I hope this finds everyone healthy and happy. We are moving closer to spring and can almost see riding season around the corner. Let's get some of that TLC applied to the Gold Wings and be ready to ride when the time comes.

We just put the operations meeting and winter event behind us. The team tried to put out some good information; we hope some of it was helpful. If there was something missing in the operations meeting let us know so we can make the adjustments for next year.

I would like to thank Troy Hurt for finding us a great facility for the day. I think the size and location fit our requirements very well. I will say I could have done better in giving out the location but in my defense I will say I had no idea there was going to be the Home Show next door. Without the home show, finding our building would have been much easier.

Instead of thanking everyone that helped individually I am just going to thank the entire team and everyone else that assisted with the day. How about the Winter Event? I think everyone had a great time. Again if there was something missing or some change you would like to see let me know and we will see if we can work it out for next year.

I guess now is when we start the sprint to Spring Fling. We have about two months till Spring Fling, I believe it is time to make all your plans and get your room reserved. You may want to plan your group ride to Pigeon Forge; this is always a fun ride as a group. It is definitely time to get your registration in and secure your tickets for the dinner show after closing. I have been told there are only about fifty rooms left at the Evergreen Smoky Mountain Lodge so I would not wait much longer. **As you may know by now the Ramada Inn was purchased by a different company and is now the Evergreen Smoky Mountain Lodge and Convention Center. They have made some changes, the change that will affect us is "they no longer allow pets in the hotel or the convention center" this means we will have to cancel the pet costume contest for Thursday**

night. Chapter directors if you have a work assignment you want for your chapter please e-mail me and let me know. I am hoping for a good showing from Tennessee this year, this is our largest get together and it is important that all chapters are represented and come to enjoy the rally. Don't forget the talent show (no talent required) we have some great acts on the stage so if you decide not to be on stage at least be there to enjoy the hard work of others. Now with Max running the show I have heard that safest place in house is on stage.

We are going to have the Couple of the Year Selection at Spring Fling again this year so couples lets get ready to be up on stage and show us what you got. I can tell you from experience that it is a lot of fun and it is very rewarding. Along that line Chapter Directors don't forget your Couple of the Year Baskets. We have seen some very good baskets come through in years past. The sale of the basket tickets goes to support the Couple of the Year in their travels.

I guess I should mention the Spring Fling Logo contest. We had a few entries, they were all great but we did have to pick just one for the shirts. The one we picked was submitted by Wink Rager from Chapter TN-A. When you see Wink around congratulate her, she did a great job.

I guess by now everyone has heard about the Horizons Program coming up. On March 28, the Horizon Workshop will be held at the Trinity United Methodist Church on Jones Blvd in Murfreesboro. This is a good work shop for anyone who wants to know more about how the Association operates and why. David Hill has put out a couple reminders on group works. If you want to know more about the program send David Hill an e-mail and I am sure he will help you out. This is a work shop I would recommend for all Chapter Directors especially the new directors. Please give it some thought and I think you will enjoy it.

We have some new Chapter Directors that have stepped up to assist their chapters and I am sure we will see some good things from them. Chapter TN-C **Thomas & Carolyn Jarrell**, Chapter TN-E **Walter & Barbara Donnell**, Chapter TN-F **Gene & Donna Dunn**, Chapter TN-N **Ross Cole**, Chapter TN-V **Corliss Cooper**. Make sure you thank them for stepping up when you meet them. Of course any time you have a new Chapter Director, you also have a Director that is stepping down. Chapter TN-C **Richard & Connie Pendleton**, Chapter TN-E **Robert (Murray) Dunkin**, Chapter TN-F **Bruce & Gayle Babcock**, Chapter TN-N **Jeff & Shari Douglas**, Chapter TN-V **John & Sheila Billings**. To the directors that are stepping down a big thank you for all the time and dedication you have given to your chapters during your time of service. When we see these folks around be sure and thank them for what they have done for our Chapters and District. I am sure we will see a lot of these folks in other positions soon. Serving the membership is something that is hard to walk away from.

