Friends for Fun, Safety and Knowledge

Chapter Director's Spiel

Okay, we're getting in the fluctuating weather of fall, so when you go out for a ride, please make sure you are prepared. It might be cool when you leave in the morning, so you'll probably dress appropriately, it might warm up significantly during the day so you will change to warm-weather riding gear, and if you're out later in the day, it will cool off again, requiring that cool-weather riding gear, so make sure you're all set for whatever plans you have for the day, and have all the proper gear with you.

A reminder to everyone about the survey I sent out, please consider responding to it, it is my endeavor to make sure we are doing what you want us to do to keep the chapter FUN! Your opinions DO matter, so be involved and participate by letting your thoughts and desires be considered. We WILL review all the comments and consolidate the information and report back to the chapter.

Another reminder, I need the odometer readings from all your motorcycles, as of Oct 31, 2019. If you changed bikes during the year, I need the starting odometer reading off the new (or new to you) bike, and the ending odometer reading of the bike you no longer have. We will use the information, of course, to determine the annual award winners for the mileage awards, but it is also fun and interesting to add up ALL the miles ridden by ALL the chapter members, to see how far the chapter rode during the year. One year for another chapter, I calculated that the chapter had ridden almost $\frac{3}{4}$ of the way to the moon!

We're getting close to that time of year again, and are looking into the annual Chapter Christmas Party. We are working on some of the details, and as we figure things out, I will be sending out the information so you can be prepared, and hopefully join us for a fun time. Timing is a little awkward this year, with Thanksgiving being so late in November, it has impacted the calendars of many of the places that have party space, so wish us luck. We are planning on using the same caterer as last year, everyone enjoyed the food, and the price was reasonable, and at this time, it looks like our best possible date is Saturday, Dec 14th, as we work on it, we will keep you informed.

Further below in this newsletter is the flyer and registration form for the 2020 Wing Ding in Springfield, MO, June 30 - July 04. I also understand that while the registration form is basically set up for purchasing one of their "package deals", you can now log on to the GWRRA and do an "ala-carte" registration, only ordering those items you want to participate in and not have to order "everything", so you have options. It ought to be a lot of fun, Springfield sounds like they are really looking forward to hosting us again, the last time was 1999. Here is the link to get to the page to register on-line:

https://membership.gwrra.org/Scripts/4Disapi.dll/4DCGI/events/ConferenceList.html?Action=Find_Events&

Also below in this newsletter is the flyer and registration form for the 2020 TN District "Spring Fling" rally, April 30 - May 02, 2020, the theme is "Hillbilly Hoe Down", and it will be at the same location as last year, but that facility has a new name, the Evergreen Smoky Mountain Lodge and Convention Center. Loretta & I am already registered for the rally, and have our motel reservation made, so we are set to go and to have a good time with all our TN friends. We hope that many of you can join us. We'll talk more about this as it gets closer.

We hope everyone has a really nice Thanksgiving this year, and please remember the background meaning of this joyous time, that we give thanks for all our blessings, and even with all the troubles going on in our country currently, we can still feel that we are living in the best country in the world. We hope each and every one of you have a truly Happy Thanksgiving, and we look forward to enjoying your company at future chapter events. The camaraderie of all our friends is one of the things that makes GWRRA such a great organization, and something itself to be thankful for.

Be safe out there, and we hope to see you at something in the near future.

Brian & Loretta Richards, TN-M Chapter Directors

Assistant Chapter Director

Hi, hope you're having fun with your fellow chapter friends.

Don't forget, weather changes quickly this time of year, so if you go on a ride, be prepared with the right clothes, for whatever weather you might encounter.

If you're planning on going for a ride, make sure you, your gear, and especially your ride, are all at their peak performance level and ready to get out there and have fun.

Ride Safe!

James Whitener, TN-M Assistant Chapter Director

Chapter 2019 Couple of the Year

Since the last newsletter, we've been to the MS District rally in Gulfport MS, a rally we have gone to the last several years, and have always had a fun time and have made many good friends in the MS and surrounding Districts.

While at the rally, as a visiting Chapter Couple of the Year, and having volunteered to assist in any way we could, we were asked to judge their lighted bike show, which we have done before, this was the third year in a row, and it is also a lot of fun, and amazing to see how some of the members have lit up their Gold Wings or other brand motorcycles. Some really amazing displays of lights.

While at the MS rally, we met with the District Directors for the Louisiana District, who we have gotten friends with while attending their LA District Rally, and have assisted them on several things, and he asked if I would be willing to be a ride leader for one of their planned guided rides for their rally next year, to lead the interested rally participants on a ride to several special places in New Orleans. Of course I agreed, and we're looking forward to helping out, we've made quite a few friends in the LA District while attending their rally over the past several years. This is our big highlight for attending all the rallies we do, all those friends we've made all over this country, and the rallies are our chance to get caught up.

Brian & Loretta Richards, TN-M 2019 Couple of the Year

“Thoughts and Prayers”

Please keep George Maples in your thoughts and prayers, as he is recovering from the operations for his fractured/broken bones from his motorcycle accident.

Wish Brian Richards good luck, he is going to have a full knee replacement on November 21st, his knee finally gave up the ghost of functioning like it is supposed to, and after a totally ineffective cortisone shot, the doctor determined the only realistic option was a total knee replacement.

