Pirate Stu’s Picnic Table Song Book
(For Guitar and Ukulele)

Introduction: The genesis of this song book was Thursday night jam sessions at the Converse Texas American Legion Post 593, where several of us would gather around picnic tables on the patio with a bucket of beer and take turns swapping songs. Like a lot of these kind of get togethers, people wouldn’t know all the words, or would get verses mixed up, or didn’t know all the chords, especially me!

So I set about to create a song book that would have several very deliberate features.

1) The font had to be as large as possible. This makes it easy to read when printed out and laid on a picnic table. This feature has to be balanced with keeping songs on one page, so sometimes there are lines that have a slightly smaller font to keep them on a single page.

2) Songs had to fit on 1 page. Now there are a few exceptions in this book, but every effort is made to ensure that songs can fit on a single page. In my earlier printed versions, all 2 page songs were opposite each other, so when placed in a 3 ring binder, you didn’t need to flip any pages. One of the main ways I accomplish this is to only write out the chorus once, and then simply write “Chorus” when you need to repeat it.

3) The chords had to be in-line with the lyrics. Too many times I’ve seen people try to put the chords above the lyrics, and it always ends in disaster. As soon as the font is changed, the chords no longer line up! Plus it takes up another line of text, making it hard to fit on one page.

4) There had to be visual cues. These consists of chords and other musical instructions being in red, having the chorus clearly identified, and using as much space as possible between verses.

5) There is no punctuation. If that drives some of you batty, I’m sorry. As a grammar wonk, I understand. But the elimination of punctuation can often mean keeping a line of lyrics on just one text line, or a song on a single page. If you need punctuation to help you sing the song, you need to just become more familiar with the song. Punctuation had to go…

6) I am not religious about chording out all the intro’s, outro’s, and instrumental breaks. Sometimes they are there, and sometimes they are not. Most picnic table sing-a-longs, don’t do instrumental breaks like bluegrass jam sessions do.

7) Chords are kept as simple as possible. I try to remain as true to the song as possible, but this means this book may be frustrating to a musical purist. But remember, this book was made for the beer drinking,
picnic table sitting person that wants to have some fun with their friends, not for a Nashville studio recording artist.

8) This book assumes you know **guitar**, **but not ukulele**. Guitar is my first instrument, and I took up the ukulele 40 years later. So all I needed for guitar were the lyrics and the chord name, hence no chord charts for the guitar. I was about 200 songs in, when I started playing the uke, and have gone back and added uke chord charts for all the songs.

   The songs in this book are ones that I either liked, or someone requested that I add. My original book included some songs that were not appropriate for younger audiences, and I have removed them from this digital version.

   I have included some of my original songs, and if you want to know how to play those, you can look them up on my Youtube channel at [https://youtube.com/user/PirateStu1](https://youtube.com/user/PirateStu1)

   As of 2019, I also maintain a Facebook page where I post a short daily joke, which are mostly family friendly. Please like and follow it if you are so inclined, at [https://www.facebook.com/PirateStu1](https://www.facebook.com/PirateStu1)

   **I hope this Song Book amuses you!**

Keep repeating the chorus chords for the verses.

