DECEMBER 2018

A Personal Message from the President

I would like to thank all of those residents who contributed to our Ronald McDonald House collection. They would appreciate donations of any toys and or gift cards for infants to older teens, preferably not huge boxes as they need to fit into gift bags for their holiday event. We need all donations by December 7th. Your generosity will make the holiday season more joyful for so many youngsters fighting a tough battle.

We will be winding down with the outer work. All window replacements for this season have been completed and replacement on the final installations will be resumed in the spring. No additional window replacements will be approved or scheduled.

“Each New Year, we have before us a brand new book containing 365 blank pages. Let us fill them with all the forgotten things from last year—the words we forgot to say, the love we forgot to show, and the charity we forgot to offer.” — Peggy Toney Horton

For this year, let us pay it forward for all the good things done for and given to us, and let us forgive all the rest and leave those to yesterday.

The Board of Directors would like to extend our very best wishes for a healthy and happy New Year.

MAINTENANCE INCREASE REMINDER

As of January 1st, the previously approved maintenance increase of 2% will be reflected on the Maintenance bills.

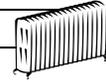

HOLIDAY SECURITY

With the holiday season upon us, most people are preoccupied with the details of holiday planning and shopping. Unfortunately, the safety precautions we normally take can be forgotten as the excitement of the season causes us to let our guard down. We would like to take the time to remind you of steps you should take to ensure the safety of you and your family as well as the community. The holidays unfortunately are a time of increase in the burglary rate around the city. We suggest you consider the following safety steps:

- Be alert and aware of your surroundings at all times. Criminals often target people who are distracted.
- When you leave your apartment make sure that your apartment door and all windows are locked. It only takes a few minutes for something to happen.
- When you are not at home, leave a light on.
- Check your apartment locks regularly. If you installed more than 2 locks, make sure they are sufficiently spaced apart or they will create a weak spot in your door.
- If you are planning on being away for an extended time please notify Security and have a trusted neighbor bring in your mail and newspapers or have the post office hold your mail until you return.
- Travel on populated, well-lit streets. If possible, travel with a friend
- Avoid leaving valuables in your car. Whenever possible, place items out of sight in the trunk of your vehicle prior to reaching your destination. Never leave packages in the passenger compartment unattended.
- Don't wait until you have reached your front door to look for your keys. Have them ready in your hand. If a stranger is standing near your door, it may be a good idea not to go in until the situation feels safer.
- Lock your front door immediately upon entering your home.

- If you live in an apartment building, don't buzz in someone who rings your bell until you have verified who it is. This will help protect both you and your neighbors.
- If you have elderly family members or neighbors, please remember to check in on them.

If you see anything suspicious such as strangers hanging around, **YOU SHOULD NEVER Hesitate to Call 911 for any emergency.** Then call Security at 1-917-337-8046. You could be saving your neighbors the trauma of a break-in. These steps are simply meant to ensure the safety of you and all those around you.

RADIATOR REMINDER:

If there is a problem with your radiator, please call the office. **Do not touch the valves;** if something happens to it you will be held responsible and charged for the repair. You can also get badly burned if the valve snaps off because the water inside can be very hot. Please occasionally check your radiators to detect any small leaks

ELIMINATING DRAFTS

Please make sure that all of your apartment windows are fully closed and latched. With the cold weather upon us, our maintenance employees have found that the main reason for cold temperatures in numerous apartments **is from the drafts coming from the air conditioner units because they do not have a cover on the interior or exterior of the air conditioner unit(s). They are not expensive; they will block any drafts coming through the air conditioner unit and can be purchased at any local hardware store including Home Depot.** You will be pleasantly surprised at the difference this can make to the temperature of your apartment. Residents will have to cover the units themselves as the co-op does not provide this service.

SNOW REMOVAL

With the onset of winter, we would like you to know that our staff handles all of the snow removal for the entire property. We make every effort to remove the snow after a snowfall quickly to make travel easier and safer for our residents. Our men have snow removal equipment in addition to the backhoe that we now own in order to better facilitate the removal, doing the work in house rather than relying on an outside company. The staff is responsible for removing the snow from all parking lots, sidewalks and steps throughout the development. There are 10 parking lots that hold 178 garaged cars and 370 outdoor parking spots, 376 stairs/stoops leading to residents' apartments, 9 long stairways, and one section of the property that has to be done entirely by hand because they cannot get the snow removal equipment up to that section.

The superintendents take care in removing snow from the parking lots in order to make them drivable, and the day after a snowstorm, they make sure to go back to all of the driveways and parking lots to clear out the spaces where cars have been removed.

We ask that residents **DO NOT** shovel snow onto the clean sidewalks or clean driveways when cleaning off their cars. This only makes more work for our crew and there are simply not enough personnel or equipment to remove snow from all areas at once. If you do have an area that needs special attention, please call the office at 718-263-9680 and your request will receive attention as soon as possible.

