The History

by

Tom Jarrell, Chapter Historian,  
Gold Wing Road Riders Association, TN-C, Tri City Wings

The *Wings Across Tennessee* is a 500 mile charity ride from Bristol, TN to St. Jude Children's Research Hospital in Memphis. The Ride has generated \$2,320,470 in its twenty-four year history. Mike Taylor of Elizabethton, TN and a member of Tennessee Chapter C, made the suggestion that since our Chapter and its members have been so blessed to live in this great country and able to own and ride the finest motorcycles in the world, we may want to consider having a fundraiser for a worthy charity. Mike and wife Carolyn were friends with Ginger, a patient at St. Jude Children's Hospital. The Chapter chose St. Jude Hospital as their charity project in 1996. The first fundraising event was organized by Mike Taylor (a Cruise-In) at the Pizza Inn in Elizabethton. Everyone was invited to come show their motorcycles and car and have their picture made for a donation to St. Jude Hospital. \$5000 was raised at the Cruise-In. Eight members of the Tri City Wings Gold Wing Chapter rode to the Hospital in Memphis in October, 1996 and presented the \$5000. The eight original members were Mike and Carolyn Taylor, Jon and Nancy Byrd, Keith Marsh, James Daugherty, Lawrence Roberts, and Nyoka Holder. Ginger (the St. Jude patient) also went. Ginger rode part way behind Mike and took breaks riding with the ladies in a van.

Tom Jarrell coined the name *Wings Across Tennessee* and the Chapter invited all motorcycle groups to have a fundraiser and participate in the Ride. The Ride continued to grow over the years with not so much as a single accident, until this year's ride, September 6-7, 2019. Tragically Tiffany Wortman crashed and lost her life on her first St. Jude Benefit ride. A memorial has been established by the Hospital in her memory. Her death has so devastated everyone in the Chapter, the *Wings Across Tennessee* St. Jude Hospital Benefit ride will cease to exist. The Chapter will continue having local fundraising events for St. Jude Children's Research Hospital.

*Fall is finally here.*

*It is hard to believe that 2019 is almost gone and looking back this has been a good year with Wing Ding here in Nashville. We would like to thank everyone for all the hard work you did to pull it off. There were over 100 people that rode on the guided rides, it went very good and the folks really liked them.*

*There is something new called Group Works and we will be using it a lot to share info about events that will be taking place. We can remember when e-mails came out and folks did not like it well the same for group works. But let's give it a chance and it works very well just bare with us as we learn to use it.*

*Several Chapters will be going on Fall Color Rides this Month so please be safe and watch for deer and leaves on the roads. And please take pictures and share them with the District.*

*There will two Veterans Day Parades on November 9th here in Middle Tennessee one in Clarksville Tennessee and one in Nolensville Tennessee. We hope that both parades are able to fly all the flags. Thanks to all our Veterans for your service!*

*We are sorry we did have a article last Month in the newsletter Vickie's Uncle passed away and we were out of town. Thanks to all who called.*

*Please try and visit your sister Chapters as the year comes to a close most Chapters will not have a gathering in December, so be sure and check before you make the trip.*

### ***2019 TN District Couple of the Year***

Hi Everyone, The Fall season is now in full swing; hope you all are out enjoying our beautiful state of Tennessee. With all the extreme hot temps we had this summer the cooler temps are more welcome than you may think. This time of the year also brings us to the holiday season. Many Chapters have Christmas parties and many also take this time to select their new 2020 Chapter Couple of the Year. This year as your 2019 District Couple we have been asked to help administer this very important program. We will be contacting all our Chapter Directors and make sure they all know and understand the importance of having a Chapter couple. Explaining the program as it was designed has been difficult and there are many misconceptions about the chapter couple. All you chapter directors might want to do a little research about the couple of the year program; visit the National web site and go to the MEC section where you will find the couple of the year program. Familiarize yourself as best as you can and expect a phone call soon about how and when you expect to choose your chapter couple.

### How to prepare for Spring Fling

This is easy, it takes a little work, but when work is fun it's not really work. While the weather is not the best for riding here are some activities that will keep you together and get you prepared for Spring Fling.

How do we prepare for the Talent Show?

Use your imagination and come up with a skit that will last 5 minutes or less. It can be funny or serious.

Ask for ideas from your chapter. It can be one person or a lot of people.