This song is called “Alice's Restaurant” “It's about Alice, and the Restaurant, but "Alice's Restaurant" is not the name of the Restaurant That's just the name of the song That's why I call the song "Alice's Restaurant." Now it all started two Thanksgivings ago, on the twenty-seconds of December, when my friend and I went up to visit the restaurant. But Alice doesn't live in the restaurant, she lives in the church nearby the restaurant, in the bell tower with her husband Ray and Facha, the dog and livin' in the bell tower like that, they got a lot of room downstairs where the pews used to be, and havin' all that room (seein' as how they took out all the pews), they decided that they didn't have to take out their garbage for a long time. We got up here and found all the garbage in there and we decided that it'd be a friendly gesture for us to take the garbage down to the city dump So we took the half-a-ton of garbage, put it in the back of a red VW Microbus, took shovels and rakes and implements of destruction, and headed on toward the city dump. Well, we got there and there was a big sign and a chain across the dump sayin', "This dump is closed on Thanksgiving," and we'd never heard of a dump closed on Thanksgiving before, and with tears in our eyes, we drove off into the sunset lookin' for another place to put the garbage We didn't find one till we came to a side road, and off the side of the side road was another fifteen-foot cliff, and at the bottom of the cliff was another pile of garbage. And we decided that one big pile was better than two little piles, and rather than bringing that one up, we decided to throw ours down. That's what we did. We drove back to the church, had a Thanksgiving dinner that couldn't be beat, went to sleep, and didn't get up until the next morning, when we got a phone call from Officer Obie. He said, "kid, we found your name on an envelope at the bottom of a half a ton of garbage and I just wanted to know if you had any information about it" And I said, "yes sir, Officer Obie, I cannot tell a lie. I put that envelope under that garbage." After speakin' to Obie for about forty-five minutes on the telephone, we finally arrived at the truth of the matter and he said that we had to go down and pick up the garbage, and also had to go down and speak to him at the Police Officer station. So we got in the red VW microbus with the shovels and rakes and implements of destruction and headed on toward the Police Officer Station Now, friends, there was only one of two things that Obie could've done at the Police Officer Station, and the first was that he could've given us a medal for bein' so brave and honest on the telephone (which wasn't very likely, and we didn't expect it), and the other thing was that he could've bawled us out and told us never to be seen drivin' garbage around in the vicinity again, which is what we expected But when we got to the Police Officer Station, there was a third possibility that we hadn't even counted upon, and what we expected But when we got to the Police Officer Station, there was a third possibility that we hadn't even counted upon, and we were both immediately arrested, handcuffed, and I said, "Obie, I can't pick up the garbage with these here handcuffs on." He said "shut up kid, and get in the back of the patrol car" And that's what we did, sat in the back of the patrol car, and drove to The quote scene of the crime unquote I want to tell you 'bout the town of Stockbridge, Massachusetts, where this is Happenin'. They got three stop signs, two police officers, and one police car, but when we got to the scene of the crime, there was five police officers and three police cars, bein' the biggest crime of the last fifty years and everybody wanted to get in the newspaper story about it And they was usin' all kinds of cop equipment that they had hangin' around the Police Officer station. They was takin' plaster tire tracks, footprints, dog-smellin' prints and they took twenty-eight 8 x 10 colored glossy photographs with circles and arrows and a paragraph on the back of each one explainin' what each one was, to be used as evidence against us. Took pictures of the approach to the church, the getaway, the northwest corner, the Southwest corner And that's not to mention the aerial photography! After the ordeal, we went back to the jail. Obie said he was gonna put us in a cell He said "kid, I'm gonna put you in a cell! I want your wallet and your belt" I said, "Obie, I can understand your wantin' my wallet, so I don't have any money to spend in the cell, but what do you want my belt for?" and he said "kid, we don't want any hangin's" I said, "Obie, did you think I was gonna Hang myself for litterin'?" Obie said he was makin' sure, and, friends, Obie was, 'cause he took out the toilet seat so I couldn't hit myself over the head and drown, and he took out the toilet paper so I couldn't bend the bars, roll the toilet paper out the window, slide down the roll and have an escape. Obie was makin' sure it was about four or five hours later that Alice (remember Alice? There's a song about Alice) Alice came by and, with a few nasty words to Obie on the side, bailed us out of jail, and we went back to the church, had another Thanksgiving dinner that couldn't be beat, and didn't get up the next morning, when we all had to go to court. We walked in, sat down, Obie came in with the twenty-eight 8 times 10 colored glossy pictures with the circles and arrows and a paragraph on the back of each one, sat down Man came in, said, "All rise!" We all stood up, and Obie stood up with the twenty-eight 8 times 10 colored glossy pictures, and Obie just walked in, sat down, with a seen' eye down and he sat down. We sat down Obie looked at the seein' eye dog then at the twenty-eight 8 x 10 colored glossy pictures with the circles and arrows and a paragraph on the back of each one and looked at the seein' eye dog and then at The twenty-eight 8 x 10 colored glossy pictures with the circles and arrows And a paragraph on the back of each one and began to cry Because Obie came to the realization that it was a typical case of American blind justice, and there wasn't nothin' he could do about it, and the judge wasn't gonna look at the twenty-seven 8 by 10 colored glossy pictures with the circles and arrows and a paragraph on the back of each one explainin' what each one was, to be used as evidence against us and we was fined fifty dollars and had to pick up the garbage in the snow.
But that's not what I'm here to tell you about. I'm here to talk about the draft. They got a buildin' down in New York City called Whitehall Street, where you walk in, you get injected, inspected, detected, infected, neglected and selected. I went down and got my physical examination one day, and I walked in, sat down (got good and drunk the night before, so I looked and felt my best when I went in that morning). I wanted to look like the All-American Kid from New York City. I wanted to feel like I wanted to be the All-American Kid from New York.

