**Dennis and Jan Peterson**

Let me start out by apologizing for last month's news letter. Jan and I were on vacation to Australia and didn't have the computer with us so we did not get an article to Patti for the news letter. Maybe it was a nice break for everyone. In that case you're welcome.

Seems we left here in the middle of summer and returned in the middle of winter, the way the weather is. You never know what you have coming around the corner. It does look like we may be in for winter; we just kind of missed the fall this year. Just remember when you ride take a variety of clothes, you most likely won't come home in the same weather you left in.

As usual most of the chapters will not be meeting in December. Everybody has their Christmas party. So enjoy the season and make sure you are ready to get back to ride in the New Year. If you travel for Thanks giving be careful on the road we want everybody back from the holiday. Jan and I are going to try something different and stay home for awhile.

The next thing the District has planned is the Operations (OPS) Meeting and Winter Event. This will be on February 8, 2020. We will have it at the James E. Ward Agricultural and Community Center, located at 945 Baddour Parkway, Lebanon TN 37087. We will start the OPS meeting at 9:00 am and move through it as quickly as we can. We don't have a lot of new information from national but we do want to discuss how things will operate in our district. So Chapter Directors please encourage all of your team to come and partake in the meeting. Also if you have any folks that are not officers but want to know what is going on they are welcome to come. Chapter Directors please let me know how many of your chapter will be attending the meeting and what position they hold. This will help us be ready for the correct number of participants.

After the OPS Meeting we will have our Winter Event. At the Winter Event we plan to have the scrap book, mascot and table decorating contests. We are going to have a Chapter Challenge. There will be more information out on this very soon. We will have a 50/25/25 drawing at the end of the day. We are not planning any classes for the day; it's going to be all about fun and visiting with each other. We would like to have games to play with prizes. This would be the standard prize on the table with a bag to drop tickets in and a drawing at the end of the day. We will sell tokens to use to play the games to win tickets. To that end I would like to ask each Chapter to donate one very nice prize for someone to win. I will be asking for some help from the chapters to put this on, like working the games, set up, tear down and things like that.

There has some confusion about the rules for the plaques. If you log on to the web site [www.gwrratn.org](http://www.gwrratn.org) and go to the drop down under Plaque Locations you will find all the current rules for all the different plaques. If you have any questions about the plaques please give me a call or drop me an E-Mail I will try to help

Remember it is not too early to start planning for next riding season. When you get your plans made and know when your rides are going to be please let the other chapters know so they can plan to participate with your chapter. Please let me know so we can put it on the Districts calendar

Thanksgiving day is Thursday November 28th. Some folks like to call it "**TURKEY DAY' !!!**

This is day that we celebrate with our families and friends with great food, great fellowship, and memories of family gatherings from the past. Most importantly it is time to take a few minutes to give thanks for the many blessings we have.

We wish everyone a **HAPPY THANKSGIVING**

***Time Flies by***

*It is hard to believe 2019 is almost over but when we are having fun that happens. It has been great watching everyone visiting riding and making memories. We enjoy seeing all the pictures everyone shares on the rides they take.*

*Most Chapters will not have gatherings for the Month of December because of the holidays. Chapters will be having parties and selecting their Couple of the Year. This is a real honor to be selected.*

*We will be having a winter event and OPS meeting on February 8th. It will be at the James Ward Center in Lebanon TN and we are looking forward to it.*

*The District will be using Group works a lot this next year, it really is a good tool. Hopefully it will help get some new members to join GWRRA. Be sure and check it out*

*This month I have been under the weather and had a lot of test run they decided I have shingles on the inside. I want to thank everyone for the cards, calls, text and e-mails. It makes you feel good to have so many friends. Again THANKS!*

*We want to wish everyone a*     **HAPPY THANGSGIVING**

**A VERY MERRY CHRISTMAS**

*and*     **HAPPY NEW YEAR!!**

***Tom and Merrilee Peck******2019 TN District Couple of the Year***

Hi Everyone,

Hope you are all looking forward to the upcoming holidays. Plans are being made for our combined Ops Meeting and Winter Event, hope you have made your reservations. I also wanted to remind all our Chapter Directors to let us know your chapter Couple of the Year for 2020. Hopefully if you haven't yet chosen your couple, you will choose one over the holidays, Christmas parties are a great opportunity as you gather to make your selection. A good way to accomplish the Couple of the Year selection is to have the current 2019 chapter couple and your 2018 and 2017 couple get together and discuss who will be announced as your chapter's 2020 couple. Some chapters want to recognize one of their single members as the 2020 Individual of the Year. Special awards are available from the main GWRRA office from their Web Site. The girls in the front office can help with this if you need help. Plan ahead and get your packets on order and present them to honor your COY and IOY if you choose. After the New Year we will be contacting chapter directors to see where they are in the selection process. If you, as a chapter director, have any questions about the Couple of the Year program or the Individual of the Year program, please let us know. We look forward to help you better understand the importance of having a Chapter Couple of the Year and Individual of the Year. Hope to see you all soon.