Please keep Richard Struwe in your thoughts and prayers. He has been struggling health-wise for a period of time, and I apologize for not knowing sooner and getting the word out. As I understand from communications with his friends Mike & Peggy Shirley, he was in Parkwest for the previous several weeks when she texted me on Oct 20th, his heart had stopped and he was in CCU at the time of her text, and she thought he might be put back to a regular room by that weekend, Oct 26th. The latest news from Shirley, as of Friday, the 25th, was that he had gotten released and was back home, but having dialysis. We hope he’s mending and gets better soon.

Chapter M “Out Having FUN!”

Oct 5-6 weekend trip to tour Stone Mountain GA, by Brian Richards

We had 9 members go on the overnight ride Saturday-Sunday, Oct 05-06 to visit Stone Mountain in Tucker, GA, Mel & Renee, James and his daughter Nancy, Frank & Patti, and Russ. We had a really enjoyable weekend, it was a nice leisurely ride down, trip-routed out by Mel, and we took our time, several rest/goof-off stops, etc. We also had one of our newer couples, Bob & Sandy George, join us at the Walmart parking lot and ride part-way with us, they recently returned from an extended ride “out west”, saw my emails about this trip, and rode with us into GA before splitting off to stop for their own breakfast and then ride back home (they wanted to go the whole way, they said they’ve thought before about going to see Stone Mountain, but having just returned from an extended trip, they had a bunch of “catching-up” to do at home, LOL).

We got into Tucker and stopped at our motels to see if we could check in early, and drop off our “stuff” so we didn’t have all that stuff sitting on the bikes in the park’s parking lot all day. Thankfully they hadn’t been super busy the night before, so they had several rooms done and we were able to drop our things off before heading for the Stone Mountain Park.

It was extremely busy, they are running a seasonal “extra”, “Pumpkin Festival, Play by Day, Glow by Night”, and the park was REALLY dolled up with pumpkins, and they had several “themed” attractions tweaked to represent pumpkins, which was cute. See the photo below of Jonas’ “pumpkin whale”.

We walked around for a while, just taking in the atmosphere, took the train ride that circles the mountain, had dinner, and then grabbed our blankets and staked out our area on the grass in preparation for watching the evening show done against the backdrop of the mountain with the carvings on the side of the mountain, that depicts three Confederate figures, Jefferson Davis, Robert E. Lee and Stonewall Jackson.

Seeing the carvings was awesome, but then for the evening entertainment, they had the world’s largest laser light show, projected right onto the side of the mountain, and it was an extremely entertaining show, with some fireworks mixed in.

Sunday morning was the start for another leisurely day, most of us went to a Waffle House for breakfast, Frank & Patti, who were staying at a different motel, met us there after we had finished, and we headed out for the trip home, on a slightly different route planned by me.

All-in-all it was an enjoyable weekend, with good friends, interesting sights, fun rides on some interesting roads, what more could you ask for? We hope that you might be able to join us on our next fun adventure.

Oct 22nd Dinner ride to Vitorino's Italian Restaurant

We were on our trip to the MS rally and the week at a resort we won at a previous rally, having fun in Branson MO, so we missed this month's dinner ride, but we heard those that went had a good time, which is great. Frank Balzer organized the dinner to Vitorino's Italian Restaurant, and he sent me a couple pictures, which are below.

Looking at the pictures that Frank sent me, it looks like there were 14 there all together, and they look like they were having a good time.

As is our normal tradition, October is the last month for our monthly dinner rides. We stop in November since it would be so close to everyone's Thanksgiving. We will start back up next year, and we hope you will be able to join us at some fun evenings out with friends.

Let's have some "Winter" fun

I've received a suggestion from a member for something fun to do during the winter months, and it really intrigued me, and I thought it would be a really neat thing to do during the "non-riding" season, figuring November through March. In the November, December, January and February newsletters I am going to include this challenge, and we would like you to bring your answers to that month's monthly gathering (if you can't make it to the gathering, either mail or email your sheet to me). I will endeavor to format the newsletter so the challenge will all be on one page of the newsletter so if you want to participate, which we sincerely hope many of you will, while you are looking at the newsletter on your computer (assuming most of you do that rather than printing it out) you can just print that one page and mark your answers on it to turn in.

Now a STRONG caveat - we are trusting you to all be on your best behavior, and do NOT cheat. No looking up possible answers using your computer, your smart phone, Alexis, or any other "external, electronic" information source. We trust you to do this all on your own.

The challenge is, I will print in the newsletter a puzzle each month, this month is a bunch of acronyms, which are abbreviated proverbs (one letter for each word in the proverb). As an example, **PFYT (financial)** "**Penny for your thoughts**". Try to figure out the proverb and write your answer on the sheet of paper to be turned in to me at that month's gathering. One paper per individual and/or couple - and please put your name(s) on the top of your sheet. I will gather them all and I and the suggestor will go over them, determine who has the most right, and we'll award a prize.

Here are the abbreviated proverbs for this month's puzzle (good luck):

1. TWDMAR (fairness)
2. LFLS (heredity)
3. APSIAPE (thrift)
4. WTAWTAW (determination)
5. AAADKTDA (health)
6. YCJABBIC (appearance)
7. AWTEW (outcome)
8. DCYCBTH (over confidence)
9. ASITSN (preparedness)
10. PWYP (avoid hypocrisy)
11. NNIGN (communications)
12. YCTAODNT (education)
13. ATGING (false appearance)
14. YCLAHTWBYCMHD (coercion)
15. BIITEOTB (personal taste)