I walked in, sat down, I was hung down rung down, hung up and all kinds of mean, nasty, ugly things And I walked in, I sat down, they gave me a piece of paper that said "Kid See the psychiatrist in room 604". I went up there, I said, "Shrink, I want to kill. I want to kill! I want to see blood and gore and guts and veins in my teeth! Eat dead, burnt bodies! I mean Kill. Kill!" And I started jumpin' up and down, yellin' "KILL! KILL!" and he started Jumpin' up and down with me, and we were both jumpin' up and down, yellin' "KILL KILL KILL KILL KILL!"

and the sergeant came over, pinned a medal on me sent me down the hall, said "You're our boy". Didn't feel too good about it. Proceeded down the hall, gettin' more injections, inspections, detections, detections, and all kinds of stuff that they was doin' to me at the thing There, and I was there for two hours three hours four hours I was there for a long time goin' through all kinds of mean, nasty, ugly things And I was just havin' a tough time there, and they was inspectin', injected, every single part of me, and they was leavin' no part untouched! Proceeded through, and I finally came to see the very last man. I walked in, Sat down, after a whole big thing there. I walked up, and I said, "what do you want?" He said, "kid, we only got one question, have you ever been arrested?" And I proceeded to tell him the story of Alice's Restaurant Massacree with full orchestration and five-part harmony and stuff like that, and other phenomenon He stopped me right there and said, "kid, have you ever been to court?" And I proceeded to tell him the story of the twenty-seven 8 x 10 colored glossy pictures with the circles and arrows and a paragraph on the back of each one He stopped me right there and said, "kid, I want you to go over and sit down on that bench that says 'Group W' And I walked over to the bench there, and there's Group W is where they put you if you may not be moral enough to join the army after committin' your special crime There was all kinds of mean, nasty, ugly-lookin' people on the bench there There was mother-rapers father-stabbers father-rapers!

Father-rapers sittin' right there on the bench next to me! And they was mean And nasty and ugly and horrible and crime fightin' guys were sittin' there On the bench, and the meanest, ugliest, nastiest one the meanest Father-raper of them all was comin' over to me, and he was mean and Ugly and nasty and horrible and all kinds of things, and he sat down next to me. He said, "Kid, what'd you get?" I said, "I didn't get nothin'. I had to pay fifty dollars and pick up the garbage." He said, "What were you arrested for, kid?" and I said, "litterin'" And they all moved away from me on the bench there, with the hairy eyeballs And all kinds of mean, nasty things, till I said, "And creatin' a nuisance" And they all came back, shook my hand, and we had a great time on the Bench talkin' about crime, mother-stabbin', father-rapin', all kinds of groovy things that we was talkin' about on the bench, and everything was fine We was smokin' cigarettes and all kinds of things, until the sergeant came over, had some paper in his hand, held it up and said "Kids, this-piece-of-paper's got 47-words 37-sentences 58-words we-wanna-know-details-of-the-crime-time-of-the-crime-and-any-other-kind-of-thing-You-gotta-say-pertaining-to-and-about-the-crime-I-want-to-know-arresting-Officer's-name-and-any-other-kind-of-thing-you-gotta-say" And he talked for forty-five minutes and nobody understood a word that he said But we had fun fillin' out the forms and playin' with the pencils on the bench there I filled out the Massacree with the four-part harmony. Wrote it down there Just like it was and everything was fine. And I put down my pencil, and I turned over the piece of paper, and there on the other side in the middle of the other side away from everything else on the other side in parentheses capital letters quoted read the following words "kid, have you rehabilitated yourself?" I went over to the sergeant. Said, "Sergeant, you got a lot of god-damned gall to ask me if I've rehabilitated myself! I mean I mean I mean that you send I'm sittin' here on the bench I mean I'm sittin' here on the Group W bench, 'cause you want to know if I'm moral enough to join the army, burn women, kids, houses and villages after been a litterbug" He looked at me and said, "kid, we don't like your kind! We're gonna send your fingerprints off to Washington!" And, friends, somewhere in Washington, enshrined in some little folder, is a study in black and white of my fingerprints And the only reason I'm singin' you the song now is 'cause one guy had to know somebody in a similar situation Or you may be in a similar situation, and if you're in a situation like that, there's only one thing you can do Walk into the shrink wherever you are, just walk in, say, "Shrink, you can get anything you want at Alice's Restaurant", and walk out You know, if one person, just one person, does it, they may think he's really sick and they won't take him And if two people do it, in harmony, they may think they're both faggots and They won't take either of them And if three people do it! Can you imagine three people walkin' in, singin' A bar of "Alice's Restaurant" and walkin' out? They may think it's an Organization! And can you imagine fifty people a day? I said FIFTY people a day Walkin' in, singin' a bar of "Alice's Restaurant" and walkin' out? Friends they may think it's a Movement, and that's what it is THE Alice's Restaurant anti-massacre movement! And all you gotta do to join is to sing it the next time it comes around on the guitar with feelin' You can get anything you want at Alice's restaurant You can get anything you want at Alice's restaurant Walk right in, it's around the back Just a half a mile from the railroad track You can get anything you want at Alice's restaurant

