Friends for Fun, Safety and Knowledge

Chapter Director's Spiel

Hey all, we're getting really close to a brand new riding season (okay, yes I know, some of our die-hard members ARE riding now, and we would be too, if Loretta & I hadn't had our medical issues these last few months, I CAN tell you that I am most definitely having withdrawal symptoms! But hey, we'll be there soon).

On that note, I can't neglect to post a major and significant message to everyone, for most of you, your "trusty steed" has been sitting, hibernating, for the last several months, so PLEASE, make sure you do a really good check of all you can on it, to make sure it is ready, and SAFE, to take you out on the road again. We want you safe and ready to join us on some fun rides this season.

By now, hopefully, most all of you received and at least looked at our chapter's new 2020 Ride Calendar that I sent out to everyone via email. There are a whole bunch of options there to meet hopefully anyone's particular and specific desires for the type of ride(s) they are most interested in. I will state that the calendar is NOT set in stone, I can pretty much guarantee that during the year there WILL be changes, it is the nature of our pastime, circumstances change, weather will mess us up, etc. So keep a close watch on updates in the monthly newsletter as well as emails that I will send out as needed. And if you have any questions about any of the posted rides, please feel free to contact me.

A couple of additional notes about the ride calendar, first, for any weekend/multi-day rides, we will be trying to do research as soon as we can, to get information on potential lodging facilities, with the intention of putting that information out in plenty of time for members to make their lodging reservations. Also, most all these rides were suggestions from members at the Ride Planning Meeting, and I would respectfully ask that you think about it and if it was one of the rides you suggested, please consider planning the route and letting me know, and even consider volunteering to be that ride's Leader, let's all share in the fun as well as the effort to set up a ride.

Looking at the calendar, for the most part we tried to not schedule any chapter rides on the weekends of any of the District rallies in our general area. But we know that most members do not attend most of the surrounding rallies, so if anyone has an idea for an impromptu ride on these weekends, or at any other time, please let me know and I can put out the information via an email to see if any members might want to join you. We are NOT limited to ONLY rides on the calendar! Also, once again this year we will be having the "ROMEOS" (Retired Older Members Eating Out Socially) on the Wednesday of the week between the chapter gathering on the 2nd Tuesday and the chapter dinner on the 4th Tuesday. If you want, meet up at the Cracker Barrel next to the Fort Loudon Medical Center, to have breakfast, in time to be ready to go for a ride, leaving at 9:30am. The actual ride will be determined by the members that show up.

I had mentioned above our Loretta and my medical issues these last several months, and I wanted to take a moment to thank members for their cards, emails, and phone calls with well wishes. Just more examples about how GWRRA IS just a big family. As I'm sitting here writing this article, I am at the rehabilitation facility that Loretta is currently staying at, getting all kinds of therapy, physical (to build up her strength to be able to get around on a walker when she gets to that stage), and occupational (teaching her the steps necessary to safely get out of and back into bed onto her wheelchair or later a walker, on and off the toilet, etc.) According to statements being made to me by the therapists, she is doing fairly well, and they are the ones that will be making the determination when she is well enough and qualified enough to be able to come home, something that both of us are enthusiastically looking forward to!

If you have any questions, concerns, suggestions, etc., please feel free to contact me, and we hope to see you at a chapter function soon. Take care and ride safe.

Brian & Loretta Richards, TN-M Chapter Directors

Assistant Chapter Director

Let's all get ready to have some fun with our chapter friends in this new year.

Don't forget, weather changes quickly this time of year, so if you go on a ride, be prepared with the right clothes, for whatever weather you might encounter.

If you're planning on going for a ride, make sure you, your gear, and especially your ride, are all at their peak performance level and ready to get out there and have fun. And make sure to be wearing the proper gear for safety and the expected conditions.

Ride Safe!

James Whitener, TN-M Assistant Chapter Director
