Grand Knight’s Message

Furman Miles

Worthy Brothers,

Greetings Brother Knights, Families, and Friends in the Community, I hope everyone has had a safe enjoyable summer. I’m truly pleased to report were off to a fantastic start so far this year! There has been a tremendous amount of involvement from members, their families, and others in support of Council events and initiatives over the past few months. I’m grateful for everyone’s support working together in helping to make us successful.

A few shining examples of this are: To date we recruited 26 new members. Many individuals in the Council have taken ownership of growing our membership by asking someone they know to join our great organization along with getting involved. The Council recently participated in two voter registration drives and a ministry fair at two of our parishes; and even though these events took place the same weekend the coverage was solid, and our Council was represented in an exemplary manner. On September 26th the Council held our annual golf outing in which we had over 120 participants, the largest turnout in the fourteen years since we have been holding the event. There was a tremendous amount of hard work that went into making that happen. We need to thank our volunteers, participants, sponsors, but more specifically our brothers from the AOH 5, and event directors Vince Haggerty Tony O’Malley and John Phinn-Gents our hats off to you for working your tail off over the past year making our largest fundraiser such a huge success.

There’s still much ahead of us in the months to come, so we need to keep up our momentum. I would encourage as many members as possible to come out and jump in right away with our upcoming events. We’re going into our busiest time of the year so let’s get all hands on deck. All the events taking place between now and Christmas along with the chairmen running them will be listed in this publication.

I would like to mention a couple specific dates to remember. One is our Past Grand Knights Dinner Dance on October 12th 5-10pm up in The Nest. We will be honoring outgoing Grand

I want to thank everyone who took time out of the busy schedule to attend the recent home board elections. To those of you who voted for me thanks and for those of you who didn’t, I hope that I gain your support in the coming months. I also would like to say thank you to the previous home board members and officers who sacrificed their valuable time in running the home and I wish them all good luck in the future.

I will try everything possible to make our home a fun, friendly place for our patrons and members to come and enjoy themselves. In order for that to work I am going to need your support, our valued membership to patronize our bar, support our events, and to be ambassadors of the Knights of Columbus.

We have a lot of things going on this fall at the Nest. We have the best food and drinks in the area. Join us throughout the week for our daily specials and on Thursdays start your weekend off by joining us for Quizo from 7-9, live entertainment Friday and Saturday nights from 8-12, Eagles football on Sundays, Monday Football specials and of course Flyers and Sixer’s action on one many of the HD TVs.

The Lottery game has been restarted and is gaining momentum, if you’re not familiar with the game, we sell tickets numbered 1 thru 100 at a cost of $10 per ticket, each ticket contains 10, 3 digit numbers. In closing I want to say this is your home too and if there is any band or DJ or entertainment that you would like to see please contact me, so stop on up, get involved and be part of history that makes our Club second to none!!

District News and Events

As the seasons change and we look ahead to the fall and cooler weather we also look forward to the many activities of the Councils within District 16. We have a very active and vibrant District that is busy as individual Councils and collectively as a District. We have three new Grand Knights this year and one returning Grand Knight, I wish all of these gentlemen good luck this fraternal year and know each of them and their Councils will be very successful.

We had our first District Meeting last month and went over some programs from last year and talked about some upcoming programs, fundraisers and activities. The meeting started with a presentation from the Pro-life Union who updated us on their mission. They are looking for our support in several areas and a couple of our Councils have already stepped up with large donations.

In September there will be two golf outings. Saint Joseph the Worker’s along with the AOH will take place at Bensalem Country Club on September 26 and Father McCafferty and Saint John the Evangelist Councils will team up and their outing will be at Northampton Country Club on September 29. There will be the monthly breakfast at Father Gallagher Council September 21 and their Octoberfest will be on October 11 from 7 PM till 11 PM at Holy Trinity Parish. Saint Joseph the Worker Council will have a beer and November 8 at their Council Home to benefit the Veteran’s Home in Northeast Philadelphia and Saint John’s will have a Pasta Dinner on October 25.

The Soccer Challenge will be at Saint John’s Parish Field and this year will be a District wide contest. The date of the Challenge is Saturday, October 11 from 10 AM till 12 Noon.

In addition to these activities I have encouraged all the Councils to get involved in the Coats for Kids Drive and most if not all Councils are going to participate. We will be activating the Squires Program with an informational meeting sometime in October and starting the District Degree Team back up. There will be a First and Second Degree at Saint Joseph the Worker Council and we are talking about having a Third Degree at Saint John’s Council. Our Wine Tasting at Sand Castle Winery in Point Pleasant, PA will take place on Saturday, October 18 at 4 PM. Our District Warden, Eric Miller has been working on this and if anyone is interested please get in touch with Eric or me.

Thank you for your continued support it is really a pleasure and great experience to be the District Deputy.

Ken Harkanson, PGK – District Deputy – District 16

2014 Golf Outing was a HUGE Success!

The council and our brothers from The AOH Division 5 hosted the 14th Annual Golf Outing on September 26th at Bensalem Country Club. We would like to thank the participants, sponsors, volunteers and our brothers from the AOH 5. A big thanks to Vince Haggerty, Tony O'Malley, and John Phinn for organizing this terrific event over the past year. Your work is greatly appreciated.

Voter Registration Drives and Ministry Fair Last Month
St. Joseph the Worker Got Out to Rock the Vote.

The Council participated in two voter registration drives and one ministry fair in September. The events were held at both Queen of the Universe and St. Frances Cabrini. It was a perfect opportunity to meet many of the parishioners, serve hot dogs, cold drinks and raise civic awareness on getting out and voting. We were also able to promote the Brownschefs Community Contest for a chance to have Cabrini to win 10k towards their turnaround and parking project. We were happy to be part of these events! Check out all the photos from these events on our Facebook page.

Euthanasia is a common word to the right to life. The proponents list Social Security, costly health care and the meaningless of existence for the elderly, sick and disabled - useless human beings. (1998, Living the Gospel of Life, n.4) Animal rights are on equal scale for these conditions.

LIFE is defined by the government of power. Abortion is promoted for 40+ years and created a demographic disaster. The next phase is death with dignity. The world’s greatest generation is the prime target in the USA. Society is socially programmed for acceptance. Cremation is cheaply offered as one's ashes is dump in the Potomac River. Wesley Smith states when terms are re-defined, it is approved. (Priest for LIFE .org)

Our creator gave us the right to life, but the HHS Mandate denies it. The force acceptance of the HHS mandate means that when in complete control, it will dictate one's time on planet earth. This message revives the Nazi’s philosophy and the resolve to demise The Magisterium. Right to life trumps all human rights.
