

GWRRA TN CHAPTER V CHOO CHOO WINGS CHATTANOOGA, TN

April

FRIENDS for FUN, SAFETY, KNOWLEDGE

2020

Chapter Director's Thoughts

Hello Everyone,

Well we have been busy in my short time as Chapter Director. We have visited several different Chapters within Tennessee and plan of visiting many more. I would like for you all to come along for some of the visits because it is quite enjoyable meeting fellow wingers. We have been on the hunt for the travel plaque and so far, it has eluded us, but we will continue to try and capture it for our Chapter. In February, we had the Winter Operations meeting that was held by new District Director Dennis Peterson in Lebanon TN. I was sworn in as your Director along with two other new GWRRA Chapter Directors during the meeting. The meeting was informative as to what the Leadership of each Chapter needs to do, and emphasis was placed on making sure that the Chapters are having fun and riding. I know the weather has not been our friend these past months but I'm hoping that the sunshine will come out soon and we will be able to ride safely and enjoy each other.

I would like to encourage you all to join this train that is rolling down the tracks to new and fun destinations! I encourage you all to bring your ideas to the meetings and let's do this as a team! We will be doing a lot of riding as the weather warms up, but let's not let the weather keep us from going and doing things. Let's do it on 2, 3 or 4 wheels, as long as we have fun doing it. I want to thank you all for not giving up on this Chapter and thank you for wanting to be a member of this Chapter, because without you there would be no Chapter. So, let's get our wheels turning and putting Chapter V back on the track!

We hosted a Rider Seminar on March 13, 2020 which was free to attend and was taught by Roger and Marie Crowe. We will be hosting other seminars in the future as well. This is a

Chapter V meets every second Saturday of the month at Southern Honda Powersports.
Eat and Greet begins at 9am and the FUN begins at 10am, so come out and join us!

great opportunity for you to learn new things with riding. We are never too advanced in riding to not want to continue to learn new ideas that will be beneficial to us.

Let's remember Spring Fling is coming up April 30th thru May 2nd, 2020 and this would be another great opportunity to meet some other GWRRA members and have fun. I hope to see you there.

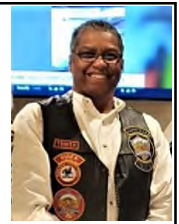

Ride Safe!

Corliss Cooper

A frog goes into a bank and approaches the teller. He can see from her nameplate that her name is Patty Whack.

"Miss Whack, I'd like to get a \$30,000 loan to take a holiday."

Patty looks at the frog in disbelief and asks his name.

The frog says his name is Kermit Jagger, his dad is Mick Jagger, and that it's okay, he knows the bank manager.

Patty explains that he will need to secure the loan with some collateral.

The frog says, "Sure. I have this," and produces a tiny porcelain elephant, about an inch tall, bright pink and perfectly formed.

Very confused, Patty explains that she'll have to consult with the bank manager and disappears into a back office.

She finds the manager and says, "There's a frog called Kermit Jagger out there who claims to know you and wants to borrow \$30,000, and he wants to use this as collateral." She holds up the tiny pink elephant. "I mean, what in the world is this?"

The bank manager looks back at her and says, "It's a knickknack, Patty Whack. Give the frog a loan. His old man's a Rolling Stone."

(You sang it, didn't you? Yeah, I know you did.)

From Your Ride Coordinators

Here's the question, "***Don't we just love riding?***"

I can see you nodding your head and saying with a LOUD voice, "**YES, WE DO!**"

With that being said, we realize that if you haven't been out riding yet, it's just a matter of time before you hit the open road. At times we don't think before we saddle up and ride out on those open roads, but I want to just remind us about being safe. One thing that we all want to accomplish is being able to go home and ride again another day. In the state of Tennessee from 2008-2016 there were some 1,967 motorcycle fatalities and in 2008 alone, there were some 3,257 motorcycle crashes. We need to do our best in trying to bring down those numbers.

Tell your friends, family, and co-workers that you ride a motorcycle and that to look twice for you. Maybe if we can't get people to understand that I have friends and family out on their bikes that just maybe they will be more focused (just maybe).

On the other hand, let's make sure we are doing our part as a rider:

1. Always wear a helmet
2. Watch your speed
3. Use your turn signals
4. Watch your distance
5. Use both brakes
6. Avoid blind spots.

Now let's get together and do some riding, eating and fellowshiping!

