VISIT" followed by the website "PALLENSMITH.COM/TOURS" and "OR CALL 501-376-1894 x100".

Funding for the Open & Junior Show Awards is provided by The Heritage Poultry Conservancy. The premiums and awards for this show are designated only for the breeds and varieties outlined above. In an attempt to offset the trend of declining heritage genetics the Heritage Poultry Conservancy (HPC) was founded in 2009. The Conservancy's mission is to raise the awareness of the loss of heritage breeds and help foster good practices of stewardship for these breeds and varieties among breeders and young fanciers alike.