### **2019 Going, Going almost Gone**

What a great year we have had. Can you believe that the next newsletter you get from the District will be a new year? Are you ready for 2020? We must get used to putting the new year on our checks, and everything else we sign and date. Think about it, if your reading this, you made it to the year 2020. I don't know about you, but when I was younger, I never thought about making it to the year 2020. Since we all made it this far let's be sure and take advantage of our longevity by having some fun this year. What better way to have fun than to start making plans to attend Spring Fling? If you read my article last month you know what you must do to get ready so why not start right now.

With the holidays upon us we think about friends and family, get together, celebrations, food and fun. That almost sounds like Spring Fling so be sure and plan for Spring Fling like you do for your holidays. Make your list, check it twice, to make sure you have everything you want to do at Spring Fling listed. Then make your preparations so you have signed up for everything, you made your motel reservations, you make sure your bike is ready for the trip and you make that list and check it twice not only for the things you want to do but for the things you want to take. The more you read this the more it sounds like your getting ready for the holidays and getting ready for the holidays is a big part of the fun of the holidays. Same thing with Spring Fling, getting ready is a big part of the fun which helps you make sure you will have fun.

Before 2019 gets gone, get ready for 2020. Don't wait until 2020 and make getting ready for Spring Fling a New Years resolution. You know you never keep those like you should, so start today while the Turkey is still a fond memory. We look forward to seeing you at Spring Fling in the year 2020.

## *District Membership Enhancement Program Coordinators (MEPC)*

**Dennis and Anne Greer**

I have had several people tell me they were not getting my emails. I checked the email address of those individuals and they are on my distribution list. So I don't know what is happening. I can say, all Chapter Membership Enhancement Coordinators and Chapter Directors should be receiving the Monthly Area Report List from me every month between the 11<sup>th</sup> and 18<sup>th</sup> of the month. If you have not been getting that Report contact me and let me know. This is your best recruiting and retention tool available.

Hope everyone had an enjoyable Thanksgiving. It's less than 4 weeks until Christmas. Can you believe we are only 5 weeks away from 2020? Where has the year gone?

Well folks, we are still waiting on the updated Officers Handbook (OHB). So I don't have the latest Couple Of the Year (COY) information for you. That said you can still use the COY information found in the 2018 OHB to start preparing for upcoming selection processes. Here is the link to the 2018 OHB [http://gwrra.org/oconnect/pdf/OHB\\_COMPLETE%20%20October%202018r3.pdf](http://gwrra.org/oconnect/pdf/OHB_COMPLETE%20%20October%202018r3.pdf) scroll through to the Couple Of the Year section. I'm told the resume and score sheets are essentially the same in the revised handbook and the 2018 version. You can find the COY Resume and score sheets at the following link: <https://gwrramep.org/couple-of-the-year>. The District COY Selection will take place at Spring Fling 30 Apr- 2 May. So get those resumes ready and send them to Tom and Merrilee Peck. Tom should be contacting all the Chapter Couples soon with more information.

If you have any questions about the COY program please contact Tom and Merrilee Peck at (423) 907-9712 ([tomkatpeck@msn.com](mailto:tomkatpeck@msn.com)) or Anne and I at (931) 728-1463 at email below

Until next time, Merry Christmas and Happy New Year,

## TENNESSEE DISTRICT MFA CPR COORDINATORS

This year is rolling down fast and there's not much left to say about MFA/CPR except that everyone needs to be trained to help someone in need if possible. Make sure to check the expiration dates on your CPR card and if you are in need of a renewal class, please, let's get a class scheduled early before riding season begins again.

If your group has an AED, check your batteries and make sure it is in perfect working order, and make sure that everyone knows who has it with them on a ride. If you don't have one, that would be a great thing to ask Santa for!

We hope each of you has a great Thanksgiving.

## Rider Educators

### District Educator Message for December

Tennessee Rider Education wishes all of our GWRRA family a very Merry and safe Christmas. Many members have winterized their bikes, while some members ride year round selecting the warmer and dry days. Be safe and alert riding in the winter months. Watch for ice and leaves. Be sure and dress for the weather and carry extra clothing.

We are working on TRC and ARC classes for 2020. We should have dates and locations by the Operations meeting. I will send the chapters directors the training needed for their members in the levels program that are coming up for renewal either in Medic First Aid or Rider courses, and of course Co-Rider Seminars. We will work with GW University in putting the Co-Rider Seminars together.

I spoke with Charlie and Pam Huffman our Medic First Aid Coordinators about having a MFA Instructor class for those who would like to become GWRRA MFA Instructors. If you are interested in becoming a MFA Instructor please contact Charlie and Pam Huffman. The class is a two day class usually Saturday and Sunday.