Your ride coordinators'

History of GWRRA

TN Chapter V

Chapter Colors & Chapter Logo

NOTE: There are *many* gaps in the history of GWRRA TN Chapter V as some of the historical records are not available from the GWRRA Home Office or from previous Chapter Directors. Most of the available information was documented by George Eddie Maddux, the Chapter Historian in 2007.

It is unclear when TN Chapter V was originally chartered. It is possible that the first charter could have occurred between 1982 and 1983 based upon the GWRRA join dates of a couple of our chapter participants. A charter for the creation/recreation of TN Chapter V was dated April 15, 1995 and reflects that **Richard K. Carrigan** was the Chapter Director at the time. That charter was displayed in the March edition of this newsletter.

With so much of Chattanooga's history involving trains, and the Chattanooga Choo Choo song written by Mack Gordon in 1941 and made famous as a big band tune played by the Glenn Miller Orchestra. It only seemed natural that GWRRA TN Chapter V would adopt the nickname of *Choo Choo Wings*.

Although the original chapter colors have not been documented, I have been told by one of the Original Charter Members, **Willie and Evelyn Lewis**, that the chapter wore railroad bib overalls with a pin striped hat as pictured here.

When Beverly and I joined GWRRA on 2006, the chapter shirt for TN Chapter V was a cambree blue denim without a chapter logo. The back of the chapter shirt is pictured here.

The chapter adopted a whimsical version of a locomotive as the chapter logo in late 2005 to early 2006. That logo appeared on chapter newsletters and was made into a fabric patch which could be sewn onto chapter vests and shirts.

While attending the Tennessee District Cupid's Capers in Paris Landing State Park during February 2008, Beverly and I saw a display upon which was an original TN Chapter V patch. The chapter participants who had accompanied us to the event stated that they were unaware the TN-V had a chapter Patch. The chapter decided to change the color of the chapter

shirts and return to a similar logo as had been displayed at Cupid's Capers.

After much discussion and consideration, the chapter chose Carolina Blue as the chapter color the "original logo" which was displayed on the chapter newsletter and chapter shirts.

Sometime between 2011 and 2012, the chapter felt that the chapter color and logo needed to be upgraded and more reflective of the twenty-first century. High visibility (Hi-Viz) yellow was selected which might make a rider and co-rider more visible while on a group ride. The logo also reflected a more modern look, like the logo that had been recently adopted by the Tennessee District.

Next month, we will look at the Chapter Directors and Chapter Couples of the Year throughout TN Chapter V's history.

Jim & Beverly Rambo

Chapter MEC

Jim & Beverly Rambo

There was an elderly couple who in their old age noticed that they were getting a lot more forgetful, so they decided to go to the doctor. The doctor told them that they should start writing things down, so they don't forget.

They went home and the old lady told her husband to get her a bowl of ice cream. "You might want to write it down," she said. The husband said, "No, I can remember that you want a bowl of ice cream."

She then told her husband she wanted a bowl of ice cream with whipped cream. "Write it down," she told him, and again he said, "No, no, I can remember you want a bowl of ice cream with whipped cream."

Then the old lady said she wants a bowl of ice cream with whipped cream and a cherry on top. "Write it down," she told her husband and again he said, "No, I got it. You want a bowl of ice cream with whipped cream and a cherry on top."

So, he goes to get the ice cream and spends an unusually long time in the kitchen, over 30 minutes.

He comes out to his wife and hands her a plate of eggs and bacon.

The old wife stares at the plate for a moment, then looks at her husband and asks, "Where's the toast?"

Our history with Motorcycles

By Peter Hanson

This is a picture of me taken in January 1971 sitting on my first motorcycle, a 1965 BSA Bantam. I bought this bike from a friend who told me that it had originally been used by the GPO (British Postal Service). The attached leg guards were an accessory that the GPO used to put on most or all of their bikes. The bike had a 175cc, single cylinder, 2-stroke engine. It had a listed top speed of 57 mph, but I reckon that was only going downhill with a tailwind! In any event it had a habit of not wanting to start and, since I was never much of a mechanic, it spent a lot of time parked in the shed. One time when

I was riding the 50 miles back home, I was able to slipstream in behind a coal delivery truck that was trundling along doing about 60. Not only did this get my speed up a little but it gave some shelter from the cold English rain. When I got home my mother barely recognized me, covered from head to toe in black coal dust.

