# THE ESPERANZA CHORAL MUSIC PROGRAM

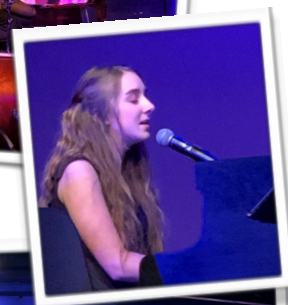

is committed to providing all students with an outstanding high school choral music education while striving for excellence in singing pedagogy and performance technique. This program is dedicated to assisting students in discovering their appreciation for music by developing music literacy skills, building confidence in their musicianship, and a continued passion for the art of singing.

There is a place for every student in the EHS Choirs! Courses are offered for the beginning student wanting to learn how to sing as well as to the auditioned ensembles for the advanced musician. Auditioned ensembles are ideal for the student who desires to study music in college and pursue a career in the music industry.

The Esperanza Choral Music Program has produced many talented musicians who have gone on to pursue music degrees, become music educators, work in the industry, and have very successful careers in music.

No matter your passion may be, Esperanza High School Choral Music is the place for YOU! Join Choir and discover your talent in singing, make life-long memories, and meet new friends while creating beautiful music!
