

Dear REC Brothers and Sisters:

For over 150 years Reformed Episcopalians have pursued our Lord's command to make disciples for Him among all nations. The Board of Foreign Missions continues to support Reformed Episcopal missionaries abroad, and to strengthen its missionary dioceses and convocations around the world.

A generous Advent Offering allows our Church's Board of Foreign Missions to accomplish unique and effective annual projects. But it is your generous monthly gifts that keep our missionaries in the field, and enable our overseas churches to continue reaching souls for Christ while their infrastructures still rely on the "Mother Church" at home. Please remember them both while budgeting at home and in your parish.