I Was Driving Down A Lonely Road
On A Dark And Stormy Night
When A Little Girl By The Roadside
Showed Up In My Head-lights
I Stopped And She Got In The Back
And In A Shaky Tone
She Said My Name Is Mary
Please Won't You Take Me Home

She Must Have Been So Frightened
All Alone There In The Night
There Was Something Strange About Her
Her Face Was Deathly White
She Sat So Still And Quiet
In The Back Seat All Alone
I Never Will Forget That Night
I Took Mary Home

I Pulled Into The Driveway
Where She Told Me To Go
Got Out To Help Her From The Car
And Opened Up The Door
But I Could Not Believe My Eyes
The Back Seat Was Bare
I Looked All Around The Car
But Mary Wasn't There
[G] A [D] Light Shown From The Porch
Someone [C] Opened Up The [G] Door
I [D] Asked About The Little Girl
That [C] I Was Looking [D] For
[G] Then The Lady Gently Smiled
And Brushed A Tear [D] Away
She [C] Said It Sure Was [A] Nice Of You

[G] But [D] Thirteen Years Ago Today
Our [D] Darling Mary Lost Her Life
And [C] We Still Miss Her [D] So
So [G] Thank You For Your Trouble
And The Kindness You Have [D] Shown
You're The [C] Thirteenth One Who's [A] Been Here
[D] Bringing Mary [G] Home

Copperhead Road - Steve Earle - D

[D] Well My Name's John Lee Peddimore
Same As My Daddy And His Daddy's Before
You Hardly Ever Saw Granddaddy Down Here

He'd Only Come To Town About Twice A Year
He'd Buy A Hundred Pounds Of Yeast And Some Copper Line
Everybody Knew That He Made Moonshine
Now The [G] Revenue Man Wanted Granddaddy Bad
[D] Headed Up The Holler With Everything He Had
[G] Before My Time But I've Been Told
[D] He Never Come Back From Copperhead Road

[D] Now Daddy Ran Whisky In A Big Block Dodge
Bought It At An auction At The Mason's Lodge
Johnson County Sheriff Painted On The side

Just Shot a Coat Of Primer Then He Looked Inside
Well Him And My Uncle Tore That Engine Down
I Still Remember That Rumbling Sound

Then The [G] Sheriff Came Around In The Middle Of The Night
[D] Heard Momma Crying Knew Something Wasn't Right
He Was [G] Headed Down To Knoxville With The Weekly Load
You Could [D] Smell The Whisky Burning Down Copperhead Road

[D] I Volunteered For The Army On My Birthday
They Draft The White Trash First Round Hear Anyway

I Done Two Tours Of Duty In Viet Nam
And I Came Home With A Brand New Plan
I'd Take The Seed From Columbia And Mexico
I Just Planted Up A Holler Down Copperhead Road

Now The [G] D E A 's Got A Chopper In The Air
I [D] Wake Up Screaming Like I'm Back Over There
I [G] Learned A Thing Or Two From Charlie Don't You Know You
[D] Better Stay Away From Copperhead Road

Out In The West Texas Town Of El Paso
I Fell In Love With A Mexican Girl
Nighttime Would Find Me In Rosa’s Cantina
Music Would Play And Felina Would Whirl

Blacker Than Night Were The Eyes Of Felina
Wicked And Evil While Casting A Spell
My Love Was Deep For This Mexican Maiden
I Was In Love But In Vain I Could Tell

One Night A Wild Young Cowboy Came In
Wild As The West Texas Wind
Dashing And Daring A Drink He Was Sharing
With Wicked Felina The Girl That I Love

So In An-Anger I
Challenged His Right For The Love Of This Maiden
Down Went His Hand For The Gun That He Wore
My Challenge Was Answered In Less Than A Heartbeat
The Handsome Young Stranger Lay Dead On The Floor

Just For A Moment I Stood There In Silence
Shocked By The Foul Evil Deed I Had Done
Many Thoughts Raced Through My Mind As I Stood There
I Had But One Chance And That Was To Run

Out Through The Back Door Of Rose’s I Ran
Where The Horses Were Tied
I Caught A Good One He Looked Like He Could Run
Up On His Back And Away I Did Ride

Just As Fast As I Could From The West Texas Town Of El Paso
Out Through The Badlands Of New Mexico
Back In El Paso My Life Would Be Worthless
Everything’s Gone In Life Nothing Is Left
[D] It's Been So Long Since I've [Em] Seen The Young Maiden

[G] I Saddled Up And Away I Did Go
Riding Alone In The [D] Dark [D7]

Fancy (Page 1) - Reba McEntire - Am
(Capo on 4th fret for recording)

