

## Personal Property Waiver

Students who bring musical instruments and other personal items onto Wake County Public School System (WCPSS) campuses are responsible for the security of such items. Students will also be responsible for the security of personal items when involved in performing arts activities off campus (e.g. performances, contests, festivals, football games, etc.). WCPSS is not responsible for the property of others that is placed on campus at any time or at other locations during school sponsored events. On campus storage facilities such as band rooms and various student lockers are provided as a convenience to students.

By my (our) signature below I (we) understand that the school system does not guarantee the safety or security of stored personal property and I (we) agree to hold the school system harmless in the event of property loss or damage.

Students that use a WCPSS owned instrument will not take that instrument off campus until a signed Instrument Loan Agreement Form is on file at the school. Students are reminded of the loan agreement provisions regarding care and security of the loaned instrument, and personal liability for loss or damage.

This form **must be** signed and maintained on file with the music teacher at the beginning of each school year.
