Pastor's Pen

I loved the letter that MaDonna Zander read this weekend that came as a result of one of the shoeboxes. Below is perhaps an older letter (testimony) from some years ago, (as you know we can't ship snow globes or liquids) but the sense of blessing in the letter is worth hearing again, (Thanks for sharing Bob Twing).

I still remember the first time I learned how to pray. I was 13 and wanted to see snow outside so we could make the best of the cold, dark winter days. My prayers were simple but expectant. I wanted God to prove His existence by giving me snow, but He didn't answer for three months.

Just as I was ready to give up on Him, my answer came in an unexpected way: a colorful, wrapped shoebox. Within this box I found a snow globe that brought snow to life like never before. I understood through that little globe that God knew me and the desires of my heart. He knew I was ready to give up on Him, but He was not ready to give up on me.

I learned He is a God who answers prayers; His answers can just look differently than what I imagine. On that day, a simple silver and blue snow globe launched my desire to be just like the Palm Sunday donkey and carry Him into the world, and for that I am grateful. -Izabella McMillion (Operation Christmas Child)

Can't wait to worship with you again this Sunday and am so excited as we begin to hear Grace Fellowship testimonies.

1.9 billion children in the world are below the age of 15. This is 27% of the world's population that potentially has the opportunity to hear the Gospel of Jesus Christ through a gift– filled shoebox.

Each shoe box represents a child. It is estimated that for every child that receives a shoebox and participates in the Greatest Journey discipleship program, will bring an additional 9 people to know and accept the Lord.

Shoeboxes are available in the foyer and labels for the boxes are on the Information Center.