[A] [C] [D] [A]
[A] I Remember It All Very Well Looking Back
It Was The [C] Summer I Turned Eighteen
We [D] Lived In A One Room Rundown Shack
On The [F] Outskirts Of New Orleans
[A] We Didn't Have Money For Food Or Rent
To Say The [C] Least We Were Hard Pressed
Then [D] Mama Spent Every Last Penny We Had To Buy [F] Me A Dancing Dress

Well Mama [A] Washed And Combed And Curled My Hair
And The She [D] Painted My Eyes And [A] Lips
Then I Stepped Into A Satin Dancing Dress
It Was Red Velvet [C] Trim And It Fit Me Good
Standing [D] Back From The Looking Glass

[A] Mama Dabbed A Little Bit Of Perfume On My [C] Neck And She Kissed My Cheek
Then I [D] Saw The Tears Welling Up In Her Troubled [F] Eyes As She Started To Speak
She [A] Looked At A Pitiful Shack And Then She Looked At [C] Me
And Took A Ragged Breath
She Said Your [D] Pa's Runned Off And I'm Real Sick
And The [F] Baby's Gonna Starve To Death
She [A] Handed Me A Heart Shaped Locket That Said To [C] Thine Own Self Be True
And I [D] Shivered As I Watched A Roach Crawl Across
The [F] Toe Of My High Heeled Shoe
It [A] Sounded Like Somebody Else That Was Talking
Asking [C#m] Mama What Do I [F#m] Do
She Said [D] Just Be Nice To The Gentlemen Fancy [E] They'll Be Nice To [A] You

Lord For-[C]give Me For What I [D] Do But If [C] You Want Out Well It's [D] Up To You

Well [A] That Was The Last Time I Saw My Mama And I [C] Left That Rickety Shack
The [D] Welfare People Came And Took The Baby Mama [F] Died And I Ain’t Been Back

But The [A] Wheels Of Fate Had Started To Turn
And For [C] Me There Was No Way Out

I [A] Knew What I Had To Do But I Made My-[C]self This Solemn Vow
That [D] I’s Gonna Be A Lady Someday Though I [F] Didn’t Know When Or How

I [A] Couldn’t See Spending The Rest Of My Life
With My [C#m] Head Hung Down In [F#m] Shame
You Know [D] I Might Have Been Born Just Plain White Trash
But [E] Fancy Was My [A] Name

Then I [C] Got Me A Georgia Mansion In An Elegant [D] New York Townhouse Flat
And I Ain’t Done [A] Bad [C] [D] [A]

Now [A] In This World There’s A Lot Of Self-Righteous [D] Hypocrites
That Call Me [A] Bad
And [C] Criticize Mama For Turning Me Out No [D] Matter How Little We [A] Had

But [A] Though I Ain’t Had To Worry Bout Nothing
For [C#m] Nigh On Fifteen [F#m] Years Well I Can [D] Still Hear The Desperation In My Poor Mama’s [E] Voice Ringing In My [A] Ear

I Saw A Man Today Who Said He Talked To You Not So Long Ago I Think A Month Or Two
As My Mind Raced Back In Time
I Prayed Oh Lord Don’t Let It Show
He Thinks I Forgot You Fifteen Years Ago

Fifteen Years Ago And I Still Feel The Same
Why Did He Have To Mention Your Name
I’m As Broken Up In-Side
As If It’s Been A Week Or So
It Takes A Mighty Strong Love
To Keep A Man Thinking Of A Girl He Hasn’t Seen Since Fifteen Years Ago

I’ve Got A Lovely Wife Who Thinks The World Of Me
Promised Her My Love Through All Eternity
I’ve Tried Hard To Make Her Happy
And So Far She Doesn’t Know
I Can’t Shake This Thing Of Fifteen Years Ago

Fifteen Years Ago And I Still Feel The Same
Why Did He Have To Mention Your Name
I’m As Broken Up In-Side
As If It’s Been A Week Or So
It Takes A Mighty Long Time
To Get A Real Love Off Your Mind
I Know I’ve Tried Since Fifteen Years Ago
[Em] Took My Family Away From My [C] Carolina Home
[Em] Had Dreams About The West And [C] Started To Roam

[Em] Empty Cartridges And Blood Lined The [C] Gutters Of The Street
[Em] Men Were Shot Down For The [C] Sake Of Fun
[Em] Or Just To Hear The Noise Of Their [C] Forty Four Guns

Chorus

[Em] Now My Widow She [C] Weeps By My Grave
[Em] Tears Flow Free For Her [C] Man She Couldn't Save
[Em] Shot Down In Cold Blood By A [C] Gun That Carried Fame

