MARCH 2018

A Personal Message from the President

This has been a cold winter and hopefully everyone is staying warm. Our boiler 11 replacement is moving along nicely. Our window replacement will begin in the spring and the final section of the property will have their outer vestibule facades changed as soon as it warms up. I am looking forward to seeing a spruced-up Hyde Park Gardens!

Please read our very important flyer in the back of the newsletter about idling cars in the garages. This presents a grave danger for all of our residents, either above the garages or in neighboring garages and will result in a loss of your accommodation.

We have been told that the 107th precinct has added additional Neighborhood Coordination Officers (NCOs) to help fight crime. The same two officers will be assigned to each neighborhood in separate quadrants. Please continue to call 911 for emergencies and 311 for other issues. For more information, visit www.buildtheblock.nyc

Save the date: We have reserved P.S. 219Q for our Annual Shareholders meeting on Monday, May 21st at 7 P.M. We will be sending out the Annual Shareholders Report and our Financial Statement before then which will include a full copy of our revised smoking policy. It will also be included in the next newsletter for all residents.

2018 HOLIDAY SCHEDULE

There will be no staff and the Management Office will be closed in observance of the Good Friday, March 30th. There will be an on-call super **FOR EMERGENCIES ONLY.**

Please do not put ANY bulk out after 12 noon on Thursday, March 29th. Bulk will be picked up until Monday, April 2nd and will have to sit around for 4 days creating a hazard and an eyesore.

****Please do not put any garbage, bulk or otherwise at the curb or it will result in a fine for Hyde Park. Place all garbage including bulk by your garbage cans. ****

As always, a superintendent will be on call for emergencies at the main office number at 718-263-9680 if you have an emergency.

RENOVATIONS REMINDER

ALL residents should always call the onsite management office first for any work they are thinking of doing to avoid an unnecessary fine. In order to do any home renovations, you must fill out a renovation/alteration package, receive permission or a \$1000 fine will be charged followed by possible legal action. In addition, by not removing all construction debris from the property residents face a fine. The form can be found online at the Corporation's web site hydeparkownerscorp.com.

DAYLIGHT SAVINGS TIME

Daylight Savings Time begins on Sunday, March 11th, 2018. Don't forget to move your clocks forward before you go to bed Saturday night, March 10th

A SAFETY CHECK-UP

This is a reminder to check on all your smoke detectors and carbon monoxide detectors to make sure they are in good working order. You should conduct a battery check the first day of every month. This would also be a good time to check the dates on your fire extinguishers to make sure they are still usable. If you don't have one, now would be a good time to get one or two. One should be kept in the kitchen and an additional one should be kept in the vicinity of the bedrooms.

Under the law, residents will no longer be able to purchase a smoke detector or CO detector with battery life less than 10 years. The law requires that all new smoke detectors have a battery life of 10 years AND are tamper resistant. The co-op purchases a combination smoke and CO unit with a lithium battery and will install them at the owner's request for a charge back of \$50.00.

Residents are not required to replace what they currently have until the existing device stops functioning.

PROPERTY PROJECTS

The following projects will resume in the spring, weather permitting: Windows, Outer Vestibule Façade, Mailboxes. Boiler 11 replacement underway.

OUR SUGGESTIONS/MAIL BOXES

These are the suggestions we have received from our residents. We try and print them just as we have received them.

For Police emergencies, call 911. For quality of life infractions, it is recommended that you call 311 or contact the 107th Precinct directly at 718-969-5100.

IMPORTANT PARKING LIST NOTE

Residents in arrears in their maintenance and or parking fees are placing their parking privileges in jeopardy of the corporation terminating their license agreement. Any residents on the parking waiting list in arrears at the time an accommodation becomes available, will be dropped from the list. There will be no notice sent to you asking you to pay the arrears and you will have to submit another application to start the process from the beginning. Parking is a privilege as there is not enough parking on the property to accommodate all of our residents. The corporation will not consider a resident in arrears for an accommodation.

GARAGE UPDATE

Residents who currently store items in the garage accommodations do so at their own risk as the cooperative assumes no liability as stated under the license agreement. Residents should also take note that if they are on the list to switch to a closer garage accommodation, that the transfer from one garage to another is to take place immediately. No additional time will be provided to transfer from one accommodation to another.

ENERGY TIPS

March is Daylight Savings Time with the focus of course on saving energy.

- Now is the time to clean the refrigerator inside and out. The ideal temperature setting is between 37-40 degrees. Cleaning the coils underneath will help your refrigerator perform better and last longer.
- Make sure you have changed your lighting to either CFL or LED. Lighting experts say that LED's are the best choice for energy efficiency. Although the LED's are more expensive upfront, they can last for up to two decades, save you 75% or more in energy costs, and offer superior color and brightness.
- Take advantage of the extra sunlight. Natural light is a great way to reduce your energy costs. Instead of hiding behind closed blinds, open them up and let the sunlight brighten your home.

