Dear Theo:

We first want to apologize to you for taking so long to write this letter. We have been bringing our cars and trucks to you for regular maintenance and repairs over 2 years and should have written a "thank you" after each and every time!

We cannot say enough about the pleasant, quality customer service from the moment we call to schedule an appointment until we pick up our car or truck. Arya, at the front desk, and every mechanic with whom we have had opportunity to work with have shown great knowledge, professionalism and skill.

Enough cannot be said about how much we appreciate you working us in, taking the time to shop around for the best parts prices and, of course getting our regular maintenance jobs and unexpected repairs done quickly and done right the first time.

It is without any reservation whatsoever that we will continue to recommend you to all of our friends, family and business associates.

Thanks again for all of the great work and may God continue to bless your family and your business!

Most Sincerely,

Ken and Annie DeRose-Broeckert