[E] I Never Picked Cotton
~~~~~~~~~~~~~~~~~~~~~Chorus~~~~~~~~~~~~~~~~~~~~~

[F] When I Was Just A Baby Too Little For The Cotton Sack
I Played In The Dirt while The Others Worked
Till They Couldn’t Straighten Up Their Backs
[F#] And I Made Myself A Promise
When I Was Old Enough To Run
That I’d Never Stay A Single Day In That Oklahoma Sun But

Chorus

[F] Folks Said That I Grew Up Early
And The Farm Couldn’t Hold Me Then
So I Stole Ten Bucks And A Pickup Truck
And I Never Went Back Again
[F#] And It Was Fast Cars And Whiskey Long Legged Girls And Fun
I Had Everything That Money Could Bring And I Took It All With A Gun But

Chorus

[F] It Was Saturday Night In Memphis
When A Redneck Grabbed My Shirt
He Said Go Back To Your Cotton Sack
I Left Him Lying In The Dirt
[F#] And They’ll Take Me In The Morning
To The Gallows Just Outside
And In The Time I Got There Ain’t A Heck Of A Lot
I Can Look Back On With Pride But

It’s Four In The Morning - Faron Young - A

[A] It’s Four in the Morning and Once More the Dawning
Just Woke Up the Wanting in [E] Me
Wishing I’d Never Met Her Knowing If I Forget Her
How Much Better Off She Would [A] Be

The Longer I Hold On The Longer This Goes On
The Harder That It's Gonna [D] Be

That's the Last Thing That I Wanna [E] Do

But I Know Too Well What She’s Going [A] Through

If I Love Her So Much I Don't Know Why I Can't Do
The Right Thing and Just Let Her [D] Be
But It’s Four in the Morning and [A] Once More the Dawning

Making Ten Times I've Told Her [E] Goodbye
Last Night We Broke Up This Morning I Woke Up
And For the Tenth Time I'm Changing My [A] Mind.

I Saw More Love In Her Eyes When I Left Her
Than Most Foolish Men Will Ever [D] See
And It's Four in the Morning and [A] Once More the Dawning

Ten Years Ago On A Cold Dark Night
Someone Was Killed Neath The Town Hall Light
There Were Few At The Scene But They All Agree
That The Slayer Who Ran Looked A Lot Like Me

She Walks These Hills
In A Long Black Veil
She Visits My Grave

When The Night Winds Wail
Nobody Knows Nobody Sees

The Scaffold Is High And Eternity Near
She Stood In The Crowd And Shed Not A Tear
But Sometimes At Night When The Cold Wind Moans
In A Long Black Veil She Cries Over My Bones

The Judge Said Son What Is Your Alibi
If You Were Somewhere Else
Then You Won’t Have To Die
I Spoke Not A Word Though It Meant My Life
For I Had Been In The Arms
Of My Best Friend’s Wife

Nobody Knows Nobody Sees
Ten Years Ago On A Cold Dark Night
Someone Was Killed Neath The Town Hall Light

[G] [D] [Em] [C] [G] [D] [G]

[G] I Was Down On The Border On Some Business
I’d Rather Not [D] Mention

[Em] Getting Involved With A Woman
Was Not My In-[C]tention

But Then [G] She Came Along Just Out [D] Walking Her Dog
And I [Em] Loved Her Before I Even [C] Met Her
I Guess [D7] Sometimes Intentions Can Change
Sometimes Not For The [G] Better

Well The Dog Didn’t Like Me
I Guess He Knew Where I Was [D] Heading

[Em] He Bit My Hand
When He Carried The Rings At Our [C] Wedding
Mari-[G]achis Played And We [D] Sang And We Swayed
But They’re [Em] Right When They Say Love Is [C] Blind
Cause In A [D7] Month She Was Gone
And She Only Left One Thing Be-[G]hind

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~Chorus~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

I [D] Can’t Say His Name He Don’t [G] Come When I Call
[C] When He’s Not Biting Me His [G] Licking His Balls

[G] So I Thought It Might Help
If I Bought Him A Toy At The [D] Store

He Left Something For Me On My [C] Floor

Back to Index
I Kicked Him [G] Out Every Night
But By The [D] Dawns Early Light He Was [Em] Back

But I Don’t Have Directions To [G] Hell

Chorus

[G] I Got A New Girlfriend
Who Couldn’t Stop Telling Me What To [D] Do
To [Em] Top It All Off
She Said She Thought That Little Bastard Was [C] Cute
I Said Hold [G] On To His Leash
And Wait [D] Right Here For Me
And He’ll [Em] Show You Some Tricks That He [C] Knows
And I [D7] Know It Was Wrong
But I Showed Her A Trick Of My [G] Own

She [D] Can’t Say His Name He Don’t [G] Come When She Calls
[C] When He’s Not Biting Her He’s [G] Licking His Balls