Once you come up with an idea be sure and send in the Talent Show Application to me.

Max Thomas

200 Fieldstone Drive

Murfreesboro, TN 37127

Or email it to me at [mlt1958@comcast.net](mailto:mlt1958@comcast.net)

Practice, Practice, Practice, have Fun, Fun Fun. If your laughing while your practicing, then the audience will probably be laughing also. If your doing serious you can still have fun while practicing.

Work on your costumes and props, get the whole chapter involved.

How do we prepare for the Chapter Challenge?

Have a fun night with the Chapter and come up with some competitive games to participate in.

Take pictures, send me a description of the game, tell me how much fun it was.

That "Challenge" may just be one we use at Spring Fling, so you have a leg up because your Chapter has done it before. Try to avoid games that you actually have to have a leg up. Send it to one of my contacts above.

Sign up for the Chapter Challenge at Spring Fling.

How do we prepare for the Chapter Theme Dressed Contest?

Find out the theme...hint...Hillbilly Ho Down.

Get with your Chapter and decide what you want to look like.

Get your costumes together.

Sign up for the contest at Spring Fling.

How do we prepare for the Best Dressed Contest?

[Get a copy of the rules and study them.](#)

Decide which category you want to enter; you can enter one, several or all.

[Sign up for the contest at Spring Fling.](#)

How do we prepare for the Bike Show?

Get a copy of the rules and study them.

Practice cleaning your bike.

Sign up for the contest at Spring Fling.

How do we prepare for Spring Fling in general?

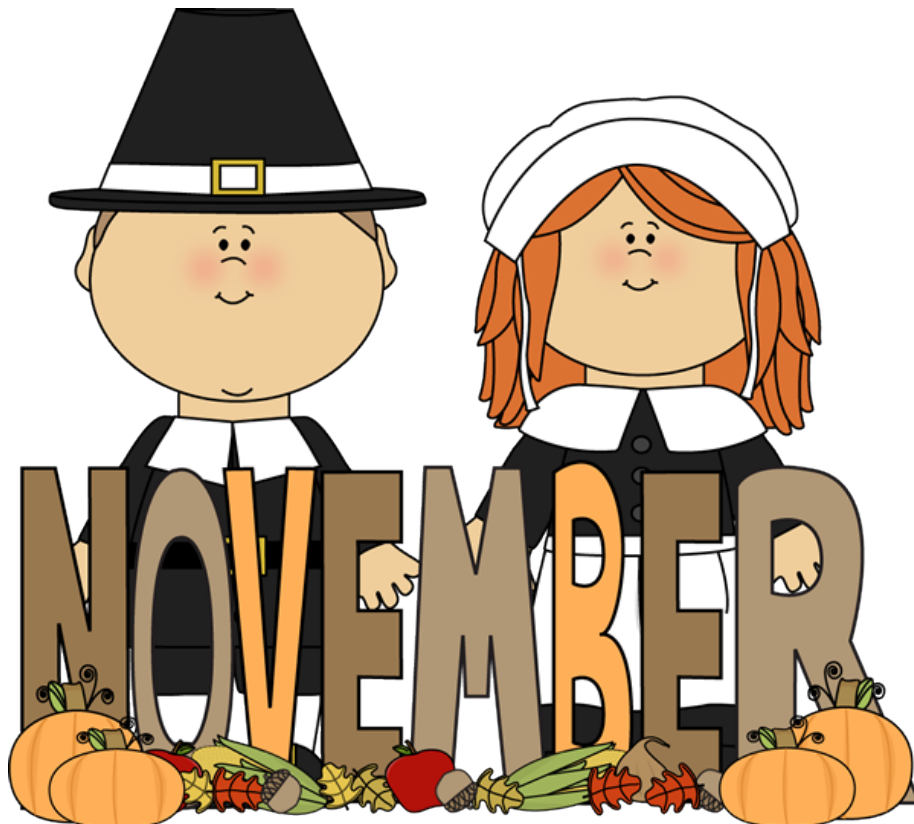

Get a copy of the schedule when it comes out.

Go through the schedule and highlight the activities you want to participate in.

Put together your own personal schedule that includes all those activities for each day with the times and locations listed. Don't forget to include the group activities such as Opening ceremonies, all the contest, the Talent Show, the training classes and closing ceremonies.

