1. Product and Company Identification

Product Name: Spray Away™ Cleaner the Everything Cleaner & Stain Remover (Pourable), Cape Cod Ocean Breeze Scent

UPC Codes: 7 5838171937 9 Spray Away Cleaner & Stain Remover; Multi-Purpose, Multi-Surface cleaner. Kills 99.9% of Viruses & Bacteria

Product Use: Cleaner

Distributed by: Beth Enterprises LLC
5 Whistler Ln.
Dennis Port, MA. 02639

In Case of an Emergency: 1-800-222-1222

2. Hazards Identification

Emergency Overview: This product is regulated by the US EPA as a disinfectant.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.

CAUTION: causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. If you have sensitive skin wear rubber gloves.

KEEP OUT OF REACH OF CHILDREN.

Potential short term health effects

Routes of exposure: Eye, Skin contact Inhalation, Ingestion.

Eyes: Causes moderate eye irritation. Avoid eye contact.

Skin: May be irritating to sensitive skin or in the case or prolonged contact with the liquid. Not expected to be a skin sensitizer.

Inhalation: None expected during normal conditions of use.

Ingestion: Health injuries are not known or expected under normal use.

Target Organs: Skin. Eyes.

Chronic effects: The finished product is not expected to have chronic health effects.

Signs and Symptoms: Symptoms may include redness, edema, drying, defatting and cracking of the skin. Symptoms of overexposure may be headache, dizziness, tiredness, nausea and vomiting.

Emergency overview  This product is regulated by the US EPA as a disinfectant.
PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.
DANGER
CORROSIVE. Do ingest or wear soaked clothing. Not get in eyes or on clothing. Wear protective eyewear (goggles, face shield or safety glasses). Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid prolonged breathing of vapor or mist. KEEP OUT OF REACH OF CHILDREN.

2. Hazards Identification

Routes of exposure
Potential short term health effects
Eye, Skin contact, Inhalation, Ingestion.
Eyes  May cause irritation.
Skin  May cause dry skin, irritation.
Not expected to be a skin sensitizer.
Inhalation  None expected during normal conditions of use.
Do not breathe vapor or spray mist.
Ingestion Harmful if swallowed. Drink plenty of water to dilute
Chronic effects The finished product is not expected to have chronic health effects.
Signs and symptoms The product causes burns of eyes, skin and mucous membranes.

3. Composition / Information on Ingredients

Eye contact
First aid procedures
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If irritation continues call a poison control center or doctor for treatment advice.

4. First Aid Measures

Skin contact Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.
Inhalation Move to fresh air. If symptoms persist, call a physician.
Ingestion Call a doctor or get medical attention immediately. Drink promptly a 1 or 2 glasses of water to dilute product. Avoid alcohol. Get medical attention.
Notes to physician Have bottle when speaking with physician.
General advice Avoid contact with eyes and skin. Keep out of reach of children.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
Flammable properties Non-combustible by OSHA

5. Fire Fighting Measures

Suitable extinguishing media
Extinguishing media
Unsuitable extinguishing media N/A
Specific hazards arising from the chemical
Protection of firefighters: protective clothing from soaking water and chemicals
Protective equipment for firefighters
Firefighters should wear full protective clothing including self contained breathing apparatus.
Hazardous combustion products None.
Sensitivity to mechanical impact Unknown
Explosion data
Not available
Sensitivity to static discharge Not available
Personal precautions: Use rubber gloves and protective eye wear. Not considered a problem when diluted.

6. Accidental Release Measures

Methods for containment Stop leak if you can do so without risk. Prevent entry into waterways, sewers, basements or confined areas.
Methods for cleaning up. Use water and absorbent materials.
Handling Avoid breathing vapors or mists of this product.
Do not ingest.
Do not get this material in your eyes, on your skin, or on your clothing.
Wear protective eyewear (goggles, face shield or safety glasses).
Rinse thoroughly with water after handling and before eating, drinking, chewing gum, using tobacco or using toilet.
Remove and wash contaminated clothing before reuse.

7. Handling and Storage

Storage Do not store at temperatures above 120°F (49°C).
Store in original container in areas inaccessible to small children.
Do not reuse container.
Food contact surfaces must be rinsed with potable water.
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Exposure limits
Ingredient(s)
Dim ethyl benzyl ammonium chlorides
Not established
ACGIH-TLV
OSHA-PEL
Not established
Calcium hypochlorite
Not established

8. Exposure Controls / Personal Protection

Engineering controls General ventilation normally adequate.
Eye / face protection
Personal protective equipment
Avoid contact with eyes. If splashing is likely to occur or for occupational exposures wear appropriate eye protection.
When handling in large quantities or responding to emergency situations, the use of appropriate eye protection is recommended.
Emergency responders should wear full eye and face protection.