But We’re [Em] Even Far As I’m Con-[C]cerned

She [D] Can’t Say His Name He Don’t [G] Come When She Calls
[C] When He’s Not Biting Her He’s [G] Licking His Balls
And I [Em] Hope She Got What She De-[C]served

It Didn’t Take Me Long At All I Had Her Running Good
I Loved To Hear Those Horses Thunder Underneath Her Hood
And I’d Put The Rag Top Down
All The Pretty Girls Would Stop And Stare
As I Drove Her Through Town

The Buttons On The Radio Didn’t Seem To Work Quite Right
But It Picked Up That Oldies Show Especially Late At Night
I’d Get The Feeling Sometimes If I Turned Real Quick I’d See
A Soldier Riding Shotgun In The Seat Right Next To Me

It Was A Young Man Named Private
Who Fought For His Country And Never Made It Home
But For Every Dream That’s Shattered
There’s Another That Comes True
This Car Was Once A Dream Of His Back When It Was New

1) And He Told Me To Take Her And Make Her My Own
   And I Was Proud To Be Riding With Private Malone

2) And I Know I Wouldn’t Be Here
   If He Hadn’t Tagged A-Long
   Yeah That Night I Was Riding With Private Malone
   Oh Thank God I Was Riding With Private Malone

One Night It Was Raining Hard I Took A Curb To Fast
I Still Don’t Remember Much About That Firey Crash
Someone Said They Thought They Saw A Soldier Pull Me Out
They Didn’t Get His Name But I Know Without A Doubt

That Awful Day - Rodney Carrington – E

[E] I Got Home And The Door Was Locked
And I Tried To Ring The Bell
I Found A Little Bitty Note That She Had Wrote
Telling Me To Go To Hell

I [A] Crawled In The Window I Got Inside
She [E] Kicked Me In The Balls And Then I Cried
[B7] Called Me A Name Said I Lied
[E] Kicked Me Again And I Thought I’d Died

Thing's Weren't What They Seemed
She Had A Pan On The Stove Full Of Boiling Water
And My Nad's Would Soon Be Steamed

I [A] Tried To Run Scream For Help
She [E] Hit Me In The Nurts With A Rhinestone Belt
[B7] It Was Like Nothing That I’d Ever Felt
[E] I Thank God I Wasn't Wearing A Kilt

She [A] Grabbed The Bat From Beneath The Bed

There Was An Old Farmer Who Lived On A Rock
He Sat In The Meadow Just Shaking His Fist At Some Boys Who Were Down By The Crick
Their Feet In The Water Their Hands On Their Marbles And Playthings And At Half Past Four
There Came A Young Lady She Looked Like A Pretty Young Creature She Sat On The Grass
She Pulled Up Her Dress And She Showed Them Her Ruffles And Laces And White Fluffy Duck
She Said She Was Learning A New Way To Bring Up Her Children So They Would Not Spit
While The Boys In The Barnyard Were Shoveling Refuse And Litter From Yesterday's Hunt
While The Girl In The Meadow Was Rubbing Her Eyes At The Fellow Down By The Dock
He Looked Like A Man With A Sizable Home In The Country With A Big Fence Out Front
And If He Asked Her Politely She'd Show Him Her Little Pet Dog Who Was Subject To Fits
And Maybe She'd Let Him Grab Hold Of Her Small Tender Hand With A Movement So Quick
And Then She'd Bend Over And Suck On His Candy, So Tasty Made Of Butter Scotch
And Then He'd Spread Whipped Cream All Over Her Cookies That She Had Left Out On Her Shelf
If You Think This Is Dirty You Can Go Scratch Your-Self!
[Am] My Story Is Old And [F] Often Retold

[Am] And If They Would Find Him

I Said [Am] Give Me Your Clothes
You Know We [F] Look Just Like Bros
And I'll Be [E7] You As Far As Anyone [Am] Knows
[Am] I Said Go Tell The Soldiers I'm [G] Here
Jesus [Am] Said They'll Crucify You I [G] Fear
[Am] Tell Them You're Judas And [F] If You Go Do This
You Can [E7] Point Me Out With a [Am] Kiss

And [Am] Changed My Red Hair To [G] Brown
The [Am] Ruse Is Complete
They'll Nail Your [F] Hands And Your Feet
I'm A-[E7]fraid My Death You Can’t [Am] Cheat

[Am] There I Was On The [G] Cross
[Am] Dying In Place Of My [G] Boss
Then They [Am] Buried My Bones
He Came And He [F] Rolled Back The Stone

[Am] I Was Passing By A Pawn Shop
In An [F] Older Part Of Town
[G] When Something Caught My Eye
So I [E7] Stopped And Turned Around
[Am] Stepped Inside And There I Spied
Right In The [F] Middle Of It All

[Am] Well What Do You Want For That Old Piece Of Junk