Preparing for Spring Fling takes a little work, but it will pay off as one of the best times you have ever had. I remember my first few Spring Flings that I did not prepare for. I kept finding myself saying, "I meant to go to that." Your own personal schedule will help you do the things you want to, so you don't disappoint yourself by missing something you really wanted to attend. Take a little time to prepare so you can get the most out of your Spring Fling experience. It doesn't matter if this is your first Spring Fling or your twentieth Spring Fling, preparation will make it much more fun. Isn't that what we want from our Spring Fling, Fun with Friends.

## *District Membership Enhancement Program Coordinators (MEPC)*

Dennis and Anne Greer

Since last month Tom and Merrilee Peck, TN District Couple of the Year (COY) were asked to be the District COY Coordinator. They have accepted that position and will be coordinating the District COY Selection at Spring Fling in 2020.

Last month I said I was going to send each Chapter Couple a copy of the COY Handbook. I was informed that the revised Officer's Handbook (OHB) was in its final review and would be out shortly. The handbook I was going to send you was an excerpt of the October 2018 OHB. I know there were some errors in that version. As soon as the revised OHB is published, the Chapter COY's should receive a copy of the COY Handbook (OHB excerpt). In the meantime if you want to get a head start on your resume follow the following link: [http://gwrra.org/oconnect/pdf/OHB\\_COMPLETE%20%20October%202018r3.pdf](http://gwrra.org/oconnect/pdf/OHB_COMPLETE%20%20October%202018r3.pdf) to the 2018 OHB and scroll through to the Couple Of the Year section. I'm told the resume and score sheets are essentially the same in the revised handbook and the 2018 version.

If you have any questions about the COY program please contact Tom and Merrilee Peck at (423) 907-9712 or Anne and I at (931) 728-1463

**Don't Forget,** Turn your Clocks back 1 hour at 2 AM on 3 Nov.

## TENNESSEE DISTRICT MFA CPR COORDINATORS

Not much going on in the MFA/CPR world at this time. I would like to say that if your chapter has members in need of certification or recertification in the coming year, please start thinking about when and where you would like to have a class held. The earlier you request a date the more likely you are to get it.

That being said, I know that a lot of you are still on the road on bikes enjoying the fall scenery and such, so please be careful and watch out for wildlife and distracted drivers. We want everyone to be ready to ride their next ride.

We would like to congratulate Herschel and Sherrie Anderson for being chosen for the District Ride Coordinators for the Middle and West Tennessee areas. Also congratulations to Bill Archer and Debbie Boatner on being named the District Motorcycle Awareness Coordinators

Ride safe, ride often, ride!!!

### Educator's Message for November 2019

Last month I wrote about the new position for the chapters, Chapter Skill Enhancement Advisor. We covered all the responsibilities the position curtailed and that it was not an officer position. Thus far I have had one chapter show interest in the position and appointed someone to serve in that position. We plan to work with the CSEA and help our members keep up with their levels. The Chapter Director can appoint someone to that position (that meets the requirements) and let me know and I will communicate with them on their members need in training to help keep their levels up. Also it will help with our members who have never entered the levels program. Patti and I look forward to working with the new Chapter Skills Enhancement Advisor from each chapter.

Last month each chapter director was sent a list of their chapter membership who needed some type of training to keep their levels up to date. We realize that some of the people on the data base roster may not be current. Some have left the association, or some may have left the chapter or just no longer participate. We sent the list to give the CD an idea of what training that may be needed. You can use it as a tool to setup classes and training. We realize that a lot of Rider Education classes have been moved under the GW University Program and we must be set up through the District Trainer or now the District GW University Coordinator. Cold weather is coming fast and will be a great time to have those Medic First Aid Classes, and those Co-rider Classes.

The district has held two rider classes in October. An ARC /TRC Class was held in Manchester Tennessee on October 5<sup>th</sup>. Many thanks to MIT Alvin and TRC Instructor Josie Nelson, TRC Instructor Roger Crowe and from Alabama Bubba Houser as the other ARC Instructor. Thank all of you for sharing your time and teaching the classes. Many thanks to Bubba for coming all the way from Alabama and helping us out on the ARC Class. We also held a TRC Class in Morristown on October 26<sup>th</sup>. Many thanks to Alan Ernest a TRC Instructor from Kentucky who rode down and helped us with the class. Thanks to Bruce and Joyce Babcock the CD's for Chapter F and Jerry Keys on of our ARC Instructors for helping set his training event up. Jerry and Bruce came and helped me set up the course and then made sure the course remained marked after the rain the night before. They also help us at the course by picking up cones and setting up the next part of the course. They made our work so much easier. Many thanks to Alan Ernest for riding in the rain from Lexington to Morristown to help with the TRC Class.