Please also note that when the men are working on snow removal there is no garbage pickup.

If you need ice melt for your stoops, please call the office and it will be provided to you. You may not use rock salt on the property, as it will deteriorate the concrete.

OUR SUGGESTIONS/MAIL BOXES

These are the suggestions we have received from our residents. We try and print them just as we have received them.

SUGGESTIONS MUST BE SIGNED OR THEY WILL NOT BE ACCEPTED.

Initials are not considered a signature.

ENERGY TIPS

The winter holiday season has officially begun, and with it comes the frenzy of decorating, holiday gatherings, gift buying, and errand running. Don't let your energy-saving efforts fall by the wayside amid all the festivities; the tips below will help you save energy and money even as you celebrate.

- **Use LED Holiday Lights.** LED—or light emitting diode—holiday lights are much more efficient than traditional incandescent lights.
- **Use Fiber Optic Decorations:** Fiber optic trees and decorations are the ultimate in energy efficiency. In most cases, they use a single light bulb located in the base of the unit to light the entire decoration – now that's energy smart and budget smart!

Be Energy Safe. Never use your stove or oven to heat your home. Make sure smoke and carbon monoxide detectors are working.

DO NOT LEAVE CANDLES UNATTENDED

- In winter months keep window shades and drapes open during the day to naturally warm your home. Close them at night to help insulate against heat loss.
- If you have a water drip or leak, report it immediately. Leaks can waste over 50 gallons a day

ONLINE PAYMENTS

Many of our residents have taken advantage of our online payment process at www.metromanagementdev.com. To enroll use your WebReg# located on the top part of the Stub portion of your bill. Please keep in mind that your payment will not be processed or show on your account until the following day. Payments made on Fridays, weekends or holidays will not show until the next business day. You can also schedule payments to be made on future dates.

MONTHLY PAYMENT OBLIGATIONS

Payments are due on or before the 1st of each month and are considered late if made after the 10th of the month. Payments may be made to the onsite office but **payments made on the 10th after 3:00p.m. will be considered late.**

***PLEASE bring your payment stub when you make your payment at the onsite Management Office.**

Parking payments are due on the 1st. A \$10.00 late charge is assessed for parking payments made after the 1st of the month. A \$50.00 late charge is assessed for all residents who have not made their maintenance/rent payment as of the 10th of the month. **Any resident in arrears for 3 months will be reported to a credit reporting agency.**

IMPORANT PARKING LIST NOTE

Residents in arrears in their maintenance and or parking fees are placing their parking privileges in jeopardy of the corporation terminating their license agreement. Any residents on the parking waiting list in arrears at the time an accommodation becomes available, will be dropped from the list. There will be no notice sent to you asking you to pay the arrears and you will have to submit another application to start the process from the beginning. Parking is a privilege as there is not enough parking on the property to accommodate all of our residents. The corporation will not consider a resident in arrears for an accommodation.

GARAGE UPDATE

Residents who currently store items in the garage accommodations do so at their own risk as the cooperative assumes no liability as stated under the license agreement. Residents should also take note that if they are on the list to switch to a closer garage accommodation, that the transfer from one garage to another is to take place immediately. No additional time will be provided to transfer from one accommodation to another.

FOR SHAREHOLDERS WHO PAY BY THEIR ONLINE BANK

For those residents who pay via online banking, **you should have it sent directly to the GPO box.** A new system was set up to accept payments without the maintenance, parking or rental slips **as long as the correct 6-digit account number is listed on the check or it won't be properly posted. Please make sure you enter the correct number.** All payments should now be sent directly to:

**HYDE PARK OWNERS CORP.
GPO BOX 5651
NEW YORK, NY 10087-5651**

AUTOMATIC DEBIT PROGRAM

The corporation offers a direct payment option so that the amount due each month on the maintenance, rental or parking account will be automatically deducted from the account you specified on the 5th day of each month. **This is different than the online payment service offered by Metro.** Anyone selling their apartment needs to make sure to fill out the cancellation to the ACH debit program 45 days before they anticipate closing. Contact the Management Office or go to the Hyde Park web site for the form.

UPDATED SMOKING RULES

Smoking has become a real issue nationally, locally and here at Hyde Park. NYC has passed Local Law 17-506 stating that all co-ops, condos and rental buildings must have a published smoking policy. It also expanded its ban on smoking in common areas. Hyde Park has adopted the following policy and all residents and their guests must abide by this smoking policy or the Board will take such action that they deem necessary.

