

GRACE HAPPENINGS

Grace Fellowship Church Newsletter | January 8, 2020

Pastor's Pen

These are exciting days for the Kingdom of God. Jesus warned that in the latter days we would hear of wars and rumors of war! Sound familiar? He told us this not so we would be fearful, but so we would know that victory is at hand. We have inherited a victorious gospel – not just a survive and cope gospel. We have not received a gospel of fear, but a gospel of power and love! We know the Holy Spirit is not living in us because He needs a place to live. He lives in us because He wants fellowship with us, and He desires to manifest the power of the Kingdom of heaven through us. Ezekiel 36:27 (ESV) *And I will put my Spirit within you, and cause you to walk in my statutes and be careful to obey my rules.*

Faith is not blind, it is visionary! What could happen if you began to imagine your future according to His power that is at work within you. Check out 1 Corinthians 2:9, *However, as it is written: "What no eye has seen, what no ear has heard, and what no human mind has conceived"— the things God has prepared for those who love him—*

Look at what Deuteronomy 28:3-6 says about the life we inherited through our walk with God: *You will be blessed in the city and blessed in the country. The fruit of your womb will be blessed, and the crops of your land and the young of your livestock—the calves of your herds and the lambs of your flocks. Your basket and your kneading trough will be blessed. You will be blessed when you come in and blessed when you go out.*

Look forward to seeing you this weekend!