The picture was taken by a cute young lady on either our first or second date. She had always wanted a motorcycle but it was the one thing that her dad had told her she could not have. Being the rebellious type, and being 3,000 miles away from home, she did not have to be asked twice to jump on the back and hope that dad would forgive her. We spent the next few months together and the rest, as they say, is history.

We were married the following year by which time the BSA was long gone. In between working, starting a family, and emigrating, motorcycles were far from our minds. Then, when we were in our mid 50's, one of our daughters bought a Kawasaki Ninja and that re-kindled the interest. Johnnie Lanham, a friend that I worked with, encouraged me to take the MSF course, which I did at Southeast High School in Dalton. The next day I picked up a Honda Shadow 750 Aero, the first bike I had owned in over 30 years. We kept it for about 6 months but it just wasn't big enough to ride 2 up for any distance in comfort. Next came a VTX 1300 which carried us from Tampa Bay to the Canadian border, including the full length of the BRP and the Skyline Drive, among many other rides. The next step was to get a big touring bike so that Wendy could sit in an armchair on the back instead of resting up against a sissy bar. So we traded for an Ultra Classic.

Funnily enough, this was around the time that she got interested in having her own bike.

She also took and passed the MSF course and, since then, has steadily moved up the ladder, from a Honda Rebel to a 150 cc scooter to a 250cc Sym, to a Honda DN01, to a Can-Am Spyder RTS. Wendy's first rides on 3 wheels were a learning experience, but she now has no trouble keeping up with me going over the mountains, not that I am any kind of speed demon.

Meanwhile after owning 2 Harleys I went to Demo Day at Southern in the summer of 2018 and fell in love with the new Wing, which I purchased the very next day. We have ridden these 2 bikes together to Key West and to the Hill Country of Texas and are planning later this year to take the scenic route back up to Rochester, NY.

Here we are on a recent jaunt over Fort Mountain.

What's Happening at SPRING FLING?

By Roger & Marie Crowe, Senior TN ADE

Spring Fling (April 30 to May 2) will be here before we know it. Here are some items for those that are interested in the Bike Show, Light Show, Masters Breakfast and Rider Education Seminars.

BIKE SHOW

The bike show will again be under Tennessee Bike Show rules (copies provided when registering), **NOT** national (GWRRA) rules.

There will be nine classes. We are going to have 1800 bike, 1800 trike, 1500 bike and 1500 trike classes. In the 1200, 1100, 1000, Valkyrie and Others class will include both bikes and trikes together in each category. Bikes with add-on kits (Voyager, etc) will be in the Valkyrie or Others class. There will not be any separate classes with trailers and or sidecars.

All participants must be **fully registered** for Spring Fling. ***No bike show registrations will be accepted after 5:00 PM deadline on Friday May 1, 2020.***

Awards will be given out for 1st and 2nd places in each of the nine classes as well as a Best of Show Award.

LIGHT SHOW

Class I All **motorcycles** and **trikes** with non-flashing lights. Exception: 4-way stock flashers, modulating headlight and/or alternating flashing brake lights. Any color is acceptable.

All lights, mountings and wires must be permanently attached to the cycle and accessories and must not interfere with the safe operation of the motorcycle. (No taped on or tied-on temporary lights.)

Class II Motorcycles and trikes with a **sidecar and/or trailer** with non-flashing lights. Rules are same as above.

Class III All bikes, trikes, trailers and sidecars with computerized lighting and flashing lights will be in this class.
(If flashing lights are only 4-way stock flashers, modulating headlights or alternating brake lights, these may be in Classes I or II.)

Anything goes with lighting as long as the lights are mounted and wired and do not in any way, jeopardize the safe operation of the motorcycle.

All participants must be **fully registered** for Spring Fling.

No light show registrations will be accepted after 5:00 PM deadline on Thursday April 30, 2020.

The number of lights on the bike will not determine the winner. Judging will be based upon the continuity, the overall pattern and the general appearance of the display.

The lights, mounting and wiring cannot, in any way, jeopardize the safe operation of the motorcycle.

Plaques will be given out for 1st place only in each of the three classes.

MASTERS BREAKFAST

Cost is \$15.00 for each person. You **must be pre-registered** for the Masters Breakfast. ***No tickets will be sold on site.***

SEMINARS:

- One (1) Co-Rider Seminar
- One (1) Medic 1ST Aid and CPR Class
- One (1) Motorcycle Crash Scene Response Seminar