Winter is the time to schedule your Medic First Aid Training Classes. If your chapter needs the training contact Charlie and Pam. GWRRA does accept CPR / First Aid training classes from American Red Cross and American Heart. Classes are often offered by Fire departments and Rescue Squads as community service and some of our members maintain their certification through their employer. To record your CPR / First Aid certification be sure to e-mail or mail a copy to Roger and Marie or myself so we can update the data base for you.

I see that Bobby Cash has posted a New Years Day Ride for East Tennessee. You don't have to be from East Tennessee to join in. Each chapter will ride their own ride and meet everyone at the Green Tomato Restaurant in Mooresburg Tennessee just outside of Bean Station Tennessee. Meet at the restaurant at 12:00 PM (Eastern) information is posted on Group Works.

Many chapters will not have a gathering in December. Check with the CD if you plan to visit to make sure if they are having a meeting.

Merry Christmas to all. Ride safe and have fun.

Gary & Patti

## Assistant Rider Educators

Roger and Marie Crow

## RECOGNITIONS

Gary Hamilton, Senior TN District Educator, presented the following:

Survivor Certificates to **Dave & Betty Roberts** of TN B, **Richard & Connie Pendleton** TN C and **George Maples** TN M due to their surviving accidents earlier this year because they believed in and were properly attired in wearing **'All The Gear All The Time'** (ATGATT)

Grand Master Levels to **Roger and Marie Crowe**

## COURSES, SEMINARS & LEVELS

On October 26 there was a Trike Rider Course (TRC) held in Morristown, TN. The TRC class was taught by **Instructors Gary Hamilton of TN-A2 and Alan Ernest of KY-C**. There were three (3) participants (2 riders and 1 co-rider) in the class. We appreciate those who attended despite **the rain forecasted. Since it never materialized it was a great day, not too hot and not too cold.**

**Mike Burkitt** of TN Y taught a Co-Rider Seminar on 10/19/19 which had ten (10) participants and also a Road Captains Course on 11/2/19 with four (4) participants.

There have been nine (9) new members sign-up for the levels program this month. We appreciated the work the chapters are doing to get members involved.

## **CLASS ROSTERS**

Whenever **'any of the riding courses, Medic First Aid/CPR/AED and seminars'** are taught, a copy of the class rosters are to be sent to **'both'** the District Educators (Gary & Patti Hamilton) and Assistant District Educators (Roger & Marie Crowe) for our records. This enables us to ensure that members rider ed training and levels are kept up to date. It also allows this information to be included in the District Quarterly N.6 reports.

The following seminars need to have class rosters sent:

- Co-Rider
- Road Captain
- Team Riding
- Motorcycle Crash Scene Response
- Trailer
- Motorcycling for the Mature Rider
- Any other Education related Seminar

## District Ride Coordinator - East

**Bobby Cash**

Hi Everyone

I hope that everyone had a Great Thanks Giving, and didn't eat too much!

I will take this time to wish each and every one of you a Very Merry CHRISTmas and a Happy New Year!

Speaking of New Year's as some of you have already seen on Group Works I wish to tell all, that most Chapters do a New Year's ride and I hope that the weather is good to do that. And I would like to invite everyone to Our East TN Ride Coordinators New Year's Lunch. I will not be forming a Ride for that day as like I said most Chapters do their own ride. What I am asking you to do is to have your ride End at the Green Tomato in Mooresburg which is just outside of Bean Station. We will be meeting there between 12 and 1 pm to have some fellowship and Very Good Food. We will be eating at 1 pm and then after that you can join your chapter or another chapter for the ride home. Now for the Weather as you know I cannot forecast the weather that far in advance, if I could I would be Very Rich!!! If the weather is not fit for riding then you can meet us there for lunch and just Drive. If you don't ride anymore and want to come we want you to feel free to do so.

The main thing is to let us know that you are going so that you will have a seat. We will be in contact with the restaurant to let them know how many are going to be there, or if you have a question or need more info You can contact me at [tn.ridecoordinator@gmail.com](mailto:tn.ridecoordinator@gmail.com) and let me know that you are coming and how many will be with you. Everybody is invited no matter where you are from.

I would like to Welcome Hershel and Sherrie Anderson to the District Staff as Ride Coordinator for West Tennessee. We will be working together putting together rides for the entire state of Tennessee. We will be trying to get the Chapters riding to the Middle of the states a couple of times this year to meet up and have FUN.

Ride Safe !!! But Ride !!!

Bobby Cash

## District University Coordinators

David & Karen Hill

I know it is unusual, but we don't have a whole lot to say this month but we do want to wish everyone a good Thanksgiving, a very Merry Christmas, and a Happy New Year hopefully surrounded by a lot of family during the holidays. As Goldwingers, we all have a lot for which we are thankful.

The Horizons Workshop we mentioned earlier will probably be in March of 2020. As soon as we have a firm date, we will be sure to put out the information so you can put in on your calendar.

Meanwhile, be thinking about the classes you would like to see offered. We have certified instructors ready and waiting to facilitate any of the modules.

As usual, if you have any questions concerning the University Classes, please contact us.