Spring Time is fast approaching and everyone is chomping at the bits to saddle their trusty Gold Wing and ride with fellow Chapter Members to a favorite scenic ride, a ride to a favorite eating establishment, and a favorite ice cream store. Also, included would be a plaque chasing ride to a Chapter to capture a COY plaque or Traveling Plaque, or just to visit a fellow Chapter just for a little fun ad fellowship with other Wingers.

Spring Fling is also right around the corner and we hope everyone is excited as we are for this great event. We hope everyone is making plans to attend and being a part of Spring Fling

Just a reminder be sure to get your reservations in for Chapter C's Steak Out, for more information please call Tom Jarrell at 423-383-0339 or email: tjarrell@charter.net.

SPRING is almost Here

Well the OPS meeting and the Winter Event is in the books, we hope everyone had a good time. There was a lot of information that was discussed. Dennis Peterson swore in three new Chapter Directors for Tennessee Chapters E, V and Chapter N, I gave them some advice that Sam Winters gave me... KEEP IT SIMPLE AND MAKE IT FUN! We know they will do a good job and we want them to know we are here if they need anything. Also we want to thank the ones that have stepped down, we know they will help their Chapter in any way they can.

Groupworks is the new thing that everyone is learning to use to get the word out about events. Chapter A's ACD Karen Thomas went over this at the OPS meeting and she will be doing this at the next Chapter A gathering on February 25th. We would like to Thank Karen & Steve for all the hard work they did.

Spring Fling is right here on us so please get registered ASAP. Early bird is March 2nd. This really helps the District out planning everything. Be sure and get your rooms if you have not done so they are going pretty fast. There will be a lot things taking place so be sure and check the schedule. Registration starts on Thursday April 30th at 8am to 5pm.

Also if your Chapter plans on going to the dinner show you can send one check to Bob Mack with the names of the members going. We have seen this show and folks it really is a good show and the food was very good. The price is also good they did give everyone a cut rate. It is a good way to end a GREAT WEEKEND WITH FRIENDS!

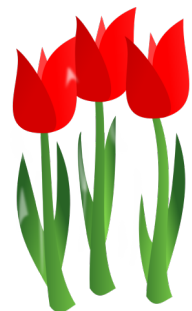

There are several ARC and TRC classes coming up. On April 11th Chapter A will have an ARC course range only no class room for only \$25.00. It will be held at the Gallatin Civic Center please contact Steve Thomas.

Chapter Z also will be having a Medic First class on March 21st at Charlie and Pam Huffman's at 1pm. The cost is \$20.00 per person please let know at their March 14th gathering if you are coming.

Also Chapter E will have their gathering on March 21st same place as always. The bowling alley is having a big tournament on the second weekend and they need the room. Please pass this on to your members.

Take Care & Ride SAFE IN 2020

Tom and Merrilee Peck***2019 TN District Couple of the Year***

As the year begins and many of the chapters have selected their Chapter 2020 Couple and Individual of the year. I would like to request all the chapter Directors to send me a brief note listing their name and ask that you attach a photo of them. Our web master will be able to highlight the couples on the web site and the district newsletter. Also if any of the selected Couples choose to take the next step and move forward to be considered for the District Couple of the year. Please contact us so we can do all the necessary paperwork to prepare your couple for this process. Most of the information you will need is located on the national web site, just go to [gwrra.org/programs/MEP/Couple of the Year](http://gwrra.org/programs/MEP/Couple%20of%20the%20Year). You can page down where you will find District Couple of the Year where there is lots of helpful information listed. Couple of the Year Handbook is also available here. If you still have questions, please contact us. Thanks.

Spring Fling is almost here

I am working on getting the Talent Show Application updated and on the website. You should be able to get it in the next few days. I hope a lot of you are waiting to get the latest version to send in. I promise it will be on the District Website in the next few days.

We hope you had a lot of fun at Winter Event. Just think, all that fun in only 3 hours, how much fun will 3 days at Spring Fling be. Three full days of fun, entertainment, education, shopping and friends. Start getting things together for a great time. That's all for now.

