

NEWS from Weber Catering & Events!

Thank you!

We are thankful for YOU! Thank you for thinking of Weber Catering for your event needs! Your support of small business is greatly appreciated!

Your patronage is more than just tasty! You also provide work for your friends, neighbors and community!

We at Weber Catering strive to do more than delicious food and epic events! We work hard to hone the talents that ALL of our staff have to offer to put forth our best in all we do. This includes our staff from Whole Life who find they can shine and succeed using and recognizing their abilities, exemplifying that disability does not need to exclude.

I was recently asked and was honored to accept to serve on the Community Inclusion Advisory Council at Whole Life Services. This means that we will continue to work on a community of inclusion and awareness that everyone has talents to share.

We are **so blessed** by the talents and dedication every one of our staff has!

Thank you to all of our clients, venues and vendors! We are truly thankful for you and your business! Thank you for being part of the Weber Catering Family!