Ride safe and have a good time.

## ACCOMPLISHMENTS

On October 5 there was an Advance Rider Course (ARC) and a Trike Rider Course (TRC) in Manchester, TN. *These classes were hosted by TN-G, who did a fantastic job of providing the facilities and in helping mark the ranges on Friday before the classes on Saturday.* The ARC class was taught by Instructors Alvin Nelson of TN-A2 and Albert (Bubba) Houser of AL-U. They had six (6) participants (all riders) in the class. The TRC class was taught by Instructors Josie Nelson of TN-A2 and Roger Crowe of TN-V. There were seven (7) participants (6 riders and 1 co-rider) in the class. It should also be mentioned that there was a co-rider who sat through the class room portion in each of the classes. We appreciate all who attended and endured '**MOTHER NATURES HOT CONDITIONS**' while performing the range exercises.

Congratulations to TN-G Member Enhancement Coordinators Larry & Cathie Alexander upon receiving their Senior Master Award.

## District Ride Coordinator

**Bobby Cash**

Hope everyone is still riding around and having FUN.

We had a great time and ride at the District Fall Ride. We had a total of 9 bikes and 12 people faced the weather down.

We rode from Sweetwater TN on into the Cherohala Skyway into North Carolina. we went through Robbinsville, Stopped in Bryson City to eat lunch at the Iron Skillet. Then over to Cherokee and into the Smoky Mountains. We stopped at the Newfound Gap at the Tennessee State line and then continued down the mountains to the rest area. We then went through the Smoky Mountains to Townsend and stopped for Ice Cream. Then everyone went their way home.

I want to thank those that came out and we had so much fun. Met friends and made new ones. We got sprinkled on a few times but not anything real bad. The colors were awesome at the tops and a lot of good pictures were taken for you to see. My pics are on my Facebook Page you can find doing a search for Bobby Cash. If you are not a Friend, friend me. I always put a lot of pictures of the rides on Facebook. But Stephanie Ryan made a Great short video for us and you can see that at [https://www.youtube.com/watch?v=ibHxsQdeAdg&feature=youtu.be&fbclid=IwAR0GHNDZ-r\\_TbO2lhyEuDVBdXlaN0UgY-wUvbQs\\_ke7OXba12XC-F2FanIc](https://www.youtube.com/watch?v=ibHxsQdeAdg&feature=youtu.be&fbclid=IwAR0GHNDZ-r_TbO2lhyEuDVBdXlaN0UgY-wUvbQs_ke7OXba12XC-F2FanIc)

We were sad when we found out that the Minister's Tree House in Crossville burned down. We visited it in 2012 and it was very fascinating. It was a good place to go and think back about when you were growing up how you would love to have a tree house that Big.

I am already to kick off District rides for 2020. Plan on doing several District Rides and we will be planning 2 District Guided Rides for Spring Fling. So if FUN is what you want, Fun is what is being Planned. So be sure that you watch Group works for Rides that will be coming up.

I have visited a few chapters in my area and met Chapter Ride Coordinators in the East Area, so if you haven't seen me you will be seeing me soon.

Fall Riders be sure to watch out on the road for Wet Leaves, Wet or Icing Roads, and those Green Moon Balls laying on the road.

Special Thanks to my Brother Sam that Lead the Fall Ride with a Leg he could Barely Walk On.

Ride Safe, But Ride!

## District University Coordinators

David & Karen Hill

We hope you have had a chance to ride this past month. We haven't had a chance to ride much. We just returned from a 10-day cruise from New York to New England and Canada with the last port being Quebec City. We had a good time but it's always good to be back home.

Since the weather is turning colder, it is time to consider taking classes to further your skills in riding. GWRRR University has 50 different modules which are available. They were listed in previous district newsletters. If you don't have the list of modules and would like to see them, just send us an email and we will send the list to you.

If there is a class or classes in which you are interested, let us know and we will see if we can set up a class. It is preferred that at least 6 people attend the class but that is not a requirement – just a preference.

As soon as we have a date and location for the Horizon Workshop, we'll let you know.

Keep warm!