I have been asked on several occasions about the GWRRR Life Member Program. Former GWRRR President, Anita Alkire, addressed that in her May 2019 Insight article [click on link below](http://gwrra.org/oconnect/newsletter/2019/InsightNewsletter0519.pdf?v=1) to see that article (<http://gwrra.org/oconnect/newsletter/2019/InsightNewsletter0519.pdf?v=1>). In a nutshell, there have been 3 “Life” member programs since GWRRR started. Original “Life Member” program ran until 2001. You became a “Life” member after 20 consecutive years as a GWRRR member. In 2002/2003 the “Gold” member program was introduced. Anyone with 10 years or more of GWRRR membership was permitted to purchase the remaining years to get them to the 20 year mark. These members became “Gold” members. Gold members had privileges similar to “Life” members. However, this program ended in 2007. The “New Life” member program started in 2007. “New Life” members pay reduced dues. The New Life program is in existence today. Everyone in the Life, Gold, or New Life program should receive reduced registration at Wing Ding and several District Rallies.

Let me tell you about a couple who joined as a “Family membership” but decided to save money and dropped the spouse for several years. When it was time to get their “Life member” patches they were told the spouse was not qualified because they had not been a member for several of those 20 years. Lesson here is: “your spouse is worth the \$10 per year. Besides, if you take them to a Rally they have to pay non-member entry.

Spring is almost here. So sign up for Spring Fling April 30 – 2 May in Pigeon Forge. But before you do that make sure your bike is ready for all those spring rides.

Until next time,

Where has February gone, seems like just yesterday we were at Winter Event and having fun with all who attended. It was great seeing everyone again. It was a good meeting with lots of ideas brought forward. The rest of the month seems to have been mostly rain and somewhat cool. Good time to do the routine maintenance and insure all is ready for better weather. We are looking forward to setting up some district rides to various locations for lunch or entertainment venues. If you have suggestions please send them to me at hha52@hotmail.com.

Ride safe and enjoy,

March Message from the District Educators

Saturday February 22 I took my grandchildren to visit chapter T in Knoxville. They are some of the youngest members of GWRRA and love attending events and chapter meetings. Upon arrival I realized that I had left my wallet at home, things got busy as we were getting ready to leave and I just forgot it. Thanks to Bobby Cash we were able to have breakfast. Why am I telling this embarrassing story? How can I use this to promote rider education and rider safety? We do a bike check before we ride, check the tires, the lights, the fluids correct. If I had done a pre leaving check I would have noticed no wallet. Some times we get rushed, or something else comes up and we lose track of what we were supposed to do. How many times have we seen someone show up for a chapter ride on an empty tank, or riding on a low tire or the core is showing on the tire. We need to have a check list to follow and not deviate from that list. It could be the difference between a great ride or a bummer of a ride. Just a thought.

We have scheduled several training classes coming up this spring. We are having a ARC/TRC rider course in Gallatin on April 11, thanks to chapter A and Steve Thomas. Chapter Z is hosting a TRC class in Columbia on April 25th. And we are having a ARC/TRC class in Maryville May 30th. We are working with Chapter F to have a ARC/TRC class in Morristown sometime in September. Hopefully we can set up a class in Jackson some time in the fall. All the scheduled classes are listed on the district web page, and groupworks.

We are also having training in Medic First Aid. One class is set for March 7th in Jefferson City. It is posted on the web page and Group Works. We do have about 5 slots open at this time. If you want to come contact me. Charlie and Pam our Medic First Aid Coordinators also are setting up some classes in middle Tennessee.

We try to schedule classes so all our membership can attend. If one chapter sponsors a class all members are invited, we need to fill the classes to maximum capacity to make it cost efficient.

Working on the bike show and light show for Spring Fling. Roger will expand on that in his article. Don't forget to sign up for the Masters Breakfast at Spring Fling.

Ride safe and have fun. Go out and visit out sister chapters.

SPRING FLING HAPPENINGS

Spring Fling (April 30 to May 2) will be here before we know it. Here are some items for those that are interested in the Bike Show, Light Show, Masters Breakfast and Rider Education Seminars.

