Property Crime is an issue that is on the rise in many regions of Saskatchewan and Manitoba.

Break & Enters to homes and garages, as well as cars being rummaged through are events that everybody in the region has heard of in recent months.

These crimes are typically crimes of opportunity with damage to get into the building being rare.

Creighton RCMP would like to ask and remind people to lock the doors to their homes and garages. Always remove the keys from your vehicles and lock vehicle doors.

These simple steps can protect your property from being a target. If you would like further tips on how to protect your property you can contact Creighton RCMP for advice.