I [F] Asked The Old Man
[G] He Just Smiled And Took It Down And [E7] Put It In My Hand
[Am] You Tell Me What It’s Worth
Since [F] You’re The One Who Wants It
[G] Tune It Up And Play A Song [E7] Let’s Just See What Haunts It

[Am] So I Hit A Couple Of Chords
In My Old [F] Country Way Of Strumming
Then My [G] Fingers Turned To Lightning
And I [E7] Never Even Heard It Coming
[Am] It’s Like I Always Knew It
I Just [F] Don’t Know Where I Learned It
It Wasn’t [G] Nothing But The Truth
So I Just [E7] Reared Back And Burned It

Lead Solo part (Play the chord progression for 2 verses)
[Am] Well I Lost All Track Of Time
And There Was [F] Nothing I Couldn’t Pick
[G] Up And Down The Neck
I [E7] Never Missed A Lick
[Am] The Guitar Almost Played Itself
And There Was [F] Nothing I Couldn’t Do
It Was [G] Getting Hard To Tell

[Am] Well When I Finally Put It Down
I [F] Couldn’t Catch My Breath
My [G] Hands Were Shaking
And [E7] I Was Scared To Death
The [Am] Old Man Finally Got Up
And Said [F] Where In The Hell You Been
[G] I’ve Been Waiting All These Years For [E7] You To Stumble In

[Am] Then He Took Down An Old Dusty Case
And Said [F] Go On And Pack It Up
[G] You Don’t Owe Me Nothing [E7] Then He Said Good Luck
[Am] There Was Something Spooky In His Voice
And Something [F] Strange On His Face
[G] When I Saw Him Shut The Lid
I Saw My [E7] Name Was On The Case

There Was A Time
I Could Drink My Cares Away
And Drown Out All Of The Heartaches
That Hurt Me Night And day

When The Thought Of You Came
Crashing Through I'd Have One More
But Now The Whiskey Ain't Working Any More

I Need One Good Honky Tonk Angel
To Turn My Life Around
That's Reason Enough For Me To Lay This Old Bottle Down

A Woman Warm And Willing
That’s What I'm Looking For

Cause The Whiskey Ain't Working Any More

They Knew My Name At Every Bar In Town
And They Knew All Of The Reasons
Why I Was Coming Round Round Round

Cause In My Mind Peace I'd Find
When They'd Start To Pour
But Now The Whiskey Ain't Working Any More

That's For Sure

Lord the Whiskey Ain't Working Any More

There's A Little White Note On The Gate By The Road
That A Man Put Up Yester-[G]day
And When We Saw It We All Ran Out
Just To See What It Had To Say
And When We Read It Our Eyes Filled With Tears
And We Fell To The Cold Hard Clay
Something About A Mortgage Something About Foreclosure
Something About Failing To Pay

Oh And On The Post By The General Store
They Put Up A Little Sign An Auction Sale Day After Tomorrow
At The End Of The Lincoln Line
Thirty Years Of Farming Thirty Years Of Heartache
Thirty Years Of Day To Day
Oh My Daddy Stopped Talking The Day The Farm Was Auctioned
There Was Nothing Left To Say

Oh My Mama's Tears Fell Freely Down
As She Walked Amongst The Flowers In The Yard
And Every Number The Auctioneer Called
Was Like A Blow To Her Precious Heart
And Every Number The Auctioneer Called
Meant Another Thing Was Sold That Day
While Everything Was Auctioned We Stood There A Watching
While They Loaded It And Drove It Away

At The Day's First Dawning We Awoke This Morning
There Was Nothing For Us To Do
Nothing In The Granary No Hay In The Meadow
No Cattle No Tractor No Tools
So We Loaded Up The Car Took The Clothes That We Wore
And A Few Things We Managed To Save
Mama Read From The Book We Took One Last Look
And Then We Drove Away

It's Late In The Evening
She's Wondering What Clothes To Wear
She Puts On Her Make Up
And Brushes Her Long Blond Hair
And Then She Asks Me
Do I Look Alright And I Say Yes
You Look Wonderful Tonight

We Go To A Party
And Everyone Turns To See
This Beautiful Lady
That's Walking Around With Me
And Then She Asks Me
Do You Feel Alright
And I Say Yes     I Feel Wonderful Tonight

I Feel Wonderful
Because I See The Love Light In Your Eyes
And The Wonder Of It
Is That You Just Don't Rea-
How Much I Love You

It's Time To Go Home Now
And I've Got An Aching Head
So I Give Her The Car Keys She Helps Me To Bed
And Then I Tell Her
As I Turn Out The Light

Say My Darling You Were Wonderful Tonight
Oh My Darling You Were Wonderful Tonight