BIKE SHOW

The bike show will again be under Tennessee Bike Show rules (copies provided when registering), not national rules. There will be nine classes. We are going to have 1800 bike, 1800 trike, 1500 bike and 1500 trike classes. In the 1200, 1100, 1000, Valkyrie and Others class will include both bikes and trikes together in each category. Bikes with add-on kits (Voyager, etc) will be in the Valkyrie or Others class. There will not be any separate classes with trailers and or sidecars. All participants must be **fully registered** for Spring Fling. ***No bike show registrations will be accepted after 5:00 PM deadline on Friday May 1, 2020.*** Awards will be given out for 1st and 2nd places in each of the nine classes as well as a Best of Show Award.

LIGHT SHOW

Class I All **motorcycles** and **trikes** with non-flashing lights. Exception: 4-way stock flashers, modulating headlight and/or alternating flashing brake lights. Any color is acceptable.

All lights, mountings and wires must be permanently attached to the cycle and accessories and must not interfere with the safe operation of the motorcycle. (No taped on or tied-on temporary lights.)

Class II Motorcycles and trikes with a **sidecar and/or trailer** with non-flashing lights. Rules are same as above.

Class III All bikes, trikes, trailers and sidecars with computerized lighting and or alternating brake lights, these may be in Classes I or II.

Anything goes with lighting as long as the lights are mounted and wired and do not in any way, jeopardize the safe operation of the motorcycle.

All participants must be fully registered for Spring Fling.

No light show registrations will be accepted after 5:00 PM deadline on Thursday April 30, 2020.

The number of lights on the bike will not determine the winner. Judging will be based upon the continuity, the overall pattern and the general appearance of the display.

The lights, mounting and wiring cannot, in any way, jeopardize the safe operation of the motorcycle.

Plaques will be given out for 1st place only in each of the three classes.

MASTERS BREAKFAST

Cost is \$15.00 for each person. You **must be pre-registered** for the Masters Breakfast. **No tickets will be sold on site.**

SEMINARS:

- One (1) Co-Rider Seminar
- One (1) Medic 1ST Aid and CPR Class

It's almost Spring (hopefully)! With that in mind, think about improving your riding safety knowledge and skills by taking University modules, an ARC or TRC, Medic First Aid or any other course that will improve your knowledge about safety on the road.

The Horizons Program would be a good start. There will be a Horizons Program in Murfreesboro on March 28 at the Trinity United Methodist Church which is located at 2303 Jones Blvd. Because there are 4 modules in the program, we will start promptly at 9:00 am and we should be through by 5:00 pm at the latest.

Because of the length of the program, we will not have time to run out to your favorite eating establishment for lunch so we will be making arrangements to have lunch brought in. The cost of the lunch and the snacks which will be available all morning will be \$7.00 per person. Please send checks to David Hill, 2152 Ravenscourt Dr, Thompsons Station, TN 37179 by March 21. These funds will be used to purchase the snacks, coffee, soft drinks, water and lunch. If there are any funds left, they will be donated to the Church for letting us use their facilities (they are not charging us for the facilities).

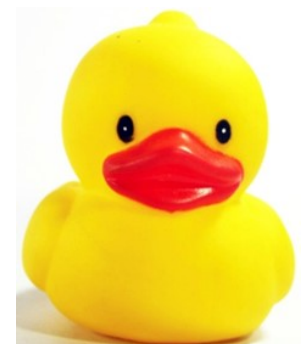

Spring Fling 2020 is another opportunity to further your safety knowledge. All classes will be on Friday in the Conference Center. Co-Rider Seminar, Chapter MEC Role, and Women in Leadership Roles will be from 9:00 am to 10:30 am. Medic First Aid will be from 9:00 am to 1:00 pm. Beginning at 10:30 am and ending at 12:00 noon will be Retention, Motorcycle Crash Scene Response, and Distracted Drivers. The locations for each of these classes will be posted inside the Conference Center.

Keep watch on Groupworks. Various classes are posted periodically. Unless otherwise stated in the class notification, anyone is welcome to take any class anywhere. If you're close to any of the surrounding states, you can take classes there too. Just be sure to scan or take a photo of the class roster so we can make sure you are credited for the class.

I don't know about you but we are ready for Spring. Please contact us if you need a class or have a question. We'll do what we can to help.

We'll see you on the road!
