## Director's Corner

I think Fall is finally here. At this writing the high for the day was 65 and that was about noon.

Since last writing, several of us went to the NC Rally. Pat won the 1st days 25%. I gave her a hard time at supper on Sat about a comment she made. You'll have to ask her about it. Johnny won one of the "service" plaques they gave away for each service, 1st responders, and teachers. Those who did not travel to NC on Wed enjoyed supper at John-T's. We had a great trip over and back. Weather was very pleasant both ways. We did find a new road along the way (ask Pat or Jerry). Thur we ate at the "Buttered Biscuit" for breakfast and wasn't hungry until Thur night. This is a must stop if you like good, large breakfasts. Thur night we ate at Ammon's Drive Inn and Dairy Bar. Another good place to eat. Fri night we went to downtown Waynesville to enjoy the street dance. They have done this the last 3 years but this is the 1st one Anne and I have attended. On our way we saw a place Johnny claimed as his new "He Shed". I stink it's very nice. **DON'T FORGET OUR CHAPTER PICNIC ON 27 OCT NOON-4PM.**

(Director's Corner Continued from page 1)

I had to take a picture. There's not much Johnny can do in his new shed because it's so small :)

We arrived about 1 hour before the activities to make sure we got good seats. About 15 minutes before the dance began it started to sprinkle and we didn't want to get our hair and hats wet so we walked across the street to "Sauced". Yep, that's the name of it. Great pizza!!

After eating we went back to the entertainment. The good seats we had scoped out were taken so we sat on the court house steps with Alvin, Josie, Gary and Patti. They had clogging and square dancing. The square dancers were mostly Gold Wings. After several dances the clouds rolled back in and we headed back to the hotel. Tom and Johnnie came in Fri afternoon and were in the hotel restaurant. Jerry and I joined them for conversation. Sat morning we headed to breakfast at the Haywood 209 Café. Their meals are not quite as big as the Buttered Biscuit but just as good. After closing on Sat we went to Snappy's to eat. If you like Italian food and have a big appetite this is the place to go.

NC had a 5 hour guided ride on Thur and a 3 hour guided ride on Fri. The people that went said they really enjoyed them. They also offered several self guided rides. I don't know that there is a bad ride in that area. NC always gives away a new Goldwing with lots of chrome and a cargo trailer. None of our crowd won those.

On 5 Oct TN- G hosted an Advanced Rider Course (ARC) and a Trike Rider Course (TRC). We had 6 trikes and 1 co-rider and we had 6 bikes with no co-riders. We did have 2 co-riders sit through the classroom part of the ARC and TRC. Four of the riders were new to the ARC and TRC. Congratulations to all who attended these classes.

Three of us went to the Banana Pudding Festival on 6 Oct. Last year when we went they had run out of banana pudding. This year it rained a little before we got there so the vendors were closing. But the Banana Trail was open and there were no lines. So, we paid \$5 for 10 different 1 oz servings of pudding. I didn't think about it until I finished my 3rd flavor, but that's a lot of pudding (10oz).

If I forgot someone's birthday or anniversary please let me know.

Even though I was full I wanted to eat at Breece's Café. Selection was good and so was the food. Prices were real reasonable. On Sun they have a meat and 2 or 3 or 4. It made me think about the time we ate at the Bell Buckle Cafe.

If you like to ride, come join us. If you like to eat, come join us. If you like to share your ride stories, come join us.

Until next time,