To sum it up, smoking is still permitted within individual apartments but the smoke is not allowed to infiltrate neighboring apartments, vestibules or stoops. Smoking in any form or of any product is not allowed in any of our indoor or our outdoor common areas which include vestibules, laundry rooms, management office, garages, nor within 10 feet of any window, clothesline areas, playgrounds, stoops and steps leading to apartments, nor any of the Corporation's benches.

TRASH PICK-UP REMINDERS

- Bundle or bag your recyclable paper products and place alongside your garbage bins, **not in the blue cans** for pick up only on Wednesdays.
- **As of Jan. 2015, electronics can't be discarded in the trash. Place them NEXT TO your trash can for pickup by our staff PLEASE DO NOT PUT OUT BULK ITEMS ON THE WEEKEND.**

ON WEEKDAYS, ONLY: Please put out all bulk garbage before noon for pick up.

****If you replace your mattress, you must have the company remove your old mattress off the property.**

PLEASE DO NOT PLACE BULK GARBAGE BY THE CURB OR IT WILL RESULT IN A VIOLATION AND FINE BEING ISSUED BY THE SANITATION DEPT

STORAGE ROOMS

The storage rooms open each morning at 7 a.m. and close at 9 p.m., weekends included. If you see a leak or an issue with the storage room please make sure to call the onsite office. To rent a storage facility on the property, please contact Bargold at: 212-227-4653.

LAUNDRY ROOMS

The laundry rooms open at 8 a.m. and last wash is at 9 p.m.

EXTERMINATOR SERVICES

Exterminator Services are available free of charge to all residents. Please call the management office to be put on the schedule for service on one of these days:

- 1st Saturday of the month
- 3rd Wednesday of the month
- 4th Saturday of the month

The exterminator services the property between the hours of 12:00 noon and 3:00 p.m. On the 2nd Wednesday of the month, the exterminator comes to treat only boiler rooms, storage facilities, laundry rooms and other common areas in need of extermination services, not individual apartments.

If you suspect a bedbug problem in the apartment, we will have the exterminator check, free of charge, on any one of the three days listed in the box only. It is important that if you think you have an issue, that it be checked right away so that your issue does not become your neighbors' issue. Residents must use the corporation's exterminator for any bed bug issue to ensure that it has been taken care of properly and avoid spreading the issue to other buildings.

Si Eres Víctima de un Crimen o Abuso, No Tienes Que Enfrentarlo Solo.

El Programa de Asistencia para Víctimas de Crímenes (Crime-Victim Assistance Program, CVAP, en inglés) es un programa que ofrecen el Departamento de Policía de la Ciudad de Nueva York y Safe Horizon.

La ayuda es gratuita y confidencial.

Yo estuve muy impresionado con la aliada de Safe Horizon en la estación de policía. Ella era muy compasiva, afectuosa y estaba preocupada por mi situación. Ella no me apuró en el teléfono y me hizo sentir muy cómodo."

-Alex

CVAP brinda apoyo y recursos a los sobrevivientes de todo tipo de crímenes.

Tus Aliados de CVAP pueden:

- Hablar contigo sobre tus inquietudes en cuanto a tu seguridad, tus derechos y opciones
- Brindarte información sobre lo que debes esperar de la policía o las cortes
- Ponerte en contacto con recursos locales
- Ayudarte a solicitar una compensación por ser víctima de un crimen, si calificas
- Abogar en tu nombre para satisfacer necesidades prácticas, tales como vivienda y beneficios públicos

Los Aliados de CVAP se encuentran en la mayoría de las estaciones de policía de los cinco distritos de Nueva York.

- Para más información sobre los Aliados de CVAP en la estación de policía de tu localidad, visita safehorizon.org/CVAP.
- Si necesitas hablar con un Aliado después de las 8 p.m. o durante el fin de semana, llama a la línea directa disponible las 24 horas del día, los 7 días de la semana: 800-621-HOPE(4673).

If you are a victim of crime or abuse, you don't have to deal with it alone.

The Crime Victim Assistance Program (CVAP) is a program offered by the New York City Police Department and Safe Horizon.

Help is free and confidential.

I was very impressed with the Safe Horizon advocate in the precinct because she was very compassionate, caring, and concerned about my situation. She did not rush me off the phone and made me feel very comfortable."

-Alex

CVAP provides support and resources to survivors of all crimes.

CVAP advocates can:

- Talk with you about your safety concerns, your rights, and your options
- Provide information on what to expect from the police or courts
- Link you to useful local resources
- Help you apply for crime victim compensation, if you qualify
- Advocate on your behalf for practical needs like housing and public benefits

CVAP Advocates are located in every precinct and Police Service Area (PSA) throughout the five boroughs.

- For more information or to locate your precinct, visit safehorizon.org/CVAP.
- If you need to speak to an Advocate after 8 p.m., or over the weekend, call the 24/7 Hotline at 800-621-HOPE(4673).