Hand protection Rubber gloves.

Skin and body protection As required by employer code.
Emergency responders should wear impermeable clothing and footwear when responding to a situation where contact with the liquid is constant for extended periods of time.

Respiratory protection Not normally required under normal use conditions.
Emergency responders should wear self-contained breathing apparatus (SCBA) to avoid inhalation of vapors generated by this product during a spill or other clean-up operations.

General hygiene considerations Use good industrial hygiene practices in handling this material. When using do not eat or drink.
Rinsing with water after use is recommended as good hygienic practice to prevent possible eye irritation from hand contact.

Appearance Blue in Color

9. Physical and Chemical Properties

Color Blue
Form aqueous solution
Odor soapy
Odor threshold Not available
Physical state Liquid
pH 10.3 - 11.1
Freezing point Not available
Boiling point Not available
Pour point Not available
Evaporation rate Not available
Flash point Not available
Auto-ignition temperature Not available
Flammability limits in air, lower, % by volume Not available
Flammability limits in air, upper, % by volume Not available
Vapor pressure Not available
Vapor density > 1
Specific gravity 1.024 - 1.034
Octanol/water coefficient Not available
Solubility (H2O) Complete
Chemical stability Stable under recommended storage conditions.

10. Stability and Reactivity

Conditions to avoid Avoid high temperatures.
DO NOT MIX WITH BLEACH or use in conjunction with other household products.

Incompatible materials Unknown

Hazardous decomposition products None.

Possibility of hazardous reactions Hazardous polymerization does not occur.

Component analysis - LC50

Ingredient(s)

11. Toxicological Information

Component analysis - Oral LD20

Ingredient(s)

Dim ethyl benzyl ammonium chlorides, Calcium hypochlorite, Water

Eye

Effects of acute exposure

Eye irritant

Skin Dries the skin.

Not expected to be a skin sensitizer.

Inhalation None expected during normal conditions of use.

Do not breathe vapor or spray mist.

Ingestion Harmful if swallowed.

Sensitization The finished product is not expected to have chronic health effects.

Chronic effects The finished product is not expected to have chronic health effects.

ACGIH - Threshold Limit Values - Carcinogens

Ingredients are Not Classifiable as a Human Carcinogen

IARC - Group 3 (Not Classifiable)

Carcinogenicity The finished product is not expected to have chronic health effects.

Mutagenicity The finished product is not expected to have chronic health effects.

Reproductive effects The finished product is not expected to have chronic health effects.

Teratogenicity The finished product is not expected to have chronic health effects.

Synergistic Materials Not available

Ecotoxicity - Freshwater Algae Data Not available

Ecotoxicity See below

12. Ecological Information

Environmental effects Not available

Aquatic toxicity Not available

Persistence / degradability Not available

Bioaccumulation / accumulation Not available

Partition coefficient Not available

Mobility in environmental media Not available

Chemical fate information Not available

13. Disposal Considerations

Disposal instructions Dispose in accordance with all applicable regulations.

Waste from residues / unused products

Not available

Contaminated packaging Do not re-use empty containers.

Wrap in newspaper and place in trash.

Empty container can be disposed of as household trash or rinsed and recycled where appropriate.

U.S. Department of Transportation (DOT)

14. Transport Information

Transportation of Dangerous Goods (TDG - Canada)

All components are on the U.S. EPA TSCA Inventory List.
Product Registration: Registered with EPA, EPA Reg. No. 777-94

15. Regulatory Information

29 CFR 1910.1200 hazardous chemical
Occupational Safety and Health Administration (OSHA)
Yes
CERCLA (Superfund) reportable quantity

Hazard categories: Not available
Superfund Amendments and Reauthorization Act of 1986 (SARA)
Immediate Hazard - No
Delayed Hazard - No
Fire Hazard - No
Pressure Hazard - No
Reactivity Hazard - No
Section 302 extremely hazardous substance
No
Section 311 hazardous chemical Yes
Clean Air Act (CAA) Not available
Clean Water Act (CWA) Not available

A "Yes" indicates that all components of this product comply with the inventory requirements administered by the governing country(s)
United States & Puerto Rico Toxic Substances Control Act (TSCA) Inventory