FOR SHAREHOLDERS WHO PAY BY THEIR ONLINE BANK

For those residents who pay via online banking, **you should have it sent directly to the GPO box.** A new system was set up to accept payments without the maintenance, parking or rental slips **as long as the correct 6-digit account number is listed on the check or it won't be properly posted. Please make sure you enter the correct number.** All payments should now be sent directly to:

**HYDE PARK OWNERS CORP.
GPO BOX 5651
NEW YORK, NY 10087-5651**

ONLINE PAYMENTS

Many of our residents have taken advantage of our online payment process at www.metromanagementdev.com. To enroll use your WebReg# located on the top part of the Stub portion of your bill. Please keep in mind that your payment will not be processed or show on your account until the following day. Payments made on Fridays, weekends or holidays will not show until the next business day. You can also schedule payments to be made on future dates.

AUTOMATIC DEBIT PROGRAM

The corporation offers a direct payment option so that the amount due each month on the maintenance, rental or parking account will be automatically deducted from the account you specified on the 5th day of each month. This is different than the online payment service offered by Metro. Anyone selling their apartment needs to make sure to fill out the cancellation to the ACH debit program 45 days before they anticipate closing. Contact the Management Office or go to the Hyde Park web site for the form.

MONTHLY PAYMENT OBLIGATIONS

Payments are due on or before the 1st of each month, and are considered late if made after the 10th of the month. Payments may be made to the onsite office but **payments made on the 10th after 3:00p.m. will be considered late.**

***PLEASE bring your payment stub when you make your payment at the onsite Management Office.**

Parking payments are due on the 1st. A \$10.00 late charge is assessed for parking payments made after the 1st of the month. A \$50.00 late charge is assessed for all residents who have not made their maintenance/rent payment as of the 10th of the month. **Any resident in arrears for 3 months will be reported to a credit reporting agency.**

SMOKING AND SMOKE ODORS: UPDATED SMOKING RULES

Smoking has become a real issue nationally, locally and here at Hyde Park. NYC has passed Local Law 17-506 stating that all co-ops, condos and rental buildings must have a published smoking policy. It also expanded its ban on smoking in common areas. Hyde Park has adopted the following policy and all residents and their guests must abide by this smoking policy or the Board will take such action that they deem necessary.

To sum it up, smoking is still permitted within individual apartments but the smoke is not allowed to infiltrate neighboring apartments, vestibules or stoops. Smoking in any form or of any product is not allowed in any of our indoor or our outdoor common areas which include vestibules, laundry rooms, management office, garages, nor within 10 feet of any window, clothesline areas, playgrounds, stoops and steps leading to apartments, nor any of the Corporation's benches.

EXTERMINATOR SERVICES

Exterminator Services are available free of charge to all residents. Please call the management office to be put on the schedule for service on one of these days:

- 1st Saturday of the month
- 3rd Wednesday of the month
- 4th Saturday of the month

The exterminator services the property between the hours of 12:00 noon and 3:00 p.m. On the 2nd Wednesday of the month, the exterminator comes to treat only boiler rooms, storage facilities, laundry rooms and other common areas in need of extermination services, not individual apartments.

If you suspect a bedbug problem in the apartment, we will have the exterminator check, free of charge, on any one of the three days listed in the box only. It is important that if you think you have an issue, that it be checked right away so that your issue does not become your neighbors' issue. Residents must use the corporation's

exterminator for any bed bug issue to ensure that it has been taken care of properly and avoid spreading the issue to other buildings.

TRASH PICK-UP REMINDERS

- Place your recyclable metals and plastics in the **BLUE** recycling bin for pick up each **Wednesday morning**. **DO NOT PLACE RECYCLE ITEMS IN A SEPARATE BAG BEFORE YOU PLACE THEM IN THE BLUE CAN.**

ON WEEKDAYS, ONLY: Please put out all bulk garbage before noon for pick up.

**If you replace your mattress, you must have the company remove your old mattress off the property.

IMPORTANT MEMORANDUM

To: All Residents of Hyde Park Gardens

Date: February 2, 2018

From: Management

RE: Idling in Garage Accommodations

It has been brought to our attention that residents are idling their cars in the garages and/or using their automatic starters to start their vehicles with the garage doors completely closed. **Neither should be occurring.**

Idling your car in a garage is dangerous to you and the residents that live above the garage accommodations as well as those in neighboring attached garages, even with the door open. It is dangerous and exposes all to carbon monoxide and other noxious gases. If the garage has a household above, those fumes can also enter the household putting those residents at harm.

To prevent carbon monoxide poisoning:

- **NEVER** run engines in a garage, even if the garage door is open.
- Make certain all vehicles are tuned up and running clean.
- Check and repair exhaust system leaks.

When starting a car and leaving from the garage:

- Make certain everyone is in the car and ready to leave.
- Open the overhead garage door before starting the car.
- Start the car and immediately back out.
- Shut the garage door.
- Immediately drive away.

As an additional note, **residents should NOT be backing into the garage accommodations.** You should only be pulling in front first into the garage so that the exhaust is towards the back of the garage so that when you start the car and immediately back out, the fumes are not left within the garage. Residents that cannot abide by this will lose their accommodation permanently for the safety of all. There will be no exceptions made.
