Vermont Maple

Vermont Maple

We have searched high and low, and it appears that we have created the first of its kind, an Aged Pure Maple Balsamic, using real 100% pure maple produced at a small family farm in Vermont. This balsamic is outrageously good. Think pancakes, B-B-Q sauce base, waffles, maple balsamic glazed bacon, pork chops, salmon, glazed ham, ice cream, dressings, marinades, chocolate, cake, fruit, the possibilities are endless. It was made to be used with our butter infused olive oil, California Toasted Almond oil, and Blood Orange Fused (agrumato) olive oil. It works well with any number of Extra Virgin Olive Oils in our collection.

Ingredients: Grape must, wine vinegar, natural flavors, naturally occurring sulfites. No caramel color or additional ingredients.

Wild Blueberry

Wild Blueberry

Our luscious blueberry balsamic vinegar is just as amazing over garden salad as it is over fruit salad. When paired with a delicate Extra Virgin Olive Oil such as Arbequina, the intense blueberry flavor will shine. Also fantastic with our Orange or Lemon olive oils. Pairs well with blue and feta cheeses.

Ingredients: Grape must, wine vinegar, natural flavors, naturally occurring sulfites. No caramel color or additional ingredients.
